Wraith Books 1 3 Wraith Trilogy:

The Fallen Trilogy (Books 1-3) JR Konkol, Konkol's debut and Rebirth of the Fallen series launch offers a glimpse into a bleak but arresting world where only three human controlled cities remain after the rest have fallen to demons. This grimdark fantasy adventure will strongly appeal to adult readers. Publishers Weekly: A must read for anyone who loves epic dark fantasy. Steven Searls, author of *My Travels With a Dead Man*. This box set includes the all three Rebirth of the Fallen fantasy novels: Book 5 *The Sundered City* now available, *CITADEL OF THE FALLEN* Book One, and *Deep within the rainforest*, a group of students barely survive an encounter with an ancient boar. In doing so, they stumble upon a series of events that threaten to destroy their entire civilization. *The Black Tide*, the annual rampage of millions of giant ants through the rainforest, has been coerced by the Demon Queen to take a path that will send it tearing through the farmlands that support the Citadel, their home. While the adults frantically race to prepare for the coming disaster, one survivor, Malcolm, experiences violent visions of the past. He learns that he's no longer alone in his own body. His revelations lead his friends to discover that many of the leaders within the Citadel are similarly possessed. *Citadel of the Fallen* is the exciting start of the much larger story told across the Rebirth of the Fallen dark fantasy series. Vivid and terrifying but with an emotional depth that will keep readers yearning for more. JR Konkol weaves a complex tale with a delicate balance of cinematic action and political intrigue. A vast fallen world with even deeper mysteries is waiting just a few clicks away. Unlock it today. *GATHERING THE FALLEN* Book Two. After barely surviving the Black Tide and the demonic assault that followed, the group of newly possessed friends struggle to make peace with the willful spirits that inhabit them. While the spirits grant wisdom and power, it often comes at a terrible price. Driven by her spirit's crippling guilt and sorrow, Eliana leads her friends on a dangerous journey across the jungle in a desperate search for answers. What happened in the Darkwood? What role did her spirit play in what transpired? While the friends quest for understanding, the people of the Citadel struggle to rebuild and replant their ravaged farmlands. But hidden amongst them, an ancient demon carefully gathers power as she prepares to launch an assault against the magical painting that protects and preserves the Citadel. *FLIGHT OF THE FALLEN* Book Three. Faced with the approach of an unstoppable army, the people of the Citadel are forced to flee. While most of the population attempts to escape along the southern waterways, the group of newly possessed friends choose a more dangerous path. Guided by visions, the possessed friends enter the Theleram, an expansive network of caves stretching hundreds of miles beneath the rainforest. The visions direct them to the ruins of the ancient city of Semilae, where a hidden library lies. Meanwhile, Raelyn, the willful demon who brought about the fall of the Citadel, struggles to make a home for herself in Derregain, the largest remaining human city. The Demon Queen has placed a price on her head, and many powerful demons are interested in collecting. But Derregain itself is struggling as sickness begins to spread through city streets. Raelyn knows the plague is demonic in origin, but will she survive long enough to share her knowledge? **A Hilarious Half Dozen** Aaron Rosenberg, Craig Shaw Gardner, John
