A Wrinkle in Time Study Guide

Chapter 1

Describe the kind of student Meg is and how she acts at school.

She does not do well in school and it is a struggle for her. It's surprising that she's a poor student since both of her parents are very smart. She also roughhouses and gets into fights which gets her into trouble.

What rumor did Meg hear when she went to the post office?

She heard that there's a tramp on the loose who is stealing from people.

Why do people say Charles Wallace is stupid?

He doesn't talk in public and this causes people to think he is incapable of speech.

What is the difference between Sandy and Denys when compared to Meg and Charles Wallace?

The twins are much more conventional and are considered "normal" from others in their community where Meg and Charles Wallace are seen as strange compared to other children of their ages.

How does Charles Wallace describe Mrs. Whatsit after Mrs. Murry and Meg ask about her?

He says that she lives in the old abandoned house (that is rumored to be haunted) with her two friends.

Where is Mr. Murry?

We don't know at the moment, but he has been away/traveling for some time now.

How does Mrs. Whatsit look when she arrives at the Murry house?

She is so bundled up that it is impossible to see what she looks like at first.

What surprises Mrs. Murry at the very end of the chapter?

Mrs. Whatsit tells her that there is such thing as a tessieract.
