Fredericks, Michael O'Keefe**

World War II Eyewitness:

Eyewitness to World War II Neil Kagan, Stephen Garrison Hyslop, 2012 Personal writings and recollections of Roosevelt Hitler and Patton as well as letters composed by soldiers at battle and diaries of women serving in the military at home present an absorbing narrative that tells the entire history of the war from several perspectives Eyewitness History of World War II. Abraham Rothberg, 1962 **Combat--World War II** Don Congdon, 1996 World War II Carl J. Schneider, Dorothy Schneider, 2014-07 Firsthand accounts and brief biographies describe how Americans were affected by the events surrounding World War II Ernie Pyles War James Tobin, 1999-01-15 When a machine gun bullet ended the life of war correspondent Ernie Pyle in the final days of World War II Americans mourned him in the same breath as they mourned Franklin Roosevelt To millions the loss of this American folk hero seemed nearly as great as the loss of the wartime president If the hidden horrors and valor of combat persist at all in the public mind it is because of those writers who watched it and recorded it in the faith that war is too important to be confined to the private memories of the warriors Above all these writers Ernie Pyle towered as a giant Through his words and his compassion Americans everywhere gleaned their understanding of what they came to call The Good War Pyle walked a troubled path to fame Though insecure and anxious he created a carefree and kindly public image in his popular prewar column all the while struggling with inner demons and a tortured marriage War in fact offered Pyle an escape hatch from his own personal hell It also offered him a subject precisely suited to his talent a shrewd understanding of human nature an unmatched eye for detail a profound capacity to identify with the suffering soldiers whom he adopted as his own and a plain yet poetic style reminiscent of Mark Twain and Will Rogers These he brought to bear on the Battle of Britain and all the great American campaigns of the war North Africa Sicily Italy D Day and Normandy the liberation of Paris and finally Okinawa where he felt compelled to go because of his enormous public stature despite premonitions of death In this immensely engrossing biography affectionate yet critical journalist and historian James Tobin does an Ernie Pyle job on Ernie Pyle evoking perfectly the life and labors of this strange frail bald little man whose love hate relationship to war mirrors our own Based on dozens of interviews and copious research in little known archives Ernie Pyle's War is a self effacing tour de force To read it is to know Ernie Pyle and most of all to know his war

Radioman Carol Edgemon Hipperson, 2008-10-28 Radioman is the biography of Ray Daves a noncommissioned officer in the U S Navy and an eyewitness to World War II It is based on the author's handwritten notes from a series of interviews that began on the eighty second birthday of the combat veteran and gives a first person account of the world's first battles between aircraft carriers Ray Daves grew up on a small farm near Little Rock Arkansas Impatient with school and the prospect of becoming a farmer like his father he joined the CCC and went from there to the navy where he learned to use the radio to send messages and soon found himself in the momentary peacefulness of Pearl Harbor Most of America's World War II veterans were not in uniform when the war began Daves is one of the few who was He could also tell what was happening

