Staniland Wake,2002-08 One of the most profound mysteries of the world towers above the desert sands of Egypt the Great Pyramid Who built this amazing monument and why When was the work completed This book assembles information from numerous sources including spiritual mathematical astronomical astrological and religious areas Reveals that no evidence exists for the Great Pyramid having ever been a tomb despite the constant reference for it in textbooks Wake claims the pyramid was a monument of Sabaism an early religious cult and of serpent worship The serpent was immensely important in early Egyptian religion and mythology but only Wake seems to have drawn a connection between the serpent and the Great Pyramid *The Egyptian Pyramids* J.P. Lepre,2006-10-26 This generously illustrated work is the most complete reference book ever published on these fascinating and compelling structures of the ancient world Facts on each of the 42 pharaohs and the monuments they constructed and commentary from the author who has extensively explored them include all elements of each pyramid complex that have been discovered and whether a sarcophagus and mummy have been located Cross sectional diagrams and floor plans are provided for all pyramids so far uncovered as well as photographs where available Longer essays discuss in painstaking detail the unusual features of such as the Bent Pyramid of Pharaoh Sneferu and the Great Pyramid of Pharaoh Khufu Eight appendices include a comparison of Egyptian to Aztec and Mayan pyramids and notable pyramid authors and explorers The resulting book offers solutions to many of the intriguing mysteries long associated with the pyramids in addition to tantalizing suggestions of discoveries yet to be made *The Great Pyramid* T. Septimus Marks,2009-08 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **Pyramids of the World** Kevin Hunt,2024-02-26 Pyramid Legacies A Worldwide Wonder Pyramids of the World embarks on an extraordinary voyage across continents where ancient stones rise like sentinels guarding secrets etched into their very foundations From the sun baked sands of Egypt to the mist shrouded jungles of South America these enigmatic structures defy time whispering tales of lost civilizations cosmic alignments and mystical rites The Amazing Series invites you to explore the enigma of these timeless structures From the alignment of stars to the rituals whispered in their shadows each pyramid conceals a chapter of humanity s saga Are you ready to decipher their cryptic codes Embark on an adventure through ages past Uncover the echoes of forgotten civilizations and the magic woven in each stone Pyramids of the World awaits your curiosity *THE STOREHOUSES OF THE KING* Jane van Gelder ,2014-11-24 The Pyramids have been reckoned among the wonders of the world and every effort has been made to discover for what purpose they were constructed and by whom they were built Their immense size their

solid construction the lonely positions in which they are placed add to the amazement of the spectator Many conjectures and assertions have been made regarding them Some assert they were the tombs of the kings of Egypt and others differ and say they were built for astronomical purposes and those who give up guessing or speculating regarding them consider they were the tokens of the folly and tyranny of the rulers of Egypt All travellers and learned men and women who have visited these gigantic monuments admit their grandeur and admire their sublimity Many expeditions have been sent to Egypt for the purpose of gaining information regarding these Pyramids and many public and private individuals have spent princely fortunes in exploring them and on almost every occasion a book has been written and given to the world showing the result of each expedition Everything that could possibly be said and written regarding these relics of antiquity has been given forth to the world in all languages from the remotest times till the present day It is now the pleasant task of the author to state that the vexed question may be set at rest as the solution to the mystery has been found The discovery was made whilst reading the latest works on the Pyramids she recognised some features in the interior of the Great Pyramid and recalled to mind for what purpose such passages have been used and followed up the incident by reading more carefully every book and examining all the illustrations showing the interior and the exterior of the noble buildings till ultimately there remained not the shadow of a doubt that the discovery was real The sensation after the removal of doubt was painful When this sensation of amazement and wonder had passed away a feeling of gratitude took possession of the mind This memorable discovery was made in August 1880 Began writing this work on the 20th August and finished it on the 30th November The entire work has been begun and brought to a conclusion without the assistance of any person The narrative connected with the Pyramids is most touching on that account the writer proposes giving the life of the builder as she describes these wonderful monuments of antiquity She has never attempted writing for publication before therefore she humbly prays the reader to be indulgent and to overlook all errors and shortcomings and to believe that this volume is brought before the world simply to uphold the truth of the Holy Bible which has recorded the narrative and the appositeness of St Paul s assertion that God hath chosen the foolish things of the world to confound the wise and God hath chosen the weak things of the world to confound the things which are mighty and base things of the world and things which are despised hath God chosen yea and things which are not to bring to nought the things that are
