When A Woman Loves A Man Pursuing His Heart:

When a Woman Loves a Man James Ford Jr.,2011-03-01 When a woman loves a man it s like all the cliches you have ever heard She stands by her man He has sunshine on a cloudy day She makes him feel like a natural man When a woman loves a man you are looking at how Christ loves She puts his needs before her own She focuses on what he needs and how he needs it When a woman loves a man she is his biggest cheerleader and encourager She will go to great lengths to protect him and promote him Although Jezebel was definitely an ungodly woman she showed her love for Ahab even though that love contributed to her death When a woman loves a man she stands by him against all odds in front of him against all foes and behind him to protect his back The Bible states that God took part of the man s rib and made the woman This is significant for many reasons one of which teaches us that the woman s love would be expressed in her protection of her husband emotionally The ribcage protects the vital organs like the heart and the lungs Yes God has made man the physical protector of the woman but He s equalled the playing field by making the woman the emotional protector of the man It has been said that man is the head but it is the woman that turns the head In Titus chapter 2 the older women are to teach the younger women how to love their husbands When a Woman Loves a Man will explore and explain the characteristics that a woman demonstrates that expresses her love to her man in the way that God intended *Renovating Your Marriage Room by Room* Dr. Johnny C. Parker, Jr,2012-05-01 When considering building a home couples look for the right architect right builder and the right decorator to make their dream house a reality They work with these people to sketch out plans for the structure of the house determine what materials to use in building the house and which decorations to use how to make the house warm and cozy Accomplishing their goal and making sure they get exactly what they are paying for is in part due to everyone working off of the same set of blueprints and plan while they are exercising their unique talents and skills in getting the house completed With the same care and even more couples should invest in building their marital houses Making sure they are working from the same plan laying a solid foundation in the process and doing the work needed to keep their house intact and standing strong In *Renovating Your Marriage* Dr Johnny Parker speaks to you and your spouse about building a house of togetherness brick by brick from the foundation up He encourages you to consider the two possible foundations upon which marriages are built then walks you through an inspection of your marital house room by room Is your marital house standing on a firm foundation or has it been shaken Are you in need of a marriage renovation Dr Parker wants to help you answer these questions and make the changes necessary to give your love a new look *The love chase.
