Human Development and Faith (Second Edition) Felicity B. Kelcourse, 2015-07-28 This book now in its second edition brings together the best available understandings of human development from a multidisciplinary perspective Uniquely inclusive of the moral and faith dimensions of context and life cycle development Human Development and Faith examines the interplay of mind body family community and soul at every stage of development It addresses two central questions What are the good enough conditions of parenting family and community in each phase of life from birth to death which support growth and development What gives life adequate meaning as development proceeds If human development describes the normative and hoped for passages of life then faith provides the necessary component of meaning Throughout the various perspectives offered in this volume is the premise that faith is that quality of living that makes it possible to fully live The Journal of Pastoral Theology called the first edition of Human Development and Faith an excellent text for pastoral theology courses because it fulfills its ambitious goal of bringing a holistic faith perspective to the usual topics of development This second edition includes a new chapter on infancy updates reflecting our growing awareness of cultural diversity and a new preface

When Sickness Heals Siroj Sorajjakool, 2006-04 In *When Sickness Heals* Dr Siroj Sorajjakool draws on more than ten years of studies on health benefits in relation to spirituality especially focusing on the function of meaning He expounds on his theory that healing is primarily the function of meaning and meaning transcends sickness and even death itself He concludes that what people ultimately seek in life is the healing of their souls Sorajjakool brings many Eastern and Western resources to his conversation on health meaning and healing He incorporates the perspectives of theologians and philosophers like Paul Tillich Carl Jung S ren Kierkegaard Raimundo Panikkar Dietrich Bonhoeffer and John Macquarrie as well as references to religious texts including yin and yang and alchemy A clear distinct understanding of spirituality in clinical contexts is presented with an argument for the role of meaning in the healing process based on evidence that there may be healing even in the face of death Sorajjakool identifies the transitional processes people may go through as they seek to make sense of their experiences during a health crisis He suggests an alternative approach to spiritual assessment and provides methods of spiritual care that speak to the soul

The Many Legalities of Early America Christopher L. Tomlins, Bruce H. Mann, 2012-12-01 This collection of seventeen original essays reshapes the field of early American legal history not by focusing simply on law or even on the relationship between law and society but by using the concept of legality to explore the myriad ways in which the people of early America ordered their relationships with one another whether as individuals groups classes communities or states Addressing issues of gender ethnicity family patriarchy culture and dependence contributors explore the transatlantic context of early American law the negotiation between

European and indigenous legal cultures the multiple social contexts of the rule of law and the transformation of many legalities into an increasingly uniform legal culture Taken together these essays reveal the extraordinary diversity and complexity of the roots of early America s legal culture Contributors are Mary Sarah Bilder Holly Brewer James F Brooks Richard Lyman Bushman Christine Daniels Cornelia Hughes Dayton David Barry Gaspar Katherine Hermes John G Kolp David Thomas Konig James Muldoon William M Offutt Jr Ann Marie Plane A G Roeber Terri L Snyder and Linda L Sturtz

The Living Church ,2002-06 Speaking of Rape Danielle Tumminio Hansen,2024-03-19 Rape survivors need speech to recover to tell the story of their harm to rebuild their sense of self and their place in the world But the words available to them often fail to describe their experience of the violation which isolates and silences them enables future perpetration and lets rape remain unacknowledged Tumminio Hansen steps into this space of the seemingly unspeakable and responds to the linguistic crisis by offering fresh ways of speaking and listening that reframe how we can describe discuss and address rape Bravely weaving first person narrative with the wisdom of psychologists philosophers theologians and restorative justice experts *Speaking of Rape* revolutionizes our ways of understanding the scope and nature of sexual violations in order to revolutionize how we respond to them **Feminist Praxis against U.S. Militarism** Wonhee Anne Joh,Nami

