When Will The Messiah Return:

The Messiah's Imminent Return DeLinda N. Baker, 2017-11-13 Throughout both the Old and New Testament there are numerous prophecies pointing to the return of the Messiah in power and glory In the early church a prevailing message was Jesus's promise to return in the clouds The knowledge that the Messiah would someday return and deliver Israel and the saints from the evils of this world has been a tremendous source of encouragement over the ages The questions have been and continue to be When will Jesus return Have the signs of his return been fulfilled Is the Messiah's return imminent In this book we will explore the scriptures that outline the signs that will precede the return of Jesus Christ in power and glory In addition to looking at scriptures on the topic we will look at current and historical events that may be significant Also we will ask how this impacts Christians and how we should respond In Matthew 25 Jesus tells a parable of a bridegroom and ten virgins The bridegroom's return was delayed so that the wedding party became drowsy and fell asleep When he returned late in the night only those who were ready went with him to the wedding feast The others were left behind As Christians we need to be ready for Jesus's return Come prepared to dig deep into scriptures and look forward to Jesus's return

When Will the Messiah Return? J. K. McKee, 2009-01-01 **World Empire and the Return of Jesus Christ ,** **When Jesus actually returns | A dialogue between The Messiah & Google's A.I** Jean Paul Martienz, 2023-07-30 In a world on the brink of chaos because of a meltdown a messiah emerges to lead humanity into a new era of peace and prosperity But as the messiah's power grows so too does his doubt Can he really be the one to save humanity or is he just another false prophet When the messiah meets with Bard the world's most powerful AI he is confronted with questions that challenge his beliefs and force him to question his own purpose Questions that have puzzled philosophers for centuries such as the meaning of life the purpose of suffering and the future of humanity They explore these questions in a way that has never been done before They draw on the wisdom of the ages as well as the latest insights from science and technology In the process they uncover truths that will change the course of history They learn that the future of humanity is not predetermined and that they have the power to shape their own destiny The Jesus actually returns is a gripping and thought provoking dialogue that will challenge your beliefs and change the way you see the world It is a story about the power of faith the importance of free will and the potential of AI to shape the future of humanity When the messiah meets with Bard the world's most powerful AI he is confronted with questions that he has never even considered What is the meaning of life What is the purpose of suffering And what is the future of humanity As the messiah and Bard engage in a long and deep conversation they explore the most fundamental questions of existence They discuss the nature of good and evil the role of free will and the possibility of a higher power They also explore the impact of AI on society and the potential for AI to become a threat to humanity In the process the messiah and Bard uncover truths that will change the course of history They learn that the future of humanity is not predetermined and that they have the power to shape their own destiny They also learn that AI is not a threat to

humanity but rather a tool that can be used for good or evil The Messiah and the AI is a gripping and thought provoking novel that will challenge your beliefs and change the way you see the world It is a story about the power of faith the importance of free will and the potential of AI to shape the future of humanity **Jesus the Messiah Returns** Gene Lapansie,2004-09 What Does The Future Hold The 1 question of all time Supermarket Tabloids movie and television screens have attempted to answer this demand for knowledge about the future This amazing book will take you on a historical journey from the Cradle of Civilization to the End of the Age and eliminates the need for expensive reference books For many of us our world revolves around our jobs our homes our finances or who wins or loses in the political arena and we fail to see what is happening in World History as it relates to Bible Prophecy Sir Issac Newton said About the Time of the End a body of men will be raised up who will turn their attention to the prophecies and insist upon their literal interpretation in the midst of much clamor and opposition Bible Student com has adapted the Life of Christ college course by Ward R Williams Ph D University of Minnesota and related it to World History and Bible Prophecy in order for you to learn vital accurate information about End Time Events found in the Book of Revelation the Prophecies given to Daniel Ezekiel Isaiah and the words of Jesus himself This amazing book will acquaint you with Satan s rebellion and the origin of sin followed by the fall of mankind the history of civilization beginning with the Garden of Eden the origin of writing civil law and the building of the Great Pyramid of Giza leading up to the Flood After the Flood Noah s great grandson Nimrod built the Tower of Babel and defied God to send another Flood He and his wife established the first false religious system called the Babylon MYSTERY Religion Then God s judgement came upon Sodom and Gomorrah the Exodus the Giving of the Law the Tabernacle of God Rock Moriah on the Temple Mount now called the Dome of the Rock the founding of Jerusalem the building of Solomon s Temple later destroyed by Nebuchadnezzar of Iraq In Iraq Daniel interpreted King Nebuchadnezzar s vision of five World Empires starting with the Babylonian Empire and ending 2500 years later with the European Union We move to God s Temple rebuilt by Cyrus the Great of Iran Ezekiel s plans for the future Millennial Temple the boundaries of the Land Promised to Abraham the Rapture and the Marriage Supper of the Lamb The Great Tribulation the Battle of Armageddon at the second coming of Jesus the Millennium the New Heavens and the New Earth All events are depicted in the order in which they actually occur Plans are underway with Hollywood Scripts LLC for a major movie Comments on this powerful book I received your book on Saturday and haven t put it down since So far it has been eye opening and almost overwhelming thank you again for such a blessing to me and my family R Haynes Maps diagrams and pictures with historical facts that place you right in the scene itself with that 3 D effect M J Shaw Thanks for the important information I could not find it in any of the standard encyclopedia s nor in the bible word list P S My Best wishes to all who have taken the time to give this information to people like us who find it difficult to learn the Word D D Kuwait A valuable resource for any one seeking to understand the Word of God Ward R Williams was given a great gift of Teaching J G I want you to know how much I am enjoying this book I
