Dutch Interbellum Canons and World Literature A. Roland Holst, M. Nijhoff, J. Slauerhoff Theo

D'haen, 2023-09-15 This text takes a wholly new look at a major early twentieth century Dutch poet and novelist from the perspective of world literature situating his work in both a national and a world literary context as measured against contemporaries and near contemporaries such as Conrad Pound Brecht Segalen and Malraux Exemplifying how an author from a minor literature may be a major world author this book considers the debates within World Literature regarding the classification of literatures as major and minor canon formation within Dutch literature Slauerhoff's position in the Dutch tradition as well as his contribution to world literature particularly focusing on his East Asian poems his East Asian novels and stories and his poetry and prose set in Latin America This book is a key read for scholars and students of comparative literature world literature European literature and Dutch literature Lucid in style innovative in approach surprisingly fresh qua topic this book opens new horizons for literary studies **Yeats in Holland** Roselinde

Supheert, 2022-06-08 This book presents a broad survey of the Dutch reception of the work of William Butler Yeats during his lifetime Yeats' important wide ranging oeuvre marks the transition from the nineteenth to the twentieth century The response to his poetry drama and prose exemplifies the Dutch reception of English romanticism as well as modernism and reveals the workings of canon formation The author has investigated the early days of Dutch Anglistics showing that teachers of English were of little influence in the Yeats reception Instead the Dutch sympathy for the Irish cause and a taste for romantic literature prove to be essential factors in arousing enthusiasm for his early writings Apart from the well publicised performances of *The Only Jealousy of Emer* Yeats' modern work was given little attention Although poets like A Roland Holst P N van Eyck and J C Bloem were very well acquainted with Yeats' oeuvre and accumulated impressive collections reading modern Yeats largely remained a private affair *Dutch and Flemish Literature as World Literature* Theo

D'haen, 2019-07-25 The recent return of world literature to the centre of literary studies has entailed an increased attention to non European literatures but in turn has also further marginalized Europe's smaller literatures Dutch and Flemish Literature as World Literature shows how Dutch language literature from its very beginnings in the Middle Ages to the present has not only always taken its cue from the major literary traditions of Europe and beyond but has also actively contributed to and influenced these traditions The contributors to this book focus on key works and authors providing a concise yet highly readable history of Dutch language literature and demonstrating how this literature is anchored in world literature **Verzameld proza** Dirk Coster, 1927 *Revue des langues vivantes*, 1971 *Bibliografie van de Nederlandse taal- en literatuurwetenschap*, 1996 **The Reception of W. B. Yeats in Europe** Klaus Peter Jochum, 2006-08-06 The

intellectual and cultural impact of British and Irish writers cannot be assessed without reference to their reception in European countries These essays prepared by an international team of scholars critics and translators record the ways in

which W B Yeats has been translated evaluated and emulated in different national and linguistic areas of continental Europe There is a remarkable split between the often politicized reception in Eastern European countries but also Spain on the one hand and the more sober scholarly response in Western Europe on the other Yeats s Irishness and the pre eminence of his lyrical work have posed continuous challenges Three further essays describe the widely divergent reactions to Yeats in his native Ireland during his lifetime and up to the most recent years *Under Construction* Dirk de Geest,2000 *Library of Congress Catalogs* Library of Congress,1970 *Verzameld werk* Karel van de Woestijne,1903 **Library of Congress Catalog** Library of Congress,1965 A cumulative list of works represented by Library of Congress printed cards **Den Gulden winckel : maandschrift voor de boeken vrienden in Groot-Nederland** ,1928 *Almanacco letterario* ,1927
