Where Is That In The Bible:

Why Is That in the Bible? Eric J. Bargerhuff, 2020-08-18 The Bible Passages You've Always Wondered about Explained What should we make of the Bible story about a talking donkey What about the passage in Joshua where the sun and moon stood still Should biblical practices like women wearing head coverings still be followed today The Bible serves as the foundation for all of Christian life crossing time and transcending cultures yet many passages are perplexing Providing fascinating historical and scriptural insights Eric J Bargerhuff demystifies forty Bible verses and stories Ranging from strange accounts such as bears mauling forty two boys 2 Kings 2 to hard to accept statements such as Jesus saying we must hate our families in order to be his disciples Luke 14 you will learn the context of each passage and how it applies to us today Other fascinating accounts include The Finger on the Wall Lead Us Not into Temptation Jeremiah's Linen Underwear No One Knows the Day or the Hour The Battle for Moses Body Death at Communion In all this book will help you be more confident about interpreting all of God's Word accurately *Know Your Bible for Kids: Where Is That?* Donna K. Maltese, 2014-12-01 It's never too soon to know your Bible and here's a fantastic resource for young readers ages 5-8 to explain the most important places of scripture Know Your Bible for Kids Where Is That is based on the two million selling handbook Know Your Bible and describes 99 of the most interesting and important locales of scripture both Old and New Testament With clear age appropriate text explaining each place's story and relevance it's colorfully illustrated and designed to enhance both the fun and the learning Each entry includes a key verse about the place and a What Does That Mean section for personal application

Where on Earth Did the Bible Come From? William Miller Fulkerson, 2020-02-26 There are many book studies of particular books of the Bible There is also a myriad of devotional and inspirational books regarding the Bible and many questions about it Why are there different accounts of some events Why is the description of the earth and the world different from what we know today Many of these questions and others are answered when a person learns how the Bible was put together This book does not deal with theology or doctrine It is an account of how the various parts of the Bible came to be included Further the book traces the journey of the Bible from its initial collections to Jerome and continues until its publication in the English language in both the Protestant and the Catholic versions The author has written this book for the eager layman and woman and also for the first year college or Bible school student who is in a religious studies program

A Dictionary of the Bible: Pleroma-Zuzim James Hastings, 1902 *What Is Wrong With the Bible?* Charles Giuliani, 2018-07-26 The Bible is the number one best selling book of all time No other literary work in history has ever held so many people captive to its claims It is viewed as God's word an infallible moral guidebook and a timeless provider of hope and comfort But is there really any truth to these views Is the Bible really worthy of all this fanfare This book will reveal the

ugly truth that the Bible is not at all what its fans think it to be In fact it is the very antithesis thereof And this book will prove all of this by using the bible itself as its own refuter The Natural History of the Bible Daniel Hillel,2006 Traversing river valleys steppes deserts rain fed forests farmlands and seacoasts the early Israelites experienced all the contrasting ecological domains of the ancient Near East As they grew from a nomadic clan to become a nation state in Canaan they interacted with indigenous societies of the region absorbed selective elements of their cultures and integrated them into a radically new culture of their own Daniel Hillel reveals the interplay between the culture of the Israelites and the environments within which it evolved More than just affecting their material existence the region s ecology influenced their views of creation and the creator their conception of humanity s role on Earth their own distinctive identity and destiny and their ethics In The Natural History of the Bible Hillel shows how the eclectic experiences of the Israelites shaped their perception of the overarching unity governing nature s varied manifestations Where other societies idolized disparate and capricious forces of nature the Israelites discerned essential harmony and higher moral purpose Inspired by visionary prophets they looked to a singular omnipresent omnipotent force of nature mandating justice and compassion in human affairs Monotheism was promoted as state policy and centralized in the Temple of Jerusalem After it was destroyed and the people were exiled a collection of scrolls distilling the nation s memories and spiritual quest served as the focus of faith in its stead A prominent environmental scientist who surveyed Israel s land and water resources and has worked on agricultural development projects throughout the region Daniel Hillel is a uniquely qualified expert on the natural history of the lands of the Bible Combining his scientific work with a passionate life long study of the Bible Hillel offers new perspectives on biblical views of the environment and the origin of ethical monotheism as an outgrowth of the Israelites internalized experiences **The Bible Reader's Commentary. terms He has mentored research students with scholarly exactitude and personal care He has published books of the highest scholarly quality of engaging readability and of passionate conviction When we at ATF were considering asking him for a volume of Collected Works or Selected Writings we were well aware that published books of the highest scholarly quality were likely to be found on the shelves of libraries and of specialised academics but not with students and others generally interested There may be a dozen or more of Tony s books on the list from Amazon com booksellers along with another two or three that are not listed there But most are heavy duty specialist works not easily accessible even to the educated public We were equally well aware that there was a surprising number of essays and articles scattered in journals and proceedings of conferences that were because of the scattering often just as inaccessible We thought that a collection of these in a single volume would be of great value to those interested In the Introduction to this volume Father Campbell has gone into some detail about the contents Suffice for us to say that Job and the issues associated with suffering concern us all that the interplay of history and narrative is a constant in the understanding of much biblical text and that the nature of the Bible and its role in our lives is a major concern for most thinking Christians While Father Campbell s focus is on the Older Testament pondering what he looks at throws light on much of the Newer Testament as well The writings Tony Campbell has pulled together in this single volume address significant issues within the readable length of an article or a talk Addressed originally to thinking people we at ATF believe they are likely to be of interest to a wide audience **The Bible Cyclopedia** ,1843

The Bible in Spain and the Gypsies of Spain George Henry Borrow,1848 **More Than a Clever Story: What Jesus Wants You to Know About Life From the Parables He Told** Brian Onken,2024-05-07 Jesus parables They are widely known or at least often referenced But does that mean they are well understood Having slipped into the lingua franca of our day we could be missing some of what He was communicating If familiarity breeds contempt perhaps our sense that we know these stories insulates us from what Jesus was saying about life with God If Jesus intended His parables to be much more than helpful illustrations or memorable word pictures we might need to hear them in a fresh way We could be overlooking what is essential if we read His parables simply as clever stories Like a chef who seasons the meal in such a way that the distinctive flavors of each element is enhanced Brian invites the reader into an invigorating and fresh taste of what Jesus says in His parables Reading each parable attentive to Jesus own words and the context in which these stories are found you ll hear the voice of the Savior in renewed ways No longer will you think of His parables as clever stories but you ll find them to be life giving words from Jesus
