cocktail as well as instruction of how to mix absinth and chill champagne The Bartenders Manual is not only a window to the past it also shows how professional some bartenders of that time pursued their business a fact we almost forget or ignore as we connect the USA of the 19 century with dusty saloons and dirty beer glasses Some parts of the book may seem out of date who is still using blocks of ice or keeps guspadors for his guests but it is still a must have for professionals and enthusiastic hobby barkeepers and gives precious insights of the beginning of bar culture War Department Education Manual United States Armed Forces Institute,1944 *Training Manual for Waiter & Restaurant Owner* ,2022 Waitress and Waiter Training Manual British Columbia.
