When The Game Isn't Loyal A Dirty Love Story:

When the Game Isn't Loyal Charlee Renea, 2015-03-27 Ashley's heart told her not to stop until she got what she felt she deserved. Not caring who's toes she stepped on or the hearts she broke, she went after him and feels she won him fair and square. Now eight years later, she is living in misery, trying desperately to make him see that they are meant to be. But he isn't trying to hear that. He has a few tricks of his own up his sleeve, and Ashley will soon learn what it feels like when a real player steps in the game. Nicole, she loved him. She wanted him, she needed him. He was the perfect man until she realized that his glitter wasn't gold and his heart was cold. No longer wanting to be a pawn in his game of chess, Nicole did what she had to do to get away from him. She thought her life was now complete. She thought she beat the odds after she met The One. But when she and Mr. Right had to go their separate ways, she was left again trying to find Love. Now she feels that if she can't be happy, why should she care if the next woman is? He wants her, so she'll have him. The issues he has with his woman aren't her problem.

The Video Directory, 1987 Degrading Her Audrey Rush, She'll beg for more. When Fiona resisted me, I watched her from afar. I even killed a stranger to keep her safe. Then I learned about her dreams and sensual desires. Fiona wants a library, and I want to ruin her. A good girl like Fiona needs praise and degradation to become my toy, and I'm ready to bring her down to her knees. She'll hate to beg, but deep down, she'll want more. I propose a game. No matter what happens, don't say please. If Fiona wins, I'll give her a library. And if she loses, I'll destroy her.

Author's Note: This book was previously titled *His Twisted Game*. It is a slow burn dark romance and it contains disturbing content. Reader discretion is advised.

Unity, 1925 The Rise of Gideon Stan Matthews, 2016-03-17 It is the early 1960s when journalism student Art James first meets Professor Gideon Pratt at a Midwestern university. When Art secures a reporter job after graduation, Gideon summons him, reveals that the university is harboring a Communist cell, and asks Art to write a story about it. Art, driven by his desire to earn accolades, writes the article. But when Gideon's name is slashed from the story, Art angrily resigns. Years later, Art lands a job with the New York Dispatch with help from Gideon, who is busy defending an educational foundation from attacks by a little-known organization, the Cotterites. After Art reconnects with Gideon and his beautiful colleague, love interest Jo Davis, he discovers that feared anti-Communist Harry Cotter once wrote a thesis in praise of Communism. A fact that his former professor Silenus Stoddard eventually verifies. Many stories later, that include an interview with Cotter himself, Art learns that Cotter is planning a rally in Madison Square Garden. While Art falls for Jo, an infuriated Gideon, who blames Silenus for an embarrassing failure, prepares to reveal his true self.

The Rise of Gideon shares the tale of a public relations guru and an ambitious New York reporter as they work together to expose a vicious society of extremists.
