Waiting For Deliverance:

Why Wait? Olajumoke Bello,2024-12-31 Why Wait explores the purpose and beauty of waiting on God With biblical insights and practical wisdom it encourages faith trust and surrender revealing waiting as divine preparation for God s promises and inspiring hope for life s journey **The Home Monthly** ,1860 *Resurrection As Anti-Imperial Gospel*

Edward Pillar,2013-08-01 Presuming that the heart of Paul s gospel announcement was the news that God had raised Jesus from the dead as indicated in 1 Thessalonians 1 9b 10 Pillar explores the evidence in Paul s letter and in aspects of the Roman imperial culture in Thessalonica in order to imagine what that proclamation would have evoked for its first hearers He argues that the gospel of resurrection would have been heard as fundamentally anti imperial Jesus of Nazareth was executed by means of the epitome of imperial power The resurrection thus subverts and usurps the empire s immense power The argument is verified in aspects of the response of those living in a thoroughly imperialized metropolis **The Swindoll Study Bible NLT** Tyndale,2018-09 Winner of the 2018 Christian Book Award for Bible of the Year The Swindoll Study Bible offers the best of Chuck Swindoll s wit charm pastoral insight and wise biblical study directly to you as you study God s Word Chuck s warm personal style comes across on every page and his informed practical insights get straight to the heart of the Bible s message for the world today Reading each part of this study Bible is like hearing Chuck speak God s Word directly to your heart It will both encourage readers faith and draw them deeper into the study of God s Word In Chuck s own words This study Bible was designed with you in mind As you read the Scriptures imagine my sitting beside you and sharing personal stories important insights and hard earned lessons that will encourage you to walk more closely with Jesus Christ You ll discover the who what where when why and how of the Bible Who wrote it and when What does it mean and where did its events occur Why should I trust it And most importantly how can I apply it today It s that last question more than any other that has fed my passion to publish this Bible My primary focus in ministry has been teaching biblical insight for living for genuine life change After all that s why God has communicated His Word to us so that we may become like His Son Jesus Christ the central figure of this Book Free app with purchase App includes all content from The Swindoll Study Bible and can be used across multiple devices with your Tecarta app account Available for iOS and Android Free app applies to print editions only **The Swindoll Study Bible NLT** Charles R. Swindoll,Tyndale,2017-10-17 Winner of the 2018 Christian Book Award for Bible of the Year The Swindoll Study Bible offers the best of Chuck Swindoll s wit charm pastoral insight and wise biblical study directly to you as you study God s Word Chuck s warm personal style comes across on every page and his informed practical insights get straight to the heart of the Bible s message for the world today Reading each part of this study Bible is like hearing Chuck speak God s Word directly to your heart It will both encourage readers faith and draw them deeper into the study of God s Word In Chuck s own words This study Bible was designed with you in mind As you read the Scriptures imagine my sitting beside you and sharing personal stories important insights and hard earned lessons that will

encourage you to walk more closely with Jesus Christ You ll discover the who what where when why and how of the Bible Who wrote it and when What does it mean and where did its events occur Why should I trust it And most importantly how can I apply it today It s that last question more than any other that has fed my passion to publish this Bible My primary focus in ministry has been teaching biblical insight for living for genuine life change After all that s why God has communicated His Word to us so that we may become like His Son Jesus Christ the central figure of this Book Free app with purchase App includes all content from The Swindoll Study Bible and can be used across multiple devices with your Tecarta app account Available for iOS and Android Free app applies to print editions only *Reading Romans as Lament* Channing L.

Crisler,2016-04-12 *Reading Romans as Lament* examines how and why Paul uses such a high volume of Old Testament lament in his letter to the Romans Lament is not merely a poignant cry of distress but a distinct form of prayer scattered across the pages of the Old Testament It contains a distinct literary footprint and theology Although often overlooked Romans contains a great deal of this prayer form through its various lament citations and echoes When these citations and echoes are heard it impacts the interpretation of the letter s argumentation and sheds historical light on suffering in the early church Building on the work of both Old Testament scholarship and recent trends in Pauline Studies most notably Claus Westermann and Richard B Hays this book explores how Paul uses the language and theology of Old Testament lament to address the tension between what his gospel promises and the pain his listeners experience The echoes of lament in Romans indicate that suffering stems from various sources but they share a common concern with divine wrath The experience of pain including concern over God s wrath is a reality for the righteous in Rome Paul consistently answers their cries of distress with the gospel *Because When God Is Too Busy* Gina Athena Ulysse,2017-04-07 Gina Athena Ulysse s *Because When God Is Too Busy* Ha ti me THE WORLD is a lyrically vivid meditative journey that is unapologetic in its determination to name embrace and reclaim a revolutionary Blackness that has been historically stigmatized and denied Crafting experiments with ethnographic collectibles of word performative sounds and imagery to blur genres and the lines between the geopolitical and the personal this collection is a testament to postcolonial inheritances Ulysse s work remixes samples from a range of references as it beckons readers to bear witness to a coming of age as she shifts between time and place and plays with languages to stretch the margins of aesthetics in the academic These poems performance texts and photographs gather fractured memories longings laced with Vodou chants confronting a past that looms too largely in the present *Because When God Is Too Busy* searches for humility while honoring sacred and ancestral imperatives to recognize and salute power beyond Western attachments to reason **The Power of Your Faith** Dr. Eula Payne-Williams,2012-12-10 My doctor with that

somewhat soft voice and that I hate this part of my job attitude says to me Im so sorry Eula but you are paralyzed and will have to be in a wheelchair the rest of your life How does a young woman in her middle twenties react to this type of news It was now time for me to draw on everything that I had been taught or had caught concerning faith in God Will I accept the

wheelchair or will the POWER OF MY FAITH cause me to defy it and walk away Which will it be Have you ever wondered what is faith Will it work Does it work How do you get it I have heard about it but how can I really achieve it As you read this book it is my prayer that your faith will be increased and you will never doubt whether it works again It is not what others believe but what do you believe Because it really is THE POWER OF YOUR FAITH **The Church School Journal** ,1883
