Gibbs,2013 **God's Vision Or Television** Carl Jeffrey Wright,2004 Do you spend more time watching television than you do reading your bible How much of your news and information do you get by watching television as opposed to reading God s inspired Word the Bible is still the source of the truth in the world today In this thought provoking book the author examines how television affects what we believe and what we can do about it *The World, Genesis, and Theology of the Pentateuch* John M. Powell,2022-03-11 The World Genesis and Theology of the Pentateuch sets its focus on God s redemption of the entire human race following the entrance of sin into the physical time space i e the physical universe physical realm of creation Redemption didn t begin in the New Testament but in the first book of the Bible called Genesis As such God has been reaching out to people through various means methods and ways to rebuild the divine and human relationship that became broken by Adam and Eve in the Garden of Eden Satan understood God s plan to save humanity and never set idly by to watch his purposes unfold in the lives of people He countered by introducing a false narrative of the origin of people and the universe to all of those willing to believe him and surrender faith in place of what can be explained away or sounds good The counter narrative to God s inspired message of creation is evolution It purports teachings by people who reject the creation account in Genesis chapter one Evolution is therefore populism It floods the education systems and many other worldly institutions under the disguise of being scientific which is not scientific at all Other counter narratives extending out of evolution includes the evolution of the species and the big bang theory which two systems that stand in opposition to the Bible Additional points of emphasis include Redemption began with the fall of humanity in Genesis and was completed in Jesus Christ in the New Testament It uncovers how redemption began and took shape in beginning stages of human history and how God s plan of redemption became clearer with the personal calling of Abraham through Israel and Moses The 5 books of Moses called the Pentateuch embodies one third of the Hebrew Bible Old Testament prior to Jesus Christ in the New Testament Genesis leads the way in God s message to the human race The ancient Gentile nations that vowed allegiance to other exalted deities apart from God manufactured their own religions beliefs literature and teachings they tied to the deities they revered as divine Such writings became the nucleus through which the nations viewed the world from the concept of religion their gods and the afterlife and thereby competed with the knowledge of Israel s concepts in the way they viewed the God of Abraham Isaac and Jacob Redemption is not and cannot be found in other forms of worldly wisdom knowledge and teaching But God s concept of people accepting him on the basis of faith in his word mirrors the example of Abraham s faith in the one true God that created all things that exist John M Powell PhD ABD **God Every Day** Mike Lutz,2014-07-30 In his dynamic daily devotional God Every Day pastor and author Mike Lutz provides readers with a spiritually energizing and uplifting start to their day God Every Day is a contemporary and practical daily devotional that will have you waking up eager to hear from God The Resurgence of

Religion David S. Zeidan,2018-11-13 This book is a comparative study of basic themes in Christian and Islamic fundamentalist discourses analyzing and comparing texts from a wide variety of fundamentalist leaders and movements looking for family resemblances and significant differences in order to better understand the contemporary phenomenon of religious resurgence After placing fundamentalisms in a theoretical framework the study looks at selected themes important to fundamentalists noting resemblances and differences These themes include their anti secularist stance their theocentric worldviews their reliance on inerrant sacred scriptures and their attitudes to politics government state and democracy The study also looks at the fundamentalist view of the world as a perennial battlefield between the forces of good and those of evil in the realm of ideologies as well as politics and the legitimation of violence **The Only Way to Live** Jeff

Brewer,2007-09 Why do I continue to do the things I don t want to do Why do I not do the things I know I should be doing Author Jeff Brewer knows every believer faces those questions The Only Way To Live exposes the flawed way most Christians try to live their lives and reveals the way to the fullness of the life lived by Jesus The purpose is not to teach believers anything but to train disciples to live the life Jesus clearly taught us to live This is not a philosophical book The practical steps you need to take to become a full time disciple of Jesus are clearly outlined When you finish reading this book you will know what Jesus meant in John 15 when He commanded us to abide in the vine You will know what Paul meant in Romans 8 when he exhorted us to walk in the Spirit The Only Way To Live will challenge you to change the way you live your Christian life
