[NOOK edition]: 200 Authentic and Fabulous Recipes for Latin Food Lovers*, 2010 The U.S. men's soccer team was a huge disappointment at the World Cup in 2006 but a newly constituted team exceeded all expectations in June 2009 with their inspired play at the Confederations Cup in South Africa where they upset the number one team in the world Spain and lost late in the championship game to a supremely talented Brazilian squad Their impressive showing gave

fans including the ever loyal Sam's Army a renewed sense of hope that when the team plays up to its capabilities the Americans can compete with anyone in the world In *Chasing the Game* Filip Bondy describes the U S team's path to qualifying for this year's World Cup to be held on the African continent for the first time ever in South Africa in June 2010 Bondy also reveals the back and forth saga that resulted in the hiring of Bob Bradley as the American coach and serves up engaging profiles of several core players including the U S national team's all time leader in scoring and assists Landon Donovan acrobatic goalie Tim Howard hip hop devotee and opportunistic goal scorer Clint Deuce Dempsey up and comer Jozy Altidore and the coach's son the reticent yet dependable Michael Bradley *Chasing the Game* also recounts the glorious highlights of past World Cup matches like the U S men's team's stunning 1-0 victory over England in 1950 and the 2002 team's advance to the quarterfinals as well as heartbreaks like the fiasco in 2006 when the U S mustered only four shots on goal in three games Finally Bondy also traces the origin of soccer and the evolution of the game in the U S chronicling how soccer academies like the one in Bradenton Florida have impacted the game at both the youth and national levels It's all here for the first time in one book the complete story of American soccer on the global stage

Around the World Vegan Style Nancy Robinson, 2009-04 Despite the Western diet high in meat and dairy products much of the rest of the world has traditionally followed a primarily or entirely vegetarian diet Tragically there has been a dramatic transition in the latter as world meat production has increased about 10 times the world population growth rate in just a few decades I have witnessed the transition to a diet high in animal products in places as beautiful as Micronesia and sub Saharan Africa where diseases such as diabetes and heart disease have just begun to rear their ugly heads This grave trend also multiplies the devastating consequences for the environment worldwide and for the countless billions of animals killed each year for food 10 billion land animals and 10 billion sea animals in the United States alone Many of us wonder what steps we can take to make a difference in the world Here the answer is simple Following a vegan diet is the first and foremost step to improve the condition of the environment human health and the lives of animals *Around the World Vegan Style* tells you how and why Hope Ferdowsian M D M P H In *Around the World Vegan Style* Nancy Robinson unites all people of the globe through a single common bond the love of delicious food In its pages you'll find authentic recipes all free of animal products and featuring chefs specialties all sure to please your palate and increase your appreciation for global cuisine Let *Around the World Vegan Style* turn your kitchen into a travel adventure for your tongue while healthfully nourishing yourself your family and friends Welcome aboard The journey to worldwide taste delights starts here Michael Klaper M D Author *Vegan Nutrition Pure and Simple* Nancy Robinson's cookbook could not come at a better time The whole world is beginning to realize that animal agriculture a major source of water pollution and deforestation is one of the biggest culprits in global warming The 2007 United Nations report shows that farmed animals are a top contributor to today's serious environmental problems including greenhouse gases The global increase in meat consumption also causes rates of obesity diabetes heart disease and other diet related illnesses to
