Vampires and Zombies Dorothea Fischer-Hornung,Monika Mueller,2016-02-02 The undead are very much alive in contemporary entertainment and lore Indeed vampires and zombies have garnered attention in print media cinema and on television The vampire with roots in medieval European folklore and the zombie with origins in Afro Caribbean mythology have both undergone significant transformations in global culture proliferating as deviant representatives of the zeitgeist As this volume demonstrates distribution of vampires and zombies across time and space has revealed these undead figures to carry multiple meanings Of all monsters vampires and zombies seem to be the trendiest the most regularly incarnate of the

undead and the monsters most frequently represented in the media and pop culture Moreover both figures have experienced radical reinterpretations If in the past vampires were evil blood sucking exploiters and zombies were brainless victims they now have metamorphosed into kinder and gentler blood sucking vampires and crueler more relentless flesh eating zombies Although the portrayals of both vampires and zombies can be traced back to specific regions and predate mass media the introduction of mass distribution through film and game technologies has significantly modified their depiction over time and in new environments Among other topics contributors discuss zombies in Thai films vampire novels of Mexico and undead avatars in horror videogames This volume with scholars from different national and cultural backgrounds explores the transformations that the vampire and zombie figures undergo when they travel globally and through various media and cultures

Recorded Attacks Max Brooks, 2012-02-16 ORGANISE BEFORE THEY RISE Max Brooks the world's leading zombie authority reveals how other eras and cultures have dealt with and survived the ancient viral plague From the Stone Age to the information age the undead have threatened to engulf the human race They're coming They're hungry And only the prepared will survive This is the graphic novel that fans demanded featuring major zombie attacks across human history on the African savannas against the legions of ancient Rome and on the high seas alongside Francis Drake Complete with eye popping artwork that pulsates with the grisly faces of the undead Recorded Attacks is an essential part of the World War Z collection An absolute must have Brooks infuses his writing with such precise detail and authenticity one wonders if he knows something we don't Simon Pegg on World War Z

Monstrous Spaces: The Other Frontier, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2013 Monstrous Spaces The Other Frontier is a collection of essays presented during the First Global Conference of Monstrous Geography held at Manchester College Oxford When examining monstrous geographies we encounter an Other frontier a space that runs counter to the socially constructed space of culture that at the same time includes overlaps and co occupies the cultural landscape

Viral Modernism Elizabeth Outka, 2019-10-22 The influenza pandemic of 1918-1919 took the lives of between 50 and 100 million people worldwide and the United States suffered more casualties than in all the wars of the twentieth and twenty first centuries combined Yet despite these catastrophic death tolls the pandemic faded from historical and cultural memory in the United States and throughout Europe overshadowed by World War One and the turmoil of the interwar period In Viral Modernism Elizabeth Outka reveals the literary and cultural impact of one of the deadliest plagues in history bringing to light how it shaped canonical works of fiction and poetry Outka shows how and why the contours of modernism shift when we account for the pandemic's hidden but widespread presence She investigates the miasmatic manifestations of

the pandemic and its spectral dead in interwar Anglo American literature uncovering the traces of an outbreak that brought a nonhuman invisible horror into every community Viral Modernism examines how literature and culture represented the virus's deathly fecundity as writers wrestled with the scope of mass death in the domestic sphere amid fears of wider social collapse Outka analyzes overt treatments of the pandemic by authors like Katherine Anne Porter and Thomas Wolfe and its subtle presence in works by Virginia Woolf T S Eliot and W B Yeats She uncovers links to the disease in popular culture from early zombie resurrection to the resurgence of spiritualism Viral Modernism brings the pandemic to the center of the era revealing a vast tragedy that has hidden in plain sight **American Popular Culture in the Era of Terror** Jesse

Kavadlo,2015-09-15 Bringing together the most popular genres of the 21st century this book argues that Americans have entered a new era of narrative dominated by the fear and wish fulfillment of the breakdown of authority and terror itself Bringing together disparate and popular genres of the 21st century American Popular Culture in the Era of Terror Falling Skies Dark Knights Rising and Collapsing Cultures argues that popular culture has been preoccupied by fantasies and narratives dominated by the anxiety and strangely the wish fulfillment that comes from the breakdowns of morality family law and order and storytelling itself From aging superheroes to young adult dystopias heroic killers to lustrous vampires the figures of our fiction film and television again and again reveal and revel in the imagery of terror Kavadlo's single author thesis driven book makes the case that many of the novels and films about September 11 2001 have been about much more than terrorism alone while popular stories that may not seem related to September 11 are deeply connected to it The book examines New York novels written in response to September 11 along with the anti heroes of television and the resurgence of zombies and vampires in film and fiction to draw a correlation between Kavadlo's Era of Terror and the events of September 11 2001 Geared toward college students graduate students and academics interested in popular culture the book connects multiple topics to appeal to a wide audience [The Advanced Game Narrative Toolbox](#) Tobias

Heussner,2019-02-18 The Advanced Game Narrative Toolbox continues where the Game Narrative Toolbox ended While the later covered the basics of writing for games the Advanced Game Narrative Toolbox will cover techniques for the intermediate and professional writer The book will cover topics such as how to adapt a novel to a game how to revive IPs and how to construct transmedia worlds Each chapter will be written by a professional with exceptional experience in the field of the chapter Key Features Learn from industry experts how to tackle today's challenges in storytelling for games A learn by example and exercise approach which was praised in the Game Narrative Toolbox An in depth view on advanced storytelling techniques and topics as they are currently discussed and used in the gaming industry Expand your knowledge in game writing as you learn and try yourself to design quests write romances and build worlds as you would as a writer in a game studio Improve your own stories by learning and trying the techniques used by the professionals of game writing

Encyclopedia of the Zombie June Michele Pulliam,Anthony J. Fonseca,2014-06-19 A fascinating read for anyone from

general readers to hardcore fans and scholars this encyclopedia covers virtually every aspect of the zombie as cultural phenomenon including film literature folklore music video games and events The proliferation of zombie related fiction film games events and other media in the last decade would seem to indicate that zombies are the new vampires in popular culture The editors and contributors of Encyclopedia of the Zombie The Walking Dead in Popular Culture and Myth took on the prodigious task of covering all aspects of the phenomenon from the less known historical and cultural origins of the zombie myth to the significant works of film and literature as well as video games in the modern day that feature the insatiable relentless zombie character The encyclopedia examines a wide range of significant topics pertaining to zombies such as zombies in the pulp magazines the creation of the figure of the zumbie to subvert decades of censorship by the Comics Code of Authority Humans vs Zombies a popular zombie themed game played on college campuses across the country and annual Halloween zombie walks Organized alphabetically to facilitate use of the encyclopedia as a research tool it also includes entries on important scholarly works in the expanding field of zombie studies
