When Character Was King

Nancy J. Dougherty, Jacqueline J. West

When Character Was King:

The court and character of King James, cont'd Walter Scott, 1811 The Character of King Arthur in Medieval Literature Rosemary Morris, 1982 This study is based on literary works in various languages from earliest times until approximately 1500 The biographer of Arthur tries to interlink the various sources **A Character of King Charles the Second** George Savile Marquis of Halifax, 1750 *The Life and Character of King Henry the Fifth* J. Endell Tyler, 2020-12-17 Henry V also called Henry of Monmouth was King of England from 1413 until his death in 1422 He was the second English monarch of the House of Lancaster Despite his relatively short reign Henry's outstanding military successes in the Hundred Years War against France most notably in his famous victory at the Battle of Agincourt in 1415 made England one of the strongest military powers in Europe This two volume monograph gives a complete insight into the life and character of one of the greatest warrior kings of medieval England A character of King Charles II. George Savile Halifax, 1750 **Character of King Charles the Second** George Savile, 2023-03-31 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **The Two Americas** Stanley B. Greenberg, 2004-01-08 Former Clinton pollster Stan Greenberg defines the key voters who will determine the outcome of the 2004 elections and how Republicans and Democrats are fashioning their electoral maps **Homiletical commentary on the Song of Solomon** Thomas Robinson, 1877 Deconstructing Reagan Kyle Longley, Jeremy Mayer, Michael Schaller, John W. Sloan, 2015-01-28 Although he left office nearly 20 years ago Ronald Reagan remains a potent symbol for the conservative movement The Bush administration frequently invokes his legacy as it formulates and promotes its fiscal domestic and foreign policies His name is watchword for campus conservatives who regard him in a way that borders on hero worship Conservative media pundits often equate the term Reaganesque with personal honor fiscal rectitude and unqualified success in dealing with foreign threats But how much of the Reagan legacy is based on fact how much on idealized myth And what are the reasons political and otherwise behind the mythmaking Deconstructing Reagan is a fascinating study of the interplay of politics and memory concerning our fortieth president While giving credit where credit is due the authors scrutinize key aspects of the Reagan legacy and the conservative mythology that surrounds it

Conservative Heroes Garland S Tucker, 2015-06-09 Conservatism in America as one early twentieth century politician said is as old as the Republic itself But what are its foundational principles and how did they form the modern conservative movement Author Garland S Tucker III tells the story in this lively look at fourteen champions of conservative thought some well known others hardly remembered at all Taking readers on an exciting tour from the American Founding to the modern era Tucker traces the development of conservatism's basic tenets and shows how leaders put principle into action some more successfully than others *Conservative Heroes* offers brief but penetrating profiles of The Founders who agreed on the two

primary purposes of government but differed on how best to achieve the balance between them The pair of nineteenth century congressional leaders who fought to preserve the founding vision of a limited national government The towering statesman whose defense of slavery has obscured his considerable contributions to American constitutional history The last Democratic president to advance conservative principles The president and treasury secretary who together reduced taxes and the size of the federal government and sparked an economic boom The forgotten leaders both Democrats who spearheaded the conservative challenge to FDR's New Deal The man who revived the GOP as the conservative party The three driving forces behind the ascent of modern conservatism Here is the story of American conservatism in fourteen lives a story we need to understand to tackle the challenges we face today

Character Sketches of Romance, Fiction and the Drama

Ebenezer Cobham Brewer, 2004-03 Originally published in 1892 the object of this Handbook is to supply readers and speakers with a lucid but very brief account of such names as are used in allusions and references whether by poets or prose writers to furnish those who consult it with the plot of popular dramas the story of epic poems and the outline of well known tales The number of dramatic plots sketched out is many hundreds Another striking and interesting feature of the book is the revelation of the source from which dramatists and romancers have derived their stories and the strange repetitions of historic incidents It has been borne in mind throughout that it is not enough to state a fact It must be stated attractively and the character described must be drawn characteristically if the reader is to appreciate it and feel an interest in what he reads This work an American reprint of *The Reader's Handbook* by E. Cobham Brewer while retaining all of the original material that can interest and aid the English speaking student gives also characters and sketches found in American novels poetry and drama
