Walk It Out Together In The Way Of Jesus:

On the way Niclas Ljung, 2025-06-27 How can our faith in God grow and why doesn't it always? What causes our love for God to so easily grow cold and at times even fade away? This book is a practical and accessible guide that helps us understand the Christian life as a daily walk with Jesus. Following Jesus isn't about sitting at life's station waiting for a train to take us to heaven when we die. The Christian life is a journey, a walk we're invited to take every day. This is the language of the Bible: we are called to walk through life and life itself is a journey. In this book, Niclas Ljung, pastor in Malmö, Sweden, explores how we can get off to a good start in our walk with Jesus. At the same time, it offers encouragement and guidance for those of us who want to continue walking with Him, no matter where we find ourselves along the way. The book was born out of Niclas's own journey with Jesus during which he has helped people of all ages discover Christ and begin their walk with Him in the best possible way. Faith in God is not merely about accepting a set of truths or values; it's about knowing the one true living God. Salvation is not simply a line we cross but a road we walk following Jesus through the ups and downs of life. Written in clear and engaging language, this book is suitable for both young readers and those who may find it difficult to sit down with a book. It was originally created for use in a local church with short daily readings designed to complement Sunday sermons. It is also ideal for small groups encouraging deeper faith and challenging us to follow Jesus in every area of life. Rich in Scripture references and direct Bible quotations, the book also has a theological nature; it seeks to describe God and help us better understand who He is. David Pawson, John Wimber, John Stott, and John Mark Comer are among Niclas Ljung's key influences, and their legacy is clearly reflected throughout the book. *30 New Testament Interactive Stories for Young Children* Steven James, 2007-01-02 This book is a collection of favorite Bible stories, each written with a creative and meaningful storytelling technique, especially suited to help teachers involve young children in the Bible story. Enjoy this library of favorite Bible stories and storytelling techniques developed by award-winning author and professional storyteller Steven James. Each book includes creative storytelling techniques especially suited to help teachers tell God's story and involve children in the Bible story. A Path Called Compelling K. Bradley Watson, 2023-04-12 While hiking in 2010 an ill advised off trail climb left debut author K Bradley Watson dangling precariously over the edge of a cliff Narrowly escaping disaster Watson then found himself lost in the woods bushwhacking for hours before he found his way out of a dense canyon forest The haphazard hiking moment became an epiphany for him underscoring the importance of following trails As in hiking so it is in life and faith to find our way we need the direction of a path to guide us In A Path Called Compelling Watson reimagines the Christian faith as the Jesus Path where three key events from Jesus s life birth baptism temptations are revealed to be more than events to believe in but a path meant to be entered travelled and lived Acting as an expedition guide raconteur and pastor Watson weaves masterful storytelling with thoughtful reflections on Scripture that will have readers chuckling to themselves in one moment while readying themselves to travel the Jesus Path in the next Fresh and urgent the book invites readers to rediscover faith as they walk and explore A Path Called Compelling

An Exposition of the New Testament ,1811 **A Walk on the Wild Side** Dave Ens,1998 *Changing Ourselves* Kent Hodge,2013 Kent Hodge draws on nearly 30 years experience in Missions and church growth in this radical new book about how to live like Jesus both in times of persecution and in an indifferent Western world of moral decay It s radical because it s so simple We don t belong in camps and we do need to cross bridges In fact we need to build the bridges between the camps of differing opinion and practice in the church to search out again the simple truths that Jesus lived before the recorders of the Gospels Did Jesus really mean what he said in the Sermon on the Mount How do we do that In Northern Nigeria where the church has suffered bombings burnings midnight attacks on the homes of Christians only a return to the simple gospel has shown us how to respond The chapters of this book are illustrated with life stories the stories and experiences of friends and co workers living and overcoming in tough times It s simple and it makes sense but is incredibly challenging When you read what Jesus said in the Gospels you don t get the impression that faith is some kind of escape clause to heaven This book studies anew how the church goes about renewing the world **Children's Liturgy of the Word 2017-2018** Ann Dickinson Degenhard, The essential guide for prayer leaders who facilitate a separate Liturgy of the Word with children on Sundays and Holydays of Obligation **Gleanings in Genesis** Arthur W. Life is getting harder and more stressful every day Everywhere we look we see anger pain poverty and sorrow We wonder how we are going to make ends meet People are facing unemployment or working two or even three jobs just to keep their heads above water I have walked these paths of heartaches and through my trials I have learned how to find joy peace and contentment even in my darkest hours In these pages I have sought to impart the wisdom and insight that I have gained through faith in God as I have overcome many of the trials that we all face in our lives I hope to inspire you to step out of your comfort zone and walk of the water of faith My goal is to help you identify the sharks that threaten to devour you and keep you from the victory that God has planned for you if you will just step out on that water **The Scottish sabbath school teachers' book.
