CAUSES

Treaty of Versailles

The harsh conditions imposed on Germany following World War I spurred the rise of Nazism.

Great Depression

The economic crisis fueled nationalist and militaristic rhetoric in Europe.

Expansionism

Nazi Germany, Fascist Italy and Japan sought territorial expansion.

Molotov-Ribbentrop Pact

The non-aggression pact between Germany and the USSR facilitated the German invasion of Poland.

CONSEQUENCES

Destruction

Bombing raids destroyed entire cities in Europe and Japan.

Redrawing of the map

The aggressor powers lost part of their territories.

United Nations

The UN was established to ensure international security.

Decolonization

Europe's decline paved the way for decolonization of Asia and Africa.

Cold War

Europe was divided into two blocs: the Western Bloc, led by the United States, and the Eastern Bloc, led by the USSR.

- 
- The war began with the German invasion of Poland, then spreading to the rest of the world.
 - The main theaters of war were Europe, the Mediterranean, and the Pacific.
 - The entry of the USSR and the United States into the war was decisive for the Allied victory.
 - It was the only war in which nuclear weapons were used, in the bombings of Hiroshima and Nagasaki.
 - The war ended with the unconditional surrender of Germany and Japan.

Allied Conferences

During the war, the Allies held meetings to agree on strategic decisions and outline conditions for peace.

CASABLANCA CONFERENCE

Commitment to demand the unconditional surrender of the Axis powers.

TEHRAN CONFERENCE

Consensus to open a second front in France.

YALTA CONFERENCE

Redrawing of new borders and laying down conditions for Germany.

POTSDAM CONFERENCE

Agreement to divide Germany and Austria into four occupation zones.

Holocaust

The Nazis implemented a plan to exterminate the European Jewish population known as the "Final Solution." Extermination camps were built mainly in Poland, in which mass killing methods such as mass shootings and gas chambers were used. Concentration camps were established, where groups considered enemies of the state were imprisoned under brutal and inhumane conditions. This resulted in the death of 11 million people, including 6 million of Jewish origin.

Stoler,Melanie S. Gustafson,2003 This text presents a carefully selected group of readings that allow students to evaluate primary sources test the interpretations of distinguished historians and draw their own conclusions The volume covers World War II from the homefront and the battlefield examining both the military and social impact of the war Vietnam, a History in Documents Gareth Porter,1981 Publisher description This landmark volume at last gives us a full picture from both sides of the Vietnam conflict from Ho Chi Minh s first call for revolution to the fall of the U S backed government in Saigon Decision makers whose words come to us in over 300 documents spanning almost 35 years Many of these documents come from recently declassified U S archives They combine to show the step by step process by which Franklin Roosevelt s early support for Vietnamese independence moved in succeeding administrations to support for French colonial rule and then to our own direct armed intervention They form a record too of changing North Vietnamese policy as hope of peaceful triumph faded and struggle against vast military odds became a necessity Charged with a sense of tragic inevitability as American misconceptions compounded themselves and North Vietnamese militancy stiffened this revelatory compilation gives eloquent

answers to agonizing questions raised by one of the great turning points of modern history Here is what really happened And here is why

The United States in World War II G. Kurt Piehler, 2012-11-28 This reader brings together 78 primary documents that capture the diversity of experiences of Americans who lived through World War II from presidents and generals to war workers and GIs Illustrates the political diplomatic and military history of the conflict including well known documents such as the Atlantic Charter and Franklin Roosevelt's Congressional address requesting a declaration of war against Japan Highlights the far reaching economic social and cultural changes caused by the war such as the struggles to find day care for the children of women war workers and the experiences returning veterans Includes an introduction document headnotes and questions at the end of each chapter designed to encourage students to engage with the material critically

The Story of World War II Henry Steele Commager, Donald L. Miller, 2010-05-11 Drawing on previously unpublished eyewitness accounts prizewinning historian Donald L Miller has written what critics are calling one of the most powerful accounts of warfare ever published Here are the horror and heroism of World War II in the words of the men who fought it the journalists who covered it and the civilians who were caught in its fury Miller gives us an up close deeply personal view of a war that was more savagely fought and whose outcome was in greater doubt than readers might imagine This is the war that Americans at the home front would have read about had they had access to the previously censored testimony of the soldiers on which Miller builds his gripping narrative Miller covers the entire war on land at sea and in the air and provides new coverage of the brutal island fighting in the Pacific the bomber war over Europe the liberation of the death camps and the contributions of African Americans and other minorities He concludes with a suspenseful never before told story of the atomic bombing of Nagasaki based on interviews with the men who flew the mission that ended the war
