Kelley, 2006-03-12 In HOW TO BE AN IRRESISTIBLE WOMAN E E Kelley gives practical advice on how you can become the object of desire of men everywhere Each featured chapter is supported with real life stories from women of all walks of life plus evidence to support the authors claims A few of the sample chapters include Learn Proper Etiquette Get Glamorous Befriend His Friends and Update Your Entourage Kelley uses the perfect mixture of wisdom wit and humor to help you achieve your goals of being better brighter and more beautiful After reading and applying the tips in HOW TO BE AN IRRESISTIBLE WOMAN your love life will soar to new heights The Truth About Men Ian K. Smith, Ian Smith, 2012-04-10 Debunks popular beliefs to reveal what today s men think about such topics as commitment beauty sex and relationships counseling women on how to understand a man s needs and motivations in order to promote more fulfilling relationships The Passion Principles Shannon Ethridge, 2014-01-14 Move beyond the mechanics of sex to a rich and rewarding connection God s desire is for couples to enjoy vibrant sexual relationships without inhibition awkwardness fear resentment guilt or shame With honesty and frankness life coach and best selling author Shannon Ethridge opens the minds of both husbands and wives to embrace a lifestyle of passion and pleasure Divided into four sections The Passion Principles helps couples celebrate the spiritual mental emotional and physical dimensions of sexuality Questions include What was God thinking when He created sex Why do humans think about sex so much Will there be sex in heaven How did we get such different ideas about sex and love How can I get past his or her sexual past How can I help my spouse heal from the sexual abuses he or she suffered What if my heart is telling me I married the wrong person How can we balance mismatched sex drives Some chapters end with questions for personal contemplation or for couples to use as conversation starters and other chapters end with prayers that foster a deeper spiritual and emotional connection making this book a perfect guide to a more passionate love life **The 21st Century Superhero** Richard J. Gray II, Betty Kaklamanidou, 2011-09-07 Superhero films are one of the most enduring genres of cinema and their popularity is only increasing in the 21st century These ten critical essays explore the phenomenon through the lenses of numerous academic disciplines and cover topics such as the role of globalization in the formation of superhero narratives the shifting nature of masculinity and femininity in the superhero world and the state of the genre today Of particular interest is the way these narratives however fantastic abstract futuristic or simplistic resonate with specific events in the world and function as starting points for discussion of contemporary sociopolitical conflicts **Bewitched Again** Julie D. O'Reilly, 2013-07-20 Starting in 1996 U S television saw an influx of superhuman female characters who could materialize objects like Sabrina the Teenage Witch defeat evil like Buffy the Vampire Slayer and have premonitions like Charmed s Phoebe The extraordinary abilities of these women showed resistance to traditional gender roles although these characters experienced infringements on their abilities in ways superpowered men did not Supernaturally powerful women and girls have remained on television

including the heavenly connected Grace of Saving Grace telepathic Sookie of True Blood and magical Cassie of The Secret Circle These more recent characters also face numerous constraints on their powers As a result superpowers become a narrative technique to diminish these characters a technique that began with television s first superpowered woman Samantha of Bewitched They all illustrate a paradox of women s power are these characters ever truly powerful much less superpowerful if they cannot use their abilities fully The superwoman has endured as a metaphor for women trying to have it all therefore the travails of these television examples parallel those of their off screen counterparts Great Myths of Aging

Joan T. Erber, Lenore T. Szuchman, 2014-09-02 Great Myths of Aging looks at the generalizations and stereotypes associated with older people and with a blend of humor and cutting edge research dispels those common myths Reader friendly structure breaks myths down into categories such as Body Mind and Living Contexts and looks at myths from Older people lose interest in sex to Older people are stingy Explains the origins of myths and misconceptions about aging Looks at the unfortunate consequences of anti aging stereotypes for both the reader and older adults in society **Just In Case! Lose**

Your Heart, Not Your Mind: Smart Woman's Guide to Marriage and Self-Sufficiency (HC) Aliette Carolan, 2017-06-07 In this practical guide Aliette Carolan insightfully outlines the keys to a successful marriage and its dissolution She paves the way for women especially to feel empowered in their life choices which then allows them to make the best decisions for themselves and their family This is a great guide for any woman who wants to be smart empowered and conscious in the choices she makes in love life and family Dr Shefali Tsabary NYT Bestselling Author of THE AWAKENED FAMILY GIVE AWAY YOUR HEART but don t lose your mind Know the deal you re getting into Know that self preservation is the key to a happy marriage and a happy divorce We don t take a job expecting that we ll hate it and quit We don t sign the lease on an apartment we ll be sick of in six months and we don t enter into a relationship planning for the breakup But the flip side is that we shouldn t expect any relationship we enter into will save us from the responsibility of being self sufficient No matter where you are in the process dating engaged married contemplating separation and divorce if you can realize why you have to put yourself first you re halfway there Whether you re in the rapturous throes of endless love or the first moments of stomach churning awareness that your marriage is falling apart this book is for you It s for every woman who understands that self preservation will not happen if you rely on someone else to save you You need to maintain or begin to establish your personal independence and financial solvency if you want to be self sufficient no matter what life throws at you You can lean on someone but you have to be able to stand on your own two feet at a moment s notice and that s what this book is about

From Child Terrorism to Peace Activism Jonathan Matusitz, 2022-10-14 This book examines the reasons for which children join terrorist movements and how they eventually become peace activists fighting the very crimes that they once committed The transformation of child terrorists into peace activists has received scant attention from academics and practitioners alike Particular focus is placed on child jihadism child terrorism in Africa and Latin America child separatist

terrorism and White child supremacy These five groups of child terrorists represent about 80% of the problem across the world The text serves as a primer for anti terrorism and peace activism for global social change It includes original applied research and features personal accounts from former child terrorists who became peace activists themselves One of the nine chapters provides an in depth thematic analysis of the lives of 24 subjects from all five aforementioned groups The analysis produced four main themes that encapsulate the time and effort that it takes to become a peace activist today metamorphosis terrorist behavior disillusionment and anti terrorist behavior The book ends with multiple solutions from the perspective of social work including the reintegration of former child terrorists into society From Child Terrorism to Peace Activism is a resource of deep and broad appeal The text is essential reading for upper level undergraduate and Master s students in political science military studies international relations international law and peace and conflict studies It can be pertinent reading for students and instructors in international social work contemplating social work related solutions to rehabilitate former child terrorists and child soldiers into society through peace activism anti terrorist endeavors and other socio psychological methods that will produce social change The text also would appeal to faculty and students in childhood studies with an interest in child terrorism child development and child trauma and resilience Given the essentials depth and possibilities that the book offers it is a useful resource for audiences within counterterrorism institutes national security agencies and academic think tanks Information on motives strategies radicalization processes and recruitment methods used by terrorist organizations as well as their effects on various audiences will draw readers from law enforcement agencies and institutions
