### **Embracing the Way of Jesus**

Pope Francis, 2017-02-01 2018 Catholic Press Association 3rd Place Pope Francis There is a charm and a charism to Pope Francis His words have a way of captivating the reader Like all good pastors he points to Jesus Prepare now to join Pope Francis on this walk along the Way From the Foreword by ARCHBISHOP JOSEPH E KURTZ Ask someone for a definition of Christianity and you are likely to hear a philosophical historical or even cultural description of it But any explanation of the Christian faith that fails to define it as a way of being of proceeding is missing the mark For at its core Christianity is about living and loving as committed disciples of Jesus Christ Embracing the Way of Jesus is a beautifully curated collection of excerpts from the homilies and writings of Pope Francis all centering on Christianity as a way of life or as the earliest Christians would have understood it the Way Through the Pope s meditations on Scripture we pause to consider essential aspects of discipleship such as The Way of the Cross The Way of Prayer The Way of Children The Way of the Poor and more The book even offers a rare opportunity to see more clearly the path of discipleship through the lens of the Old Testament For anyone desiring to live out the faith in a way that can truly transform and heal our hearts and our world Embracing the Way of Jesus is the perfect place to start

Sneaking out of the Vatican at night washing the feet of inmates and taking selfies with young fans is certainly unlike any religious leader we've seen in a while and some of the religious establishment is uneasy about it. The revitalization Francis is bringing to the Catholic Church is not without precedent; however, Jesus had a similar effect in his day, drawing crowds with his humility, kindness, and wisdom, even as he drew the disapproval of established religious leaders. The things that have brought Francis such media attention are the same things that made Jesus so peculiar and attractive in his day. Thoughtful examination of Jesus' example and legacy, as well as an honest look at the similarities and differences between Catholic and Protestant faith, invites reflection on the heart of Christianity and how we relate to our fellow Christians. Readers will discover the power of heartfelt joy, radical love, and passion for justice to shake people out of religious complacency and into dynamic, contagious faith. Jesus, Pope Francis, and a Protestant Walk into a Bar looks at what is universal among Christians, what is unique to Catholics and Protestants, and how all Christians can practice understanding and cooperation across differences. Perfect for individual or group use, discussion questions are also included to encourage further thought and conversation.

Without Jesus We Can Do Nothing Pope Francis, 2020 In this engaging and candid interview, Pope Francis inspires us to see how crucial mission and witness are to the life of the church. Jesus commands his followers to go into the whole world and preach the gospel. This means, says Pope Francis, that either the church is going forth or it is not the church. But what is this going forth really all about? Pope Francis helps us see that it's not a program, a goal, or a set of instructions, but learning to be open to an encounter with Christ, prompted by the Spirit. It means learning to live out our baptism every day. By exploring and putting into practice what Pope Francis says here, every parish evangelization committee, every parish ministry, and adult formation team, and indeed every baptized person, will be drawn to a deeper understanding of Christian mission and witness, grow to encounter Christ more deeply, respond to the promptings of the Spirit, and bring Christ to the world. **The Name of God Is Mercy** Pope Francis, 2016-01-12 NEW YORK TIMES BESTSELLER Pope Francis invites all humanity to an intimate and personal dialogue on the subject closest to his heart: mercy. Moving Pope Francis opens the sacred space of his conscience to explain how he came to center his ministry and now his papacy around mercy. James Carroll, *The New Yorker*: The name of God is mercy. There are no situations we cannot get out of; we are not condemned to sink into quicksand. Pope Francis. In this conversation with Vatican reporter Andrea Tornielli, Francis explains through memories from his youth and moving anecdotes from his experiences as a pastor why mercy is the first attribute of God. God does not want anyone to be lost. His mercy is infinitely greater than our sins, he writes. As well, the Church cannot close the door on anyone. Francis asserts on the contrary: its duty is to go out into the world to find its way into the consciousness of people so that they can assume responsibility for and move away from the bad things they have done. Clear and profound, *The Name of God Is Mercy* resonates with this desire to reach all those who are looking for meaning in life, a road to peace and reconciliation, and the healing of physical and spiritual wounds. *Pope Francis Explained: Survey of Myths, Legends, and Catholic Defenses in*

*Harmony with Tradition* Dave Armstrong, 2014-01-23 It seems that everyone wants to make the pope into their own image Those outside the Church want him to be so called progressive and are more than willing to project this attribute onto him in a huge campaign of wishful thinking But radical Catholic reactionaries on the extreme right on the Catholic ecclesiological spectrum become alarmed that the Church is compromising itself A third group of obedient orthodox Catholics understand the pope's role and the nature and status of Catholic dogmas which do not change yet are confused by something a new pope says or does Their concern is harmony with the existing tradition For each controversy or supposed scandal or thing that Pope Francis said or did that has people in a confused state I will attempt to show that the pope is in complete harmony with Catholic tradition My hope and prayer is that my efforts will lessen the confusion of those who are sincerely seeking what the pope intends and means
