NATO's Democratic Retrenchment Henrik B.L. Larsen, 2019-07-02 Exploring NATO's post Cold War determination to support democracy abroad this book addresses the alliance's adaptation to the new illiberal backlashes in Eastern Europe the Western Balkans and Afghanistan after the alleged return of history The book engages the question of what has driven NATO to pursue democratisation in face of the significant region specific challenges and what can explain policy expansion or retrenchment over time Explaining NATO's adaptation from the perspective of power dynamics that push for international change and historical experience that informs grand strategy allows wider inferences not only about democratisation as a foreign policy strategy but also about the nature of the transatlantic alliance and its relations with a mostly illiberal environment Larsen offers a theoretical conception of NATO as a patchwork of one hegemonic and several great power interests that converge or diverge in the formulation of common policy as opposed to NATO as a community of universal values This volume will appeal to researchers of transatlantic relations NATO's functional and geographical expansion hegemony and great power politics democracy promotion lessons of the past Neoclassical Realism alliance theory and the crisis of the liberal world order

Investment Treaty Law and Climate Change Tomás Restrepo Rodríguez, 2023-01-01 The book deals with the question whether the investment treaty law system could be harmonized with the climate change international legal framework and the climate interest that lies beyond The answer to this research question is divided into three parts The first examines the relevance of the climate change international legal framework in investment treaty disputes as a natural pre logical interpretative stage The second focuses on the BIT's content interpretation which is the orthodox approach to solve the fragmentation between the system of investment treaty law and the system of international climate change law Finally the third part tackles this fragmentation through a heterodox approach that is grounded in the direct application of climate change principles through law ascertainment Apart from concluding that harmonization between investment treaty law and international climate change law is possible through the orthodox approach to the expropriation and the FET standards as well as through the direct application of the climate change precautionary principle and the CDDRRC principle heterodox approach the book suggests that tribunals are expected soon to

openly address climate change disputes in their rulings Encyclopedia of Renewable Energy, Sustainability and the Environment ,2024-08-09 Encyclopedia of Renewable Energy Sustainability and the Environment Four Volume Set comprehensively covers all renewable energy resources including wind solar hydro biomass geothermal energy and nuclear power to name a few In addition to covering the breadth of renewable energy resources at a fundamental level this encyclopedia delves into the utilization and ideal applications of each resource and assesses them from environmental economic and policy standpoints This book will serve as an ideal introduction to any renewable energy source for students while also allowing them to learn about a topic in more depth and explore related topics all in a single resource Instructors researchers and industry professionals will also benefit from this comprehensive reference Covers all renewable energy technologies in one comprehensive resource Details renewable energies processes from production to utilization in a single encyclopedia Organizes topics into concise consistently formatted chapters perfect for readers who are new to the field Assesses economic challenges faced to implement each type of renewable energy Addresses the challenges of replacing fossil fuels with renewables and covers the environmental impacts of each renewable energy **Accessibility for All** Nagesh Kumar,United Nations Publications,Patrik Andersson,2016 This publication seeks to support policymakers in promoting accessibility at a policy and practical level It contains information on relevant global and regional mandates that support and promote disability inclusive development and accessibility with a view to demonstrate the multi faceted value of focusing on disability and accessibility policies to achieve broader development goals Readers will learn about the core concepts of disability and accessibility and be empowered with knowledge on standards tools and means of promoting accessibility Furthermore this publication will outline and analyse examples of good practices of accessibility identified in Asia and the Pacific The majority of the good practices featured in this publication were initially discussed at two international and multi stakeholder workshops that took place in 2014 and 2015 with a few additional examples drawn from Pacific island member States The selection of practices for this publication is based on their embodiment of the principles of accessibility demonstrated success measurable impact on the community and their adaptable and replicable nature **Quarterly Bulletin of the North American Lily Society, Inc** ,2016-09 **2016 Yearbook** Luke Adamu,2016-12-14 Rafiki Foundation 2016 Yearbook **Yearbook** ,1908 **Yearbook** Free Reformed Church of North America,1991 **New in Chess Yearbook 136** Jan Timman,2020-11-16 New In Chess Yearbook which appears four times a year contains all major new chess opening developments Each issue brings you dozens of new ideas on the cutting edge of modern chess theory An accessible way to keep up to date with main line opening theory Indispensable for advanced players Yours Yearbook 2016 ,2015 Yearbook...