Kim,2019-12-04 *Feminist Praxis against U S Militarism* provides critical feminist and womanist analyses of U S militarism that challenge the ongoing U S neoliberal military industrial complex and its multivalent violence that destroys people s lives especially women and other vulnerable populations It highlights the intentional critique of U S militarism from feminist womanist perspectives that seek to show the ways in which gender race ethnicity sexuality and violence intersect to threaten women s lives especially women of color s lives and the broader environment upon which women s lives are dependent Most of all this volume challenges the readers to understand the U S as the warfare counterterror carceral state and its devastating effects on the everyday lives of women especially women of color locally nationally and globally This volume also helps readers understand the racialized gendered impacts of U S militarism in conjunction with the ongoing global economies of dispossession and militarized violence across the borders of nation states Interrogating U S military interventions in other countries can show how the U S War on Terror directly affects U S domestic affairs and daily lives in the United States **Buried Treasures** Richard Melzer,2007 Melzer offers an impressive new book about famous New Mexico gravesites usually the only monuments left to honor the human treasures who helped shape state national and often international history

Misunderstanding Stories Melinda McGarrah Sharp,2013-01-24 How can we work toward mutual understanding in our increasingly diverse and interconnected world Pastoral theologian Melinda McGarrah Sharp approaches this multifaceted interdisciplinary question by beginning with moments of intercultural misunderstanding Using misunderstanding stories from her experience working with the Peace Corps in Suriname Dr McGarrah Sharp argues that we must recognize the limits of our own cultural perspectives in order to have meaningful intercultural encounters that are more

mutually empowering and hopeful Bringing together resources from pastoral theology ethnography and postcolonial studies she provides a valuable resource for investigating the complexity of providing care and fostering communities of belonging across cultural differences McGarrah Sharp illustrates a process of moving from disconnection to regard for diverse others as neighbors who share a common yearning for hopeful and meaningful connection Leaders in faith communities practitioners of care and scholars will all be able to use this resource to better understand the conflicts tensions and uncertainties of our postcolonial twenty first century world An included discussion guide facilitates classroom study small group discussion and personal reflection Decisions and Orders of the National Labor Relations Board United States. Loving God, Loving Neighbor Peggy Kendall; Claire Smith; Tim Ke,2008-04-01 In almost every congregation there is a searching youth who is somehow different from the rest one who thinks more deeply asks more questions and wants to make a difference in the world This young person may be seen as a loner an upstart or someone who does not fit Youth workers may not know what to do with these inquisitive youth and a youth program that meets the congregation's expectations probably won't connect with the needs and interests of searching youth Eventually searching youth turn into searching adults who continue to stir things up and enrich the life of our congregations with their questions insights witness and service These young people have the capacity and ability to provide significant leadership in our congregations now and in the future Because of their unique gifts we are offering this book as a resource for pastors teachers and youth leaders who work with them In this book faculty members students and recent graduates of Saint Paul School of Theology look through the eyes of their academic disciplines and ministry experience to explore the foundations for ministry with searching youth and to offer designs for your ministry American Witch Thea Harrison,2019-04-29 From New York Times and USA Today bestselling author Thea Harrison comes a novel that is pure magic Power can change a person For months Molly Sullivan endures the inexplicable electrical surges car breakdowns visions She even wonders if she might be the cause and wonders if she might be crazy Then she discovers her husband has cheated on her Again Now Molly realizes she is a newly awakening witch and a woman pushed over the edge Revenge can shape a person Josiah Mason is a Powerful witch and the leader of a secret coven with a shared goal to destroy an ancient enemy who has ruined many lives Josiah lost years to this man and his sole focus is revenge He's prepared for every contingency except encountering a beautiful new witch who understands nothing of the immense Power building within her or the attraction she wields over him Danger can bring them together When divorcing her husband Molly uncovers a dangerous secret he's willing to kill to protect She turns to Josiah for help and they discover a connection between Molly's husband and Josiah's enemy As they work together a spark ignites between them that threatens to become an inferno But Molly is done compromising herself for any man and Josiah's mission is his top priority And the enemy is cunning cruel and drawing ever closer As the danger escalates so does the tension between them Is a lasting relationship possible Will either of them live long enough to try **When Democracy Breaks** Archon Fung,David