on the bridge of the famous carrier Yorktown before it went down and of the secretive relationship between the Russian and American forces in Alaska at the time Carol Edgemon Hipperson's discovery of this one man's inspiring story is shared with great skill and energy A must read for those looking for a personal intimate account of the events of this tumultuous time in American history *Eyewitness History of World War II.*, 1966 *World War II* Simon Adams, 2007 Be an eyewitness to life during World War II From doodlebugs to D Day discover all about the historic and world changing events of the Second World War Get the picture using the clip art CD with over 100 amazing images to download Then use the giant pull out wallchart to decorate your room Great for projects or just for fun this fact packed guide and CD shows and tells you everything you need to know about WWII *Eyewitness History of World War II* Abraham Rothberg, 1973 *Eyewitness World War II* DK, 2025-12-02 Become an eyewitness to the terrifying global conflict that reshaped the world from the Blitz to the atomic bomb In collaboration with the Imperial War Museum go back in time and experience history with this picture led guide to the Second World War This book tells the story of the second devastating conflict of the 20th century that tore the world apart divided by international alliances and growing tensions between nations Meet the key players who influenced the outcome of this global struggle Explore major events such as the attack on Pearl Harbor the Battle of Britain the D Day invasion and the atomic bombs in Japan and discover how clever code breakers developed new technology to decipher hidden messages and gain military advantage over their enemies Loved and trusted for over 30 years Eyewitness has a new look and even more content A bite sized formula of text with images that kids love Fully revised and fact checked by subject specialists Packed with facts infographics statistics and timelines Updated with brand new eyewitness accounts from experts in the field Eyewitness World War II uses a groundbreaking visual layout that makes learning fun for kids aged 9-12 This history book expertly illustrates the lessons of the Second World War and how they impact our world today This museum in a book uses striking full color photographs and illustrations of warfare weaponry vehicles maps and secret documents along with amazing facts infographics statistics and timelines to reveal this conflict as never before Eyewitness content approved by ologists DK's Eyewitness kids books are updated and fact checked by subject specialists with brand new first hand eyewitness accounts throughout from experts in the field A best selling series known and trusted for generations with a fresh new look and up to date content What will you Eyewitness next Travel back in time to when dinosaurs roamed the earth with Eyewitness Dinosaur or come face to face with a pharaoh in Eyewitness Ancient Egypt Do you think you've found your topic of interest DK has even more history books for kids and adults alike find them all by searching for DK history books **The Forgotten Letters** Sia Arnason, 2014-07-16 Long forgotten dusty cardboard boxes reveal an amazing legacy letters from World War II that tell stories of courage and fear survival and loss The letters mainly written by the author's mother Didi and grandmother separated by war tell of the war years in the East Indies and in the Netherlands time in an interment camp during the Japanese occupation in Java and life in Holland during the German occupation Although the letters tell of loss such as the

death of the author's father a Japanese prisoner of war who dies in a bombing raid by our Allies in 1944 the memoir includes missives of hope written as the author's mother waits for her new love Jan a man who had been her best friend before the war and who she will soon marry as well as stories of the lighter moments of living in camp The beautifully descriptive narrative by author Sia Arnason and letter excerpts chronicle an amazing tale of her newly married parents life in the Dutch colonies the rigors of preparing for a worldwide war a harrowing attempt to escape the enemy by venturing into the jungle and living in POW and internment camps When the war ends the struggle to survive continues as Indonesia faces its own violent struggles to become an independent nation Sia's words create a moving and unforgettable account of the harsh realities of war as seen through the eyes of those who soldiered through it Sia Arnason arrived in the United States as a twenty two year old interested in yet more challenges in a new country She was a guide in the United Nations for a few years and then earned a Masters in Social Work She was employed for more than 25 years at the Brookdale Center on Aging of Hunter College in New York City Sia's mother Didi remained in Holland and lived to be 95 Sia Arnason resides near the Berkshire Mountains with her husband Jon and five cats **World War II Eyewitness Books** Simon Adams,2000

Eyewitness World War II Simon Adams,2004 Text and photos present the key events battles weapons uniforms and cultural phenomena such as propaganda of the Axis and Allies during the Second World War Great Stories of World War II Arthur Coleman,Hildy Neel,2007 These eye witness accounts written by war correspondents service men and women home front civilians and defense workers among others constitute an invaluable and underutilized resource for historians geographers and students of this great historical event **Eyewitness History of World War II.** Abraham Rothberg,Pierce G. Fredericks,Michael O'Keefe,1962 **Eyewitness to History: World War II** Stephen W. Sears,2015-11-27 the greatest war of all time told as it is best told by the people who lived it The Washington Post All first person accounts of great events have their own fascination but the editors of American Heritage have discovered that people writing about World War II seem to tell their own story with particular passion and eloquence That is one reason American Heritage has published so many of them and why noted military historian Stephen W Sears has selected the most compelling The result of his search is a uniquely moving and valuable anthology a series of personal histories that marshaled together become an intimate history of the Second World War Here is Edward Beach the highly decorated submarine skipper and author of Run Silent Run Deep recalling what it was like to be sent into hostile waters with torpedoes that didn't work Charles Cawthon recounts the landing at Normandy Beach in a restrained and poetic narrative whose quiet humor does nothing to blunt the savagery of the experience General James Gavin tells of the jump into Sicily and of a battle fought that never should have been fought Hughes Rudd watched the war from overhead in a flimsy spotter plane his Maytag Messerschmitt and William Manchester remembers a particularly audacious and hilarious scam that a reckless Marine buddy played on the entire army Some of the stories are heartbreaking some amusing some horrifying but every one of them whether told by the women who hammered

