The Relational Heart of God Dave Chater,2024-09-27 God has always desired to have a family As believers in Jesus we are children of God and have been given the privilege of an eternal relationship with Him How does God want us to grow in His relationship with us as revealed through His Word I invite you to come on a journey deeper into the Father Heart of God *The Dynamics of Dream-Vision Revelation in the Aramaic Dead Sea Scrolls* Andrew B.

Perrin,2015-08-19 Among the predominantly Hebrew collection of the Dead Sea Scrolls are twenty nine compositions penned in Aramaic While such Aramaic writings were received at Qumran these materials likely originated in times before and locales beyond the Qumran community In view of their unknown past and provenance this volume contributes to the ongoing debate over whether the Aramaic texts are a cohesive corpus or accidental anthology Paramount among the literary topoi

that hint at an inherent unity in the group is the pervasive usage of the dream vision in a constellation of at least twenty writings Andrew B Perrin demonstrates that the literary convention of the dream vision was deployed using a shared linguistic stock to introduce a closely defined set of concerns Part One maps out the major compositional patterns of dream vision episodes across the collection Special attention is paid to recurring literary philological features e g motifs images phrases and idioms which suggest that pairs or clusters of texts are affiliated intertextually tradition historically or originated in closely related scribal circles Part Two articulates three predominant concerns advanced or addressed by dream vision revelation The authors of the Aramaic texts strategically employed dream visions i for scriptural exegesis of the antediluvian patriarchal traditions ii to endorse particular understandings of the origins and functions of the priesthood and iii as an event historiographical mechanism for revealing aspects or all of world history These findings are shown to give fresh perspective on issues of revelatory discourses in Second Temple Judaism the origins and evolution of apocalyptic literature the ancient context of the book of Daniel and the social location of the Aramaic Dead Sea Scrolls
