Shift Richard Lees, Azlan Raj, 2022-01-25 Understand what's required to deliver top of the line customer experiences. As organizations around the world do their best to deliver meaningful, effective, and efficient customer experiences, many are encountering difficulty translating their actions into progress. These businesses find that despite a plethora of initiatives, programs, and plans, inclusive and excellent customer service remains stubbornly out of reach. In *Shift: Transform Motion into Progress*, Business Chief Strategy and Marketing Officers at Merkle and dentsu offer business leaders a practical and coherent approach to creating the consistently exceptional customer experience that would set their business apart from the competition. The authors link three key themes: a clear vision with clear performance indicators, an aligned team, and a deep understanding of the marketplace, and outline their importance in the quest for the ideal client experience. They explain the importance of measuring progress through the eyes of the customer and ensuring that the measures that matter to customers are improving. A necessary addition to the reading lists of innovation and business development professionals, *Shift* deserves a place on the bookshelves of managers, executives, and other business leaders attempting to set their organization apart from the competition. *Develop a Value-First Business Strategy: How to Create Demand That Never Dies* Simon Schroth, 2025-04-08 In today's competitive business environment, offering real value to your customers is the key to building a sustainable business. *Develop a Value-First Business Strategy* teaches you how to place value at the core of your business strategy, ensuring that demand for your products or services continues to grow over time. This book shows you how to understand your customers' pain points, create products that genuinely solve their problems, and deliver exceptional service that keeps them coming back. You'll learn how to build value into your business model at every level, from your marketing strategies to your product development and customer service. The book also covers how to build long-term relationships with customers, position your brand as a trusted authority, and foster loyalty that drives consistent demand. If you're looking for a way to create a business that isn't just about short-term sales but long-term sustainable growth, *Develop a Value-First Business Strategy* provides the actionable strategies to build demand that never dies. **Business Development For Dummies** Anna Kennedy, 2015-04-20 Growing a small business requires more than just sales. *Business Development For Dummies* helps maximise the growth of small or medium-sized businesses with a step-by-step model for business development designed specifically for B2B or B2C service firms.
