with this Bryn Alexander comes into her life as a breath of fresh air She hopes that she is the answer to her prayers Bryn has another agenda that does not include Monica There are consequences to impatience with God and Monica finds out a hard lesson that could possibly cost her a baby and her marriage *How to Get What You Want from a Man* Darrell Canty,2021-11-15 Love is a choice that creates feelings not feelings that makes you choose Dc This book is created from an account of how I experienced a time in my life Were a woman knowing how to get along with a man It is not normal today for relationships to just work out without working it out Most women are told even before their teenager to enjoy their singlehood focus on their career spend money travel and enjoy hanging out with their friends before getting serious with a man Many women are told not to focus on a man just their 5 year plan This book is for the woman who choose to find her way back to her true femininity and self love thru her expression of self This type of journey is with the interaction with others showing yourself separate from a man As men and women we have an innate fundamental desire for connecting with one another by design My experience has awarded me the privilege to share with a woman in her natural state as she brought me to mine I experienced a proud woman embracing her femininity her softness and kind nature Always expressing her feminine energy thru her words touch and environment She didn t find her feminine nature in things but in her enter self When she expressed I made her feel safe and secure She respected and accepted me I made her comfortable and feel cherished She was loyal and presented herself with kindness and grace among the public Which made me want to carry myself to be responsible in my actions so she would have the emotional security she needed And she regularly expressed acts of service to show her appreciation and need for me While all the time never exchanging hurtful words or injuring one another s feeling I would naturally give to her and give to her This is when I knew a woman can get what she wants from a man Darrell Canty stands out with this surprising content with informative and impressionable information This dynamic content provides the emotional and intellectual influence to engage this target audience As an author he feels compelled to share this information with others Many if not most people in their entire life will never experience one day of what he had for the most of nine years Darrell Canty says he will be forever grateful and honored for the rest of his life The author can only hope to help one person find a true connection as he did The time we spend here on earth means very little without an experience such as this Once you have experienced this type of experience it will become a lifelong yearning He can only imagine it to be like a drug attic experience that first high and forever chasing that high time and time again The author believes because of this experience he has become an author given a voice with something to say I say thank you If a woman is giving a man everything but respect she has given him nothing at all Dc **What a Girl Wants** Debbie Ioanna,2023-07-31 You can t always write your own love story In their twenties Charlotte and Sam anticipated a bright future together Just out of university they had big plans But fast forward a decade and things haven t gone as they intended They ve both put on weight their income is paltry and their relationship is fizzling out Unlike Sam though Charlotte isn t giving up on what she wants So

she signs up for Zumba classes in anticipation of her best friend's wedding and starts writing again. For inspiration she attends a book signing for one of her favourite romance authors who to Charlotte's shock turns out to be a man. A nice looking man. A man who asks her out. Finally Charlotte's dreams seem to be coming true. But sometimes dreams can take funny turns and what you want may not be what you need.

Women's Best Friendships Patricia Rind, 2012-12-06 Explore the distinct relationships of close female friends. *Women's Best Friendships Beyond Betty* Veronica Thelma and Louise gives new and comprehensive insight into the complex world of women's closest friendships. Recent studies have shown that women place enormous value on best friendships and consider them to be woven tightly into the fabric of their lives. Using in depth interviews along with close readings of relevant literature and theory this book focuses on the many facets of these relationships. With heartfelt first person accounts and insightful commentary from the author this book examines three intertwining themes: feelings of competition, issues of dependence and independence and knowing/understanding. This book sheds light on areas of tension among women, especially difficulties in communication, frustration about not being entirely let into a friend's life and thought processes and the feeling that one friend may value the friendship more than the other. It also discusses women's struggles to maintain closeness over increased distances and the realization that one's friends are flawed even as friends. This informative book grounded in established research and theory presents stories of real friendships told by the people who live them. These women talk candidly about what makes a best friend, about navigating the choppy waters of friendship and much more. Somehow when we started living farther apart there were ways in which we were being insensitive. We recognized that there was a really strong bond but we were taking it for granted. So we talked about how close we feel to one another and perhaps how that leads to some arguments or hurt feelings. Liz on how distance has affected her relationship with her best friend Susan. Em and I don't fight at all. I don't know if that's good or bad. I don't think I do well with fights. I think that's probably a lot of conflict avoidance on my part. And I think it does lead to some distance even though it's a best friendship. I think I'm uncomfortable asserting myself. And so it's easier not to have to do that. So maybe my inability to deal with the problems keeps the friendship at a distance where it's safe and comfortable for me in that one respect. Linda about her desire to avoid any confrontation with Emily her best friend.

Women's Best Friendships Beyond Betty Veronica Thelma and Louise is a fresh and exciting look at the inner workings of relationships between women. Drawing upon a multitude of issues and insights this book is a must have for women's studies classes.
