The Reception of Alfred Tennyson in Europe Leonee Ormond, 2016-11-17 Alfred Lord Tennyson 1809 1892 has often been considered a particularly British writer in part as his official post as Poet Laureate inevitably committed him to a certain amount of patriotic writing This volume focuses on his impact on the continent presenting a major scholarly analysis of Tennyson s wider reception in different areas of Europe It considers reader and critical responses and explores the effect of his poetry upon his contemporaries and later writers as well as his influence upon illustrators painters and musicians The leading international contributors raise questions of translation and publication and of the choices made for this purpose along with the way in which his ideas and style influenced European writing and culture Tennyson s reputation in Anglophone countries is now assured following a decline in

Klinck, Ann Marie Rasmussen, 2015-08-06 The number of surviving medieval secular poems attributed to named female authors is small some of the best known being those of the trobairitz the female troubadours of southern France However there is a large body of poetry that constructs a particular textual femininity through the use of the female voice Some of these poems are by men and a few by women including the trobairitz many are anonymous and often the gender of the poet is unresolvable A woman s song in this sense can be defined as a female voice poem on the subject of love typically characterized by simple language sexual candor and apparent artlessness The chapters in Medieval Woman s Song bring together scholars in a range of disciplines to examine how both men and women contributed to this art form Without eschewing consideration of authorship the collection deliberately overturns the long standing scholarly practice of treating as separate and distinct entities female voice lyrics composed by men and those composed by women What is at stake here is less the voice of women themselves than its cultural and generic construction *The London Catalogue of Books Published in Great Britain with the Sizes, Prices and Publishers Names ... from 1814 to 1846* Catalogues, 1846 The London catalogue of books published in Great Britain, from 1814 to 1846 [compiled by T.
