Victims Trauma Testimony And Justice:

Victims Ross McGarry, Sandra Walklate, 2015 The study of victims of crime is a central concern for criminologists around the world In recent years some victimologists have become increasingly engaged in positivist debates on the differences between victims and non victims how these differences can be measured and what could be done to improve the victim experience of the criminal justice system Written by experts in the field this book embraces a much wider understanding of social harms and asks which victims voices are heard and why McGarry and Walklate break new ground with this innovative and accessible book it offers a broad discussion of social harms the role of the victim in society and the inter relationship between trauma testimony and justice and asks How has harm been understood and under what circumstances have those harms been recognised How and under what circumstances are those harms articulated How and under what circumstances are the voices of those who have been harmed listened to Each chapter draws on controversial case studies and a range of questions designed to assist in reflection and critical engagement This book is perfect reading for students taking courses on victimology victims and society victims rights and criminal justice

Adversarial Justice and Victims' Rights Mary Iliadis, 2020-04-30 Adversarial Justice and Victims Rights explores the extent to which reforms that offer victims enhanced rights to information and participation across England and Wales Ireland and South Australia can address sexual assault victims procedural and substantive justice concerns The rights status and treatment of sexual assault victims has emerged as a significant 21st century concern occupying the forefront of legal commentary on international policy agendas Informed by the voices of 26 high level criminal justice professionals legal stakeholders and victim support workers and a quantitative dataset this book considers whether legal representation can address some of the problems of the prosecution process for sexual assault victims in Victoria and indeed in other adversarial jurisdictions that employ similar legislative frameworks While acknowledging the value of victim focused reforms the book contends that cultural changes to the ways in which sexual assault victims are perceived and treated are necessary in order to improve victims experiences of the legal process Reconceptualising the role of sexual assault victims from witnesses to participants will also increase the likelihood that victims rights and interests will be considered alongside those of the state and the accused Situating its findings within broader debates about the role rights and treatment of sexual assault victims in adversarial justice systems the book outlines prospects for the transfer of policy and practice between jurisdictions Adversarial Justice and Victims Rights will be of great interest to academic and policy stakeholders engaged in criminology law and socio legal studies as well as students researching sexual violence and victims access to justice

Victims' Access to Justice Pamela Cox, Sandra Walklate, 2022-08-19 Why have many victim centred policy initiatives met with so little success How have those initiatives unfolded differently in different global jurisdictions over different periods of time This book aims to address these questions Building on a major research project exploring victims access to justice over time and place Victims Access to Justice

considers the potentialities for victims participation in criminal justice systems and in victim programmes both in historical and comparative context It considers a range of topics ways of identifying and accommodating victims needs and senses of justice the impacts for criminal justice systems of seeking to accommodate these and the ways in which adversarial criminal justice systems in particular may enable or inhibit victim participation This is essential reading for all those engaged in understanding and working with victims of crime

Handbook of Victims and Victimology Sandra Walklate, 2017-07-14 This second edition of the Handbook of Victims and Victimology presents a comprehensively revised and updated set of essays bringing together internationally recognised scholars and practitioners to offer substantial research informed overviews within their specialist fields of investigation This handbook is divided into five parts with each part addressing a different theme within victimology Part I offers a scene setting exploration of new developments in the field enduring issues that remain relatively unchanged and the gaps and traps within the contemporary victimological agenda Part II examines of the complex dimensions to victim experiences as structured by gender age ethnicity sexuality and intersectionality Part III reflects on the problems and possibilities of formulating policy responses in the light of the changing appreciation of the nature and extent of victimhood Part IV focused on the value of a comparative lens and the problems and possibilities of victim policies when seen through this lens explored along three geographical axes Europe Australia and Asia Part V considers other ways of thinking about who counts as a victim and what counts as victimhood and extends the boundaries of the victimological imagination outward Building on the success of the previous edition this book provides an international focus on cutting edge issues in the field of victimology Including brand new chapters on intersectionality child victims sexuality hate crime and crimes of the powerful this handbook is essential reading for students and academics studying victims and victimology and an essential reference tool for those working within the victim support environment

Crime Victims Basia Spalek, 2017-09-16 From white collar to environmental crime and hate crime to sexual violence the study of victims and of the processes of victimisation is indispensable to understanding the full scale of the effects of crime in society In this book Basia Spalek offers a theoretically detailed and empirically rich account of how victimology has developed into a field that transcends academic disciplines and brings together researchers practitioners activists and community members This second edition of Crime Victims continues to be a comprehensive and up to date overview of the historical social political and cultural issues and trends in approaches to victims and victimisation It introduces victimological theory explores the impacts of crime on victims and the challenges involved in developing victim support services In addition acknowledging the increasing recognition of trauma as central to understanding victimisation it includes a therapeutic toolkit for victims offenders and practitioners working in and with the criminal justice system With Cutting Edge Research and Case Study sections added at the end of each chapter to highlight victimology as a vibrant and continuously developing field Crime Victims is an essential resource to a broad audience ranging from students of victimology criminology and sociology to

practitioners and professionals **Progressive Justice in an Age of Repression** Walter S. DeKeseredy, Elliott Currie, 2019-03-01 Progressive Justice in an Age of Repression provides a much needed engagement with questions of justice and reform within the current phase of global capitalism one that is marked not only by significant social inequality but also political bifurcation It offers guidance on progressive strategies for resistance It also extends criminological analysis by situating these contemporary challenges as globalized and inextricably linked to questions of political economy law and society Bringing together an international selection of scholars this book draws on a range of issues such as immigration street crime and the renewed push for law and order violence against women environmental injustice assaults on health care and social services and the unleashing of private corporate exploitation of natural resources It is a clarion for strategic thinking a call for action fuelled by informed analysis and a reimagining of the progressive society that is under attack by Trumpism populism and a rising right This is an important read for those who teach and study criminology deviance and social control social problems legal studies political science and policy studies It is also a useful resource for practitioners community based activists and policy makers seeking new ways of thinking critically about crime law and social control

Victims, Crime and Society Pamela Davies, Peter Francis, Chris Greer, 2017-04-13 This book provides a thorough account of victimisation across the social spectrum of class race age and gender The second edition has been fully revised and expanded with two parts now spanning the key perspectives and issues in victimology Covering theoretical social and political contexts the book Includes new chapters on defining and constructing victims fear and vulnerability sexuality white collar crime and the implications of crime policy on victims Examines a global range of historical and theoretical perspectives in victimology and features a new chapter on researching victims of crime Reinforces your learning through critical thinking sections future research suggestions chapter summaries and a glossary of key terms Victims Crime and Society is the essential text for your studies in victimology across criminology criminal justice community safety youth justice and related areas *Victims of Crime* Matthew Hall, 2018-01-18 This volume critically engages with the development of official policy and reform in relation to the support of victims of crime both within and beyond the criminal justice system of England and Wales Since the election of the Conservative Liberal Democrat Coalition Government in May 2010 it is argued that victimization has increasingly taken on a greater cultural resonance both in England and Wales and in other industrialised countries Images of terrorism public debates around the handling of sexual victimisation by the courts and the issue of child sexual exploitation have catapulted victim issues into the public consciousness like never before generating a new form of what Hall terms victim capital As such this book utilises a combination of cultural victimological analysis governance theory and legal scholarship to address fundamental questions concerning the drivers and impact of victim policy in England and Wales in the 21st century An engaging and original study this book will be of particular interest to scholars of victimology and the criminal justice system as well as activists and policy makers **Justice Alternatives** Pat Carlen, Leandro Ayres
