The Yellow Fairy Book Leonora B. Lang,2024-12-05 Where is the harm The truth is that the Folk Lore Societymade up of the most clever learned and beautiful men and women of the countryis fond of studying the history and geography of Fairy Land This is contained in very old tales such as country people tell and savages Little Sioux and little Crow Little frosty Eskimo These people are thought to know most about fairyland and its inhabitants But in the Yellow Fairy Book and the rest are many tales by persons who are neither savages nor rustics such as Madame D Aulnoy and Herr Hans Christian Andersen The Folk Lore Society or its president say that their tales are not so true as the rest and should not be published with the rest But we say that all the stories which are pleasant to read are quite true enough for us so here they are with pictures by Mr Ford and we do not think that either the pictures or the stories are
