Wake Up Lazarus Paths To Catholic Renewal Volume 2:

Wake Up, Lazarus! Volume II Pierre Hegy, 2013-06 This book presents research in three new areas Sunday liturgies homilies and pastoral concepts First it presents to the readers the major Latin American document Disciples and Missionaries of Jesus Christ which sets the course of the Church in Latin America for the next decade Next I present the findings about the Sunday liturgies in 100 churches 50 in Guatemala and 50 the U S The following chapter analyzes 100 Sunday homilies in comparison to lay talks homilies by Fr Robert Barron and evangelical sermons In one more chapter I discuss basic concepts for pastoral research Chapter 6 discusses the consequences of papal centralization for church renewal The last chapter outlines ten basic paths of renewal What is new in this book is the research on Sunday liturgies homilies and pastoral concepts

Worship as Community Drama Pierre Hegy, 2019-03-22 Church weddings funerals and most Sunday services reflect the values and dramas of their communities even when the ministers are the main or sole actors This point is illustrated by examples ranging from American television masses to the Zairean three hour services in the Congo Of greatest interest to readers might be the Sunday services at ordinary parishes which also range from friendly but uninspiring to innovative and inviting There are also two exceptionally vital churches analyzed here an evangelical church in the Pentecostal tradition and a social justice parish in the tradition of Martin Luther King Jr Today one can hardly buy an item in a store or on the Internet without being asked for an evaluation yet church services are seldom evaluated There can be no improvement without evaluation This book proposes a method of evaluation in eight steps that must be rigorously scientific and at the same time offer a vision for spiritual growth The prophet Elijah found God in earthquakes and fire but most people find mystery through art music rhythm chanting expressive readings evocative rituals and enlightened homilies Today people expect mystagogy rather than routine performances Mystagogy can be learned and improved through evaluation to which this book desires to make a major contribution

Lay Spirituality Pierre Hegy, 2017-10-03 Laypeople have a special mission in the church the way they have a special mission in society In popular devotions the laity created a form of spirituality that lasted for over a millennium Popular religiosity is alive in Latin America and in US ethnic subcultures Vatican II redirected lay spirituality toward the liturgy as the source and summit We will visit a parish where this ideal is put into practice but in the wider church the role of the laity came to be restricted to ecclesial ministries There are at least four new forms of spirituality in the making I will first describe a vibrant evangelical church attended by many former Catholics Next we will visit a Guatemalan parish where over a thousand parishioners meet weekly in homes and witness to the gospel in their neighborhoods The charismatic renewal is a major force of renewal in Latin America and among US Latinos Finally the spirituality of social justice is alive and well in south Chicago In sum this book will introduce you to six or seven major forms of spirituality alive today Each of them defines a special place and mission for the laity in the church