fighter planes together or the men who flew them glows with hard won experience **Voices of World War II** Priscilla Roberts,2012-08-22 Drawing together a wide variety of primary source documents from across the United States Europe and Asia this book illuminates the events and experiences of World War II the most devastating war in human history World War II was the most destructive and disruptive war ever a global conflict that in one way or another affected the lives of people across the planet **Voices of World War II Contemporary Accounts of Daily Life** coalesces a wide variety of primary source documents drawn from across the United States Europe and Asia Supplemented by interpretive material that enables readers to analyze them assess their impact and significance and place them in context to comparable situations today the documents provide rare insights into World War II Expert commentaries and additional information on these texts enable a greater understanding of the background to these documents providing valuable training in learning to interpret assess and evaluate historical sources Intended primarily for upper level high school and undergraduate level history students general readers will also appreciate the variegated array of primary material from World War II which depicts numerous aspects of the conflict often in extremely personal terms World War II Priscilla Roberts,2012-08-16 In this book an internationally renowned team of historians provides comprehensive coverage of all major campaigns and theaters of World War II synthesizing the tremendous breadth and depth of source materials on this global conflict It includes primary source documents created by both famous leaders and average citizens World War II The Essential Reference Guide provides a comprehensive overview of the major events campaigns battles personalities and issues of World War II supplemented by a selection of primary source documents Comprising essays written by leading international scholars that introduce non specialist readers to all the major theaters of the war this volume covers the entire span both geographically and chronologically of this far reaching conflict A selection of official and personal documents conveys the emotionally charged tenor of the period and the tremendous psychological impact of the war on those involved in it both directly and indirectly The book includes scholarly essays on enduring dilemmas of World War II such as whether the United States justified in dropping the atomic bomb on Japan as well as comprehensive essays on the causes course and consequences of the war

Timeline of World War II: Pacific Charlie Samuels,2011-08-01 Examines the military campaigns of World War II in the Pacific from the Japanese attack on Pearl Harbor and the fall of the Philippines to the United States attacks on Iwo Jima and Okinawa and the Japanese surrender *The Daring World War II Raid on Ploesti* William R. Bradle,2017-06-01 An in depth look at the doomed U S Army Air Force attack on Romanian oil fields vital to Hitler s success In 1943 the Allied powers were grasping for anything to undercut Hitler s power and relieve his relentless pressure on the Red Army which had already suffered a staggering 11 million casualties The U S Army Air Force planned Operation Tidal Wave which would take off from Benghazi Libya fly low and maintain complete radio silence to escape Axis observation and bomb Hitler s vital oil fields in Ploesti Romania On August 1 1943 177 B 24 bombers prepared to take off Fourteen hours later only 88 B 24s returned Operation

Tidal Wave was a massive strategic defeat. However, it proved the mettle of the USAAF and provided a rallying point for the public. Author William R. Bradle offers the definitive account of this doomed operation: the strengths, weaknesses, heroism, and failings, and takes readers into the thick of the action with thrilling accounts from many of the crews. Praise for *The Daring World War II Raid on Ploesti*: This account of the Ploesti mission does an admirable job of laying out the planning, personalities, and attendant conflicts among many participants; the mistakes made and losses inflicted by the Germans and Romanians. An eminently readable story that further emphasizes and demonstrates the mettle of the Greatest Generation. *New York Journal of Books*
