*World of Warcraft: Chronicles of War* Christie Golden, Jeff Grubb, Aaron Rosenberg, 2010-12-07 Over the eons an endless struggle between the forces of order and chaos has shaped the world of Azeroth and its inhabitants The orcish Horde s violent invasion of the Eastern Kingdoms stands as one of history s most tumultuous periods Through the Burning Legion s demonic machinations the once noble orcs were transformed into a nearly unstoppable foe and let loose upon Azeroth s unsuspecting denizens Yet even in the face of the Horde s unparalleled fury brave heroes risked everything to rise up in defense of the Rise of the Horde Before the savage orcs began their rampage across Azeroth they were a proud shamanic race native to the world of Draenor The cunning demon Kil jaeden saw lethal potential in the clan based orcs and thus he set about molding them into the Horde a single brutal force driven by an all consuming thirst for destruction But the foul demonic magic that granted the Horde its immense strength began consuming the orcs from within ultimately threatening to destroy everything that they once were The Last Guardian Long ago a group of magi known as the Council of Tirisfal was formed to fight a secret war against the sinister demons of the Burning Legion To

this end the council imbued a single champion with enormous power to act as the world's guardian Medivh was one such Guardian of Tirisfal and he was expected to be the greatest who had ever lived Yet he was destined to follow a much darker path From birth a mysterious evil had tainted the core of his being and his subsequent struggle against the darkness within himself would precipitate the orcish Horde's invasion of Azeroth and change the world forever Tides of Darkness During the First War the orcish Horde laid waste to the once great human kingdom of Stormwind From the ashes of this terrible defeat however hope emerged Anduin Lothar Champion of Stormwind rallied the survivors of his ruined homeland and valiantly led them to Lordaeron in the hopes of uniting the human nations into a mighty Alliance that could stand against the Horde and its ruthless new leader Orgrim Doomhammer Yet as formidable as Lothar believed the Alliance would be many humans feared that no force would ever be capable of stopping the Horde's merciless onslaught Beyond the Dark Portal In the aftermath of the Second War between orcs and humans the Dark Portal a gateway connecting Azeroth to Draenor was destroyed The orcs however did not abandon their lust for war Led by the mysterious orc shaman Nerzhul a fresh wave of Horde fighters flooded into Azeroth Even more unsettling was that small bands of orcs intent on something other than mere conquest began scouring Azeroth for powerful artifacts desired by their sinister leader To counter the Horde's dark schemes only one option remained for the Alliance a suicide mission into the orcs' ruined homeworld of Draenor

Alliance defeated the demonic Burning Legion but a dire catastrophe is unfolding deep below the surface of the world. There is a mortal wound in the heart of Azeroth struck by the sword of the fallen titan Sargeras in a final act of cruelty. For Anduin Wrynn, king of Stormwind, and Sylvanas Windrunner, warchief of the Horde and queen of the Forsaken, there is little time to rebuild what remains and even less to mourn what was lost. Azeroth's devastating wound has revealed a mysterious material known as Azerite. In the right hands, this strange golden substance is capable of incredible feats of creation; in the wrong ones, it could bring forth unthinkable destruction. As Alliance and Horde forces race to uncover the secrets of Azerite and heal the wounded world, Anduin enacts a desperate plan aimed at forging a lasting peace between the factions. Azerite jeopardizes the balance of power, and so Anduin must gain the trust of Sylvanas. But as ever, the Dark Lady has her own machinations. For peace to be possible, generations of bloodshed and hatred must be brought to an end. But there are truths that neither side is willing to accept, and ambitions they are loath to relinquish. As Alliance and Horde alike grasp for the Azerite's power, their simmering conflict threatens to reignite all-out war, a war that would spell doom for Azeroth. The brutal siege of Orgrimmar is over. Alliance and Horde forces have stripped Garrosh Hellscream, one of the most reviled figures on Azeroth, of his title as warchief. His thirst for conquest devastated cities, nearly tore the Horde apart, and destroyed countless lives. Now on the legendary continent of Pandaria, he will stand trial for his transgressions. Renowned leaders from across the world have gathered to witness this historic event. As the trial unfolds, agents of the bronze dragonflight present shocking visions of Garrosh's atrocities. For many of those in attendance, these glimpses into history force them to relive painful memories and even question their own innocence or guilt. For others, the chilling details stoke the flames of their hatred. Unbeknownst to anyone, shadowy forces are at work on Azeroth, threatening not only the court's ability to mete out justice but also the lives of everyone at the trial. 2015 Blizzard Entertainment Inc. **World of Warcraft: The Shattering** Christie Golden, 2010-10-19 His eyes were open now watching the path of the tiny flame If you continue your path little spark you will cause great harm I must burn I must live There are places where your glow and heat are welcome Find them do not destroy the dwellings or take the lives of my people For a second he seemed to wink out of existence but then blazed back with renewed vigor Thrall knew what he had to do He lifted his hand Forgive me Brother Flame But I must protect my people from the harm you would cause them I have requested I have begged now I warn The spark seemed to spasm and yet he continued on his lethal course Thrall grim faced clenched his hand hard The spark flared defiantly then dwindled finally settling down to nothing more than the faintest of glowing embers For now he would no longer do anyone harm The threat had ended but Thrall was reeling This was not the way of the shaman with the elements It was a relationship of mutual respect not of threats and control and in the end destruction Oh the Spirit of Fire could never be extinguished It was far greater than anything any shaman or even group of shaman could ever attempt to do to him He was eternal as all the spirits of the elements were But this part of him this elemental manifestation had been defiant uncooperative And he had not been alone He was part of a disturbing trend of elements that were sullen and rebellious rather than cooperative And in the end Thrall had had to completely dominate him Other shaman were now calling rain to soak the city in case there was another aberrant spark that persisted in its course of devastation Thrall stood in the rain letting it soak him pour off his massive green shoulders and drip down his arms What in the name of the ancestors was happening

benevolent titans imprisoned them within the Elemental Plane. Despite the titans' intervention, many elementals have ended up back on Azeroth. Over the ages, shaman like Thrall have communed with these spirits and, through patience and dedication, learned to soothe roaring infernos, bring rain to sun scorched lands, and otherwise temper the elementals' ruinous influence on the world of Azeroth. Now Thrall has discovered that the elementals no longer heed the shaman's call. The link shared with these spirits has grown thin and frayed as if Azeroth itself were under great duress. While Thrall seeks answers to what ails the confused elements, he also wrestles with the orcs' precarious future as his people face dwindling supplies and growing hostility with their night elf neighbors. Meanwhile, King Varian Wrynn of Stormwind is considering violent action in response to mounting tensions between the Alliance and the Horde, a hard line approach that threatens to alienate those closest to him, including his son Anduin. The conflicted young prince has set out to find his own path, but in doing so, he risks becoming entangled in political instability that is setting the world on edge. The fate of Azeroth's great races is shrouded in a fog of uncertainty, and the erratic behavior of the elemental spirits, troubling though it is, may only be the first ominous warning sign of the cataclysm to come.
