SERVICE MANUAL PN 9921254

FOREWORD

This manual is designed primarily for use by Victory service technicians in a properly equipped shop and should be kept as a reference in the shop area. All references to left and right side of the motorcycle are from the operator's perspective when seated in a normal riding position.

The procedures outlined in this manual require a sound knowledge of mechanical theory, tool use, and shop procedures in order to perform the work safely and correctly. Technicians should read the text and be familiar with the procedures before starting the work. Certain procedures will require the use of special tools. Use only the proper tools as specified.

This manual includes procedures for maintenance, component identification and repair, along with service procedures for the above model motorcycles. Comments or suggestions about this manual may be directed to: Polaris Publications Dept. @ Polaris Sales Inc. 2100 Hwy 55 Medina Minnesota 55340.
