

THE WALLS OF THE CASTLE

A person is walking away from the viewer down a long, dimly lit prison hallway. The person is silhouetted against a bright light at the end of the hallway. The walls are lined with cell doors, some of which have numbers like '3' and '4' visible. The floor is dark and reflective, showing the person's silhouette. The overall atmosphere is somber and institutional.

Nightjack Tom Piccirilli, 2010 On the day of his release from a mental institution Pace is taken hostage by Faust Pia and Hayden three escapees from the hospital who disappeared after the presumed rape and beating of Cassandra Kaltzas daughter of the Greek munitions tycoon Alexandra Kaltzas Each suffers from Multiple Personality Disorder experiencing complex delusions and sometimes fantastical identities Pace tries to piece together what happened when apparently one of their alternate personalities tried to kill Cassandra Pace himself is an alternate of William Pacella a man whose wife died in a restaurant fire set by a local mobster for insurance money William Pacella dies so that Nightjack can be born a new personality who may or may not be Jack the Ripper For unknown reasons Pace is able to see others delusions when alternates take over members of the group Pace alone is able to interact with each persona Included among them is Princess Eirrin a ten thousand year old sorceress and heir to the Atlantean throne Smoker a half breed gunman from 1880s Arizona Thaddeus friend and companion to St Paul and the ancient Greek architect Daedalus who soared among the clouds with his home made wax wings and watched his son perish in the sea Now the four find themselves under attack from assassins sent by Kaltzas to punish the person who attacked his daughter Conflicting stories abound about Cassandra whether she was raped if she was perhaps murdered or if she and Pace somehow crossed paths even before the hospital In fact she may not even exist As the attacks persist the group is forced to face their own personal traumas and terrors and go in search of Kaltzas in Greece There on an island where fantasy myth and truth are all entangled Pace and his many alternates must sift through madness and deceit to unlock the mystery And everyone may wind up dead unless Pace willingly unleashes the most brutal killer of all Nightjack
