Wrapped in God's Grace, a Life Rediscovered Barbara Bras, 2015-11-01 Bras begins her memoir as she recalls the crushing pain of seven years of unanswered prayer for a child. God amazingly answers her prayers with a miracle, followed by years of struggle with unimaginable difficulties, challenges, and heartbreak. She ultimately realizes what God has been trying to teach her and rediscovers her life as the intricacies of God's plans reveal themselves, beginning with the survival of her grandparents one hundred years earlier. She then takes the reader back to the small village of Tomarza, Armenia in 1915 to follow the story of her grandfather Arshag and her grandmother Gulle, who survived the death march and life in an orphanage. Ultimately, they marry and immigrate to Wisconsin in 1921. Bras is the first grandchild to be born. The final section of the trilogy follows Bras as she marries and moves to Hawaii, only to return as a divorced mother to teach school in a small town in Wisconsin. As she seeks to understand her life's purpose, once again God provides her with both protection and direction. Through a series of misadventures, she learns that God's plan, once released through our surrender, always produces blessings beyond belief.

The King's Daughter Jarrett Ramey, 2012-08-16 For six-year-old Nicky Stowe, life was a mixed bag of good times in the world around her and a nightmare at home. But she found hope in the form of her little sister Sammi and a beautiful mommy for hire named Melanie Swan. Nicky found how to get back what she needed the most: her family and a way to become royalty with a simple request. She found the way to be a princess just by asking and got a sweet visit from the King of the Universe. Is this as real as Melanie believed and could Nicky really become a princess? Is this something for anyone who wants it? And what is it like to be the King's daughter? Is it a fairy tale or real life? Nicky found that it's both. Read how a simple little girl became the King's daughter. Maybe you can too if you just ask. Like Bill said to Nicky, it never hurts to ask.
