particularly illuminating *Poems from the Mud Room* Howard Camner, 2013-04-26 Tantalizingly irreverent Camner's work smacks of the deliciously absurd with a point. He is a brilliantly bizarre poet and master of the surreal. Lenny DellaRocca, The Poetry Museum. Camner defies the traditional aesthetic concepts of poetry. He targets a world of ideas in a rather active way as opposed to the more passive meditative aspects found in most poetry. There is a linguistic simplicity to his poems, an almost transparent quality over a rather complex web of experience and thought. His poetry is life. All you have to do is look. The obvious and not so obvious. Marta Braunstein, editor, *Cambio Literary Journal*. Camner writes in terse, stark, real verse that would make Hemingway raise his scotch glass in honor. *New Times Newspaper*. Camner's poetic style is reminiscent of Raymond Chandler's detective writing: descriptive and terse with interesting plot lines. His characters are certainly the product of a vivid imagination. *The Comstock Review*. Camner's humour noir is apparent in his poetics; his spirited voice and unabashed freedom so alive even in his earliest poems. Peter Hargitai, *A literary detour and well worth the trip*. *Village Voice*.

A Snake Within My Circle Asedgwick Knight, 2014-09-27 In the midst of the cold, wicked and windy streets of Chicago, Deontay Miller and his right hand man, Chris, start out as petty hustlers in Cabrini Green housing projects, one of the most notorious projects in America. Home of TV's own Good Times, Cooly High, and Candyman, just to name a few. But once Doughboy Chris' cousin turns them on to the drug game, they apprehensively make the transition from stealing and selling bikes to copping weight and distributing it in hand-to-hand transactions. Two years after being introduced to the game, Deontay is now checking just as much bread as some of the older heads. But unfortunately for Deontay, in the depths of the slums, getting a little money often tends to make you a target, and Deontay is no exception. After refusing to be extorted by letting Black, the neighborhood bully, hold something, a mere altercation escalates to Black making an attempt on Deontay's life. Later on that night, but luckily, Deontay escapes the hail of gun fire unscathed. The next day, in broad daylight, Deontay murders Black in cold blood. This bold, barbaric act captured the respect of his peers, causing Deontay's name to ring throughout the streets. **Animal Technology**, 1986

A Friend of Nikki Sunshine's Java Bomani, 2005 A Friend of Nikki Sunshine's is a fast-paced fictional romantic thriller that lands an unsuspecting young woman in a modern-day coup d'état. At 14, Zinna Osani's life began to change for years since her mother left; she's been taken care of by a domestic staff. Her father, Olandis, is a successful businessman who works hard running the family business; he hired others to do the parenting. They were ordered to do everything for her, and he got angry when she did things herself. It was okay when she was a child, but in her early teens, she rebelled and they fought vehemently. With her 18th birthday approaching, the more he wanted his beautiful young butterfly to remain a caterpillar, but she resisted. At 21, Olandis suffered an attack, leaving her an adult but still a child who's naive and immature to run things. Admittedly, because she had no idea what the company even does, she hired Tyler Wells as acting President. He introduced new ideas and strategies which propelled Osani Industries into a major player; the performance leap was noticeable and immediate. A year later, they had a deal to sell OI to Tyler upon what the

doctors said was certain death for Olandis she'd go fulfill a dream attend college and compete on their gymnastic team 6 months later she's in school Olandis is making a remarkable recovery and OI is working on a product that will mean billions in profit Since Olandis didn't die Tyler never got control and now feels like he's being cheated He formulates a plan to change that first he needs to get rid of Olandis and Zinna jumpstarting a frenetic symphony of action The only person standing in the way is a mafia hitman named Nikki Sunshine Hollywood Gossip books 1, 2 and 3 boxset Kristina Adams, They're rich they're famous and they're about to fall apart From Kristina Adams author of the bestselling What Happens in series comes the first book in the prequel companion series Hollywood Gossip Jump back in time to when Tate and Jack were in their late teens trying to transition from child stars to megastars Follow them on their journey as they become friends enemies and lovers alongside familiar faces from the What Happens in Hollywood Universe and new ones you're going to love Hollywood Gossip Jack I never had anything growing up I was a homeless orphan doing what I could to survive One night I got lucky DJing and a record label hired me My first album took off but I can't seem to replicate its success So instead I drink And I party And I do whatever else I can to avoid my problems Until she walked in Tate's like no one else I've ever met She's obsessed with her work But that's not why I'm drawn to her She's funny she's sexy and she's one of the smartest people I've ever met And I think she hates me I mean I don't blame her We couldn't be more different But what if she didn't hate me Could our workplace collaboration turn into something more or am I living in a romantic fantasy Tate What's it really like to grow up rich and famous Pressure So much pressure Unbelievable inescapable pressure My whole life has been about building my brand as an actor and singer Reaching the top of the Hollywood ladder I will not let anyone screw it up Not even Jack He's talented sure but his work ethic is practically non-existent I have no time for people like him Yet I'm weirdly drawn to him and I can't work out why He's so different to anyone else I've ever met so completely outside of my celebrity bubble It's refreshing But it's also dangerous He could completely ruin everything I've spent my whole life building Am I about to screw up my whole life for one guy For one chance at love Hollywood Parents Tate My parents are divorcing after 30 years of marriage Oh and I just accidentally found out I'm adopted Cue identity crisis With parents who won't stop arguing an ex boyfriend I can't stop thinking about a sexy Texan model I've treated terribly and a career on the rocks it's no understatement to say that my chipper demeanour is under threat But I can totally handle it Can't I Jack Life isn't nearly as fun as I wait to be I think my best friend might be turning into my best frenemies But how can I be sure It's hard to work out when I'm also battling a gruelling touring schedule and might lose my house All things considered I think I'm handling everything pretty well Aren't I Hollywood Drama Tate I'm so sick of everyone seeing me as and treating me like a child star I'm in my twenties I'm not a child anymore So I'm leaving My management company My record label And the country It's time for a fresh start If only the rest of the world agreed Jack I've officially made it as a DJ I'm doing a residency in Ibiza It doesn't get much better than spending the summer surrounded by music sunshine and parties But can I resist the never ending
