BIBLE PROPHECY WORTH REPEATING! Bernice M. Mason, 2011-03-08 QUOTES FROM YOUR BIBLE PROPHECY SURVIVAL MANUAL FOR THE END OF THE AGE THE SECOND GREATEST LIE EVER TOLD The teaching that the Church will be raptured before the Great Tribulation is the second biggest lie told in human history the first being told to Eve by Satan You shall surely not die if you eat of the forbidden fruit This second great lie you will be safe not only lulls people to sleep in the belief they will be carried to heaven to escape all the trouble that will plague the earth during the tribulation but it also minimizes the importance of the glorious earthly kingdom the throne of David that the Lord Jesus will occupy when He returns The KINGDOM OF GOD is a prominent theme of both the Old and New Testaments yet except for praying thy kingdom come thy will be done on earth as it is in heaven we give very little thought to the Lord s earthly kingdom Some pre tribulation teachers say that Israel will receive the earthly blessings while the church will receive the greater heavenly blessings Some further say that even though Israel will have the preeminence we the church will be able to travel back and forth between heaven and the earthly kingdom of Christ during the millennium If all of this sounds strange and foreign to you you have only to listen to what is being taught over Christian radio and television And millions of Christians are listening and believing We must be very careful of being so heavenly minded that we cut ourselves out of the Lord s earthly kingdom We need to see the church as both heavenly and earthly citizens Although the Pre Tribulation Rapture theme has been widely promoted through radio and television sermons videos the Internet and books and movies like Left Behind Christians reading their Bibles with great care will find not one passage that emphatically states that Christians will indeed be raptured before the Great Tribulation Pre tribulation rapture proponents throw out a few isolated scriptures and as they expound on them listeners become so enamored with the excitement of the promises that they do not realize that the commentary and the scriptures do not match Sometimes you may hear it can be implied we can surmise this seems to indicate but nothing regarding a doctrine as important as a Pre tribulation Rapture is directly stated in clear bold SCRIPTURES as are other teachings regarding the last days The Second Coming of Christ is so important that even though Christians differ we must be willing to sit down pray together and study with open Bibles letting the Holy Spirit of God direct our hearts and minds till we all come in the unity of the faith and of the knowledge of the Son of God unto a perfect man unto the measure of the stature of the fullness of Christ That we henceforth be no more children tossed to and fro and carried about with every wind of doctrine by the sleight of men and cunning craftiness whereby they lie in wait to deceive But speaking the truth in love may grow up into him in all things which is the head even Christ Eph 4 13 15 This manual written

to awaken Christians from their lethargy is not intended to be an advanced course on Bible prophecy This is an emergency manual a guide to help you stay focused on the Word of God and give you a minimum of what you need to know and do before our Lord returns Do not be mesmerized by the eloquence of pre tribulation rapture preachers their striking appearances their remarkable knowledge their magnificent charts their powerful deliveries their irresistible promises Rather be like the ancient Bereans who received the word with all readiness of mind and searched the scriptures daily whether those things were so Acts 17 11 Although time may be short keep studying and keep searching the Scriptures for truth Through a sincere desire for truth you will learn how to

Worst Manual Ever Introduction

In today's digital age, the availability of Worst Manual Ever books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Worst Manual Ever books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Worst Manual Ever books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Worst Manual Ever versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Worst Manual Ever books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Worst Manual Ever books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Worst Manual Ever books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Worst Manual Ever books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Worst Manual Ever books and manuals for download and embark on your journey of knowledge?
