McDonnell,2018-05-31 Okay now what It s the normative if not a little panicked question every new parent has been asking for thousands of years at the birth of their first child It s also the question that resurfaces at every significant stage in our kids development Left unanswered or answered incorrectly the consequences can be disastrous for everyone But there exists an effective and proven way to raise good kids to launch into today s world This book is written as one big thought provoking letter from a Mom and Dad to their kids and it will equip the whole family to that end It doesn t take a PhD a counseling degree a radio show or an advice column to get it done either It only takes a commitment to be intentional with your parenting What You Need to Know Before Leaving Home is the answer to the question where can I find a parenting manual for my kids This manual offers a timeless worldview and value system to lead the whole Family towards that which is noble and good In short it s a guidebook to doing good **An Introduction to the Johannine Gospel and Letters** Jan van der

Watt,2008-01-24 This accessible guide to the Gospel and Letters of John introduces readers to key issues arising from historical literary and theological approaches to the Johannine literature also discussing the methodological rationale underlying each of these approaches After introducing the reader to the development of the narrative structure of the book the message theology is discussed in detail with the aim of introducing the reader to the interrelatedness of the multiple theological ideas in this Gospel Similarities but also differences between the Gospel and Letters are constantly considered Familiar with the content of the Gospel readers are then confronted with questions about the origin development and socio cultural nature of the Gospel and letters In each case the scholarly field is briefly reviewed and major solutions are discussed

Thorough discussions on different issues are presented in different chapters each time referring to the relevant methodological approaches How do the Gospel and Letters relate to the synoptics or the Old Testament Do we have a Gospel composed of multiple sources or is it a seamless document How was this influential document written and where do the ideas found in the Gospel come from Since the aim of this book is to form a solid and comprehensive basis for future study of the Johannine literature readers are placed firmly within the scholarly currents and streams of the Johannine literature In terms of a metaphor after reading the book explorers will know what is out there and why Now they can start to dig deeper for themselves without feeling lost in an uncharted land
