When Cultists Ask A Popular Handbook On Cultic Misinterpretations:

When Cultists Ask Norman L. Geisler, Ron Rhodes, 1997 Learn to identify and respond to the misuse and misinterpretation of Scripture by cults *Understanding New Religious Movements* John A Saliba, 2004-09-08 Discussions of any religion can easily raise passions But arguments tend to become even more heated when the religion under discussion is characterized as new Divisions around the study of new religious movements NRMs or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives history psychology sociology law theology and counseling This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs The new second edition has been updated and revised throughout and includes a new foreword by noted historian of religion J Gordon Melton For classes in religion or the social sciences or for interested individuals *Understanding New Religious Movements* offers the most objective introduction possible What the Bible Really Says? Thomas A. Howe, 2009-01-01 The study of the End Times has been a popular topic for many years and there are many different positions that are proposed on how to understand the unfolding of God's program The debate over the End Times has often been heated and has failed to showcase the best that Christian scholarship has to offer It sometimes seems like everyone wants to get in on the action and anyone who has an audience can and has put together his thoughts and made his opinions known through the printed page Anyone can publish his views regardless of the level of competency in the original languages his level of hermeneutic ability or his understanding of history or theology In his book *The Apocalypse Code* Hank Hanegraaff declares that his goal is to put hermeneutical tools into your hands so that you can draw from Scripture what God intends you to understand rather than uncritically accepting end time models that may well be foreign to the text It would be extremely helpful for someone to equip readers to be able to make their way through the maze of views *What the Bible Really Says* is a point by point analysis of the arguments of Hank Hanegraaff concerning end times prophecy This book is not an effort to promote one eschatological perspective over another Rather it is an analysis of Hanegraaff's arguments and claims in order to discover whether or not he has succeeded in putting hermeneutical tools into the hands of his readers or whether he has simply added his voice and his opinions to the cacophony of claims and counterclaims **New Religious Movements** Dereck Daschke, Michael Ashcraft, 2005-06-17 An original collection of primary documents conveying the wide array of ideas connected to new religious movements *New Religious Movements* is a highly unique volume bringing together primary documents conveying the words and ideas of a wide array of new religious movements NRMs and offering a first hand look into their belief systems Arranged by the editors according to a new typology the text allows readers to consider NRMS along five interrelated pathways from those that offer new perceptions of existence or new personal identities to those that center on relationships within family like units to those

movements that highlight the need for recasting the social order or anticipate the dawn of a new age The volume includes original documents from groups such as the Unification Church Theosophy Branch Davidians Wicca Jehovah's Witnesses Santeria and Seventh Day Adventists as well as many others Each section is prefaced by a contextual introduction and concludes with a list of sources for further reading New Religious Movements offers a rare inside look into the worldviews of alternative religious traditions *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J.

Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort *A Thematic Access Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Is Mormonism Now Christian?** Steven A. Crane, 2010-01-01 For years

Mormonism has taught that all the creeds of Christianity were an abomination and all other churches were corrupt Pearl of Great Price Joseph Smith 1:19 Joseph Smith was told not to join with any of them but to help lead in what would be a restoration of the true church In the same way Christianity has never accepted Mormons among their ranks considering them teachers of a different gospel Galatians 1:6 But a new ecumenical spirit of openness might suggest that the doctrinal distance between these two groups is shrinking Are the two sides actually moving closer together Is there significant change within the ranks of Mormonism If so is the change widespread Does this new direction reflect the views of the leadership or is it simply the belief of a few Worse yet is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter-day Saints LDS to appear to be something it is not This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question *Is Mormonism Now Christian* Reasons for Belief Norman L.

Geisler, Patty Tunnicliffe, 2013-02-15 Trusted Theologian Presents a Case for Christian Faith in Easy to Understand Language Seminary professor and bestselling author teams with a seminary trained apologist and teacher to give readers basic solid evidence for the Christian faith This book is ideal for both teens and adults Lay leaders and teachers as well as students will be equipped to explain the basics of Christianity to unbelievers and new believers The accessible and topically organized

book is easy to understand and use **How to Stay Christian in College** J. Budziszewski, 2004 The author presents an interactive guide that helps students examine different world views and myths that they may encounter at college giving them the tools they need to meet the challenges ahead *Christianity Among the Religions of the World* Carlos G. Martin, 2007-06-15 This work examines the religions of the world from the particular perspective of Christianity It aims to accomplish a dual goal 1 to provide an introductory review of the historical development of the religions of the world and a description of their belief systems and 2 to explore avenues for an effective Christian witnessing among those who follow them Christianity Among the Religions of the World is appropriate for students and educators in Christian colleges universities and seminaries **Bibliographic Index** ,1998 **Index to Book Reviews in Religion** ,1999 **American Book Publishing Record** ,1997-09 **Subject Guide to Books in Print** ,1997 *International Mission Bibliography* Norman E. Thomas, 2003-10-16 This massive reference is the key to finding the most important works on missiology published from 1960 2000 Representing the research of more than 30 sub editors in mission related disciplines including history theology social aspects education evangelism spirituality and political life and includes sections on Africa the Americas Asia Europe and Oceania Complete publication details and ISBNs are given for each entry **Books in Print Supplement** ,2002 Children's Books in Print R R Bowker Publishing, Bowker, 1999-12 **Forthcoming Books** Rose Arny, 1997 Children's Books in Print, 2007 ,2006 **Correcting the Cults** Norman L. Geisler, Ron Rhodes, 2005-03-01 Cults like Mormonism Jehovah's Witnesses and the New Age movement are ensnaring people by the millions Why do so many flock to these perversions of Christianity And how can we reason with them to help them see that Jesus is the only way to eternal life Correcting the Cults is designed to help the reader do just that After a thorough introduction on understanding the nature and characteristics of cults the authors take the reader through the Bible examining Scripture passages that cult adherents traditionally misinterpret to support and validate their own doctrines This comprehensive accessible and intelligent resource is an important tool for pastors students and anyone who knows a cult member or someone considering a cult Answers to the Cultist at Your Door Robert Passantino, Gretchen Passantino, Raymond Schafer, 1981
