

WHILE SIX MILLION DIED

A Chronicle of American Apathy

ARTHUR D. MORSE

With a new preface by Herbert Mitgang

This pioneering classic revealed—for the first time—the untold story about the deliberate obstruction placed in the way of attempts to save the Jewish people from Hitler's "Final Solution."

"For national self-knowledge, the historical record Arthur Morse has compiled is one of the most important of our time."
—*Barbara Ehrenreich*

"A brilliant, gripping, carefully documented illumination of the role played by America and other 'civilized' nations of the world during the rise of the Nazis and the destruction of six million Jews. *While Six Million Died* is a rare achievement."
—*Publishers Weekly*

Quest for Inclusion Marc Dollinger, 2021-05-11 For over sixty years Jews have ranked as the most liberal white ethnic group in American politics figuring prominently in social reform campaigns ranging from the New Deal to the civil rights movement Today many continue to defy stereotypes that link voting patterns to wealth What explains this political behavior Historians have attributed it mainly to religious beliefs but Marc Dollinger discovered that this explanation fails to account for the entire American Jewish political experience In this the first synthetic treatment of Jewish liberalism and U.S. public policy from the 1930s to the mid 1970s Dollinger identifies the drive for a more tolerant pluralistic and egalitarian nation with Jewish desires for inclusion in the larger non-Jewish society The politics of acculturation the process by which Jews championed unpopular social causes to ease their adaptation to American life established them as the guardians of liberal America But according to Dollinger it also erected barriers to Jewish liberal success Faced with a conflict between liberal politics and their own acculturation Jews almost always chose the latter Few Jewish leaders for example condemned the wartime internment of Japanese Americans and most southern Jews refused to join their northern co-religionists in public civil rights protests When liberals advocated race-based affirmative

action programs and busing to desegregate public schools most Jews dissented In chronicling the successes limits and failures of Jewish liberalism Dollinger offers a nuanced yet wide ranging political history one intended for liberal activists conservatives curious about the creation of neo conservatism and anyone interested in Jewish communal life **Eleanor Roosevelt, Volume 2** Blanche Wiesen Cook,2000-06-01 The central volume in the definitive biography of America s most important First Lady Engrossing Boston Globe The captivating second volume of this Eleanor Roosevelt biography covers tumultuous era of the Great Depression the New Deal and the gathering storms of World War II the years of the Roosevelts greatest challenges and finest achievements In her remarkably engaging narrative Cook gives us the complete Eleanor Roosevelt an adventurous romantic woman a devoted wife and mother and a visionary policymaker and social activist who often took unpopular stands counter to her husband s policies especially on issues such as racial justice and women s rights A biography of scholarship and daring it is a book for all readers of American history **The Columbia Guide to the Holocaust** Donald L. Let My People Go Pauline Peretz, 2017-07-05 American Jews mobilization on behalf of Soviet Jews is typically portrayed as compensation for the community's inability to assist European Jews during World War II Yet as Pauline Peretz shows the role Israel played in setting the agenda for a segment of the American Jewish community was central Her careful examination of relations between the Jewish state and the Jewish diaspora offers insight into Israel's influence over the American Jewish

community and how this influence can be conceptualized To explain how Jewish emigration moved from a solely Jewish issue to a humanitarian question that required the intervention of the US government during the Cold War Peretz traces the activities of Israel in securing the immigration of Soviet Jews and promoting awareness in Western countries Peretz uses mobilization studies to explain a succession of objectives on the part of Israel and the stages in which it mobilized American Jews Peretz attempts to reintroduce Israel as the missing yet absolutely decisive actor in the history of the American movement to help Soviet Jews emigrate in difficult circumstances The End of the Holocaust Alvin H.

Rosenfeld,2011-04-20 An illuminating exploration that offers a worried look at Holocaust representation in contemporary culture and politics H Holocaust In this provocative work Alvin H Rosenfeld contends that the proliferation of books films television programs museums and public commemorations related to the Holocaust has perversely brought about a diminution of its meaning and a denigration of its memory Investigating a wide range of events and cultural phenomena such as Ronald Reagan s 1985 visit to the German cemetery at Bitburg the distortions of Anne Frank s story and the ways in which the Holocaust has been depicted by such artists and filmmakers as Judy Chicago and Steven Spielberg Rosenfeld charts the cultural forces that have minimized the Holocaust in popular perceptions He contrasts these with sobering representations by Holocaust witnesses such as Jean Am ry Primo Levi Elie Wiesel and Imre Kert sz The book concludes with a powerful warning about the possible consequences of the end of the Holocaust in public consciousness Forcefully written as always his new volume honors his entire life as teacher and writer attached to the principles of intellectual integrity and moral responsibility Here too he demonstrates erudition and knowledge a gift for analysis and astonishing insight Teachers and students alike will find this book to be a great gift Elie Wiesel This remarkable new work of scholarship written in accessible language and not in obscure academese is exactly the Holocaust book the world needs now Bill s Faith Matters Blog This book has monumental importance in Holocaust studies because it demands answers to the question how our culture is inscribing the Holocaust in its history and memory Arcadia *Hollywood's Spies* Laura B. Rosenzweig,2017-09-19 Finalist Celebrate 350 Award in American Jewish Studies Tells the remarkable story of the Jewish moguls in Hollywood who established the first anti Nazi Jewish resistance organization in the country in the 1930s In April 1939 Warner Brothers studios released the first Hollywood film to confront the Nazi threat in the United States Confessions of a Nazi Spy starring Edward G Robinson told the story of German agents in New York City working to overthrow the U S government The film alerted Americans to the dangers of Nazism at home and encouraged them to defend against it Confessions of a Nazi Spy may have been the first cinematic shot fired by Hollywood against Nazis in America but it by no means marked the political awakening of the film industry s Jewish executives to the problem Hollywood s Spies tells the remarkable story of the Jewish moguls in Hollywood who paid private investigators to infiltrate Nazi groups operating in Los Angeles establishing the first anti Nazi Jewish resistance organization in the country the Los Angeles Jewish Community Committee LAJCC Drawing on

more than 15 000 pages of archival documents Laura B Rosenzweig offers a compelling narrative illuminating the role that Jewish Americans played in combating insurgent Nazism in the United States in the 1930s Forced undercover by the anti Semitic climate of the decade the LAJCC partnered with organizations whose Americanism was unimpeachable such as the American Legion to channel information regarding seditious Nazi plots to Congress the Justice Department the FBI and the Los Angeles Police Department Hollywood s Spies corrects the decades long belief that American Jews lacked the political organization and leadership to assert their political interests during this period in our history and reveals that the LAJCC was one of many covert fact finding operations funded by Jewish Americans designed to root out Nazism in the United States