Moss, Odd Arne Westad, 2024-02-02 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence. It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations. *When Democracy Breaks* aims to deepen our understanding of what separates democratic resilience from democratic fragility by focusing on the latter. The volume's collaborators, experts in the history and politics of the societies covered in their chapters, explore eleven episodes of democratic breakdown from ancient Athens to Weimar Germany to present-day Russia, Turkey, and Venezuela. Strikingly, in every case, various forms of democratic erosion long preceded the final democratic breakdown. While each case of democratic decay is unique, the patterns that emerge shed much light on the continuing struggle to sustain modern democracies and to assess and respond to the threats they face. **Strangers and**

Scapegoats Matthew S. Vos, 2022-08-16 We live in a world of oppositional relationships and increasing in-group/out-group divisions. Christian sociologist Matthew Vos explains how the problem of the stranger lies at the root of many problems humanity faces such as racism, sexism, and nationalism. He applies classic sociological theory on the stranger to matters of faith and social justice, showing that an identity in Christ frees us to love strangers as neighbors and friends. The book also includes two guest chapters: one on intersex persons and the church, and one on stranger-making in the correctional system.

The Truth Hurts Hanes Segler, 2017-12-28 Retired hit man Carlton Westerfield can't stay away from San Antonio or trouble. Returning from an extended vacation in Rio de Janeiro, he resumes his business relationship with Faustino Perez, a local drug kingpin. He also hopes to continue the off-beat romance with Perez's half-sister Paula Hendricks, but it's not going as smoothly as he'd hoped. Despite her promise of full disclosure during their getaway to Brazil, Carlton still has a lot of questions and doubts about their fragile relationship. Those doubts disappear when she is kidnapped by rival drug trafficker Brujido Ramos, and Carlton's only concern is getting her returned quickly and unharmed. With prodding from Perez, Carlton agrees to be the bagman to deliver the hefty ransom, and for a while it appears that his skill as a mechanic-for-hire has solved the problem. Until the newly rescued Paula drops another bombshell on him. Then Perez brings in a bigger player in the drug trade, a friend since childhood who proposes a partnership in their illegal endeavors that will derail competitor Ramos, who has his own sinister agenda. The results leave Carlton struggling to learn the motives of everyone involved, including his own.

Romanticism and the Question of the Stranger David Simpson, 2024-05-31 In our post-9/11 world, the figure of the stranger, the foreigner, the enemy, the unknown visitor, carries a particular urgency, and the force of language used to describe those who are different has become particularly strong. But arguments about the stranger are not unique to our time. In *Romanticism and the Question of the Stranger*, David Simpson locates the figure of the stranger and the rhetoric of strangeness in romanticism and places them in a tradition that extends from antiquity to today. Simpson shows that debates about strangers loomed large in the French Republic of the 1790s, resulting in heated discourse that weighed who was to be welcomed and who was to be proscribed as dangerous. Placing this debate in the context of classical, biblical, and other later

writings he identifies a persistent difficulty in controlling the play between the despised and the desired He examines the stranger as found in the works of Coleridge Austen Scott and Southey as well as in depictions of the betrayals of hospitality in the literature of slavery and exploration as in Mungo Park's Travels and Stedman's Narrative and portrayals of strange women in de Sta l Rousseau and Burney Contributing to a rich strain of thinking about the stranger that includes interventions by Ricoeur and Derrida Romanticism and the Question of the Stranger reveals the complex history of encounters with alien figures and our continued struggles with romantic concerns about the unknown

The Graveyard in Literature Aoileann Ní Éigeartaigh, 2021-11-12 This volume focuses on literary and other cultural texts that use the graveyard as a liminal space within which received narratives and social values can be challenged and new and empowering perspectives on the present articulated It argues that such texts do so primarily by immersing the reader in a liminal space between life and death where traditional certainties such as time and space are suspended and new models of human interaction can thus be formulated Essays in this volume examine the use of liminality as a vehicle for social critique paying particular attention to the ways in which liminal spaces facilitate the construction of alternative perspectives
