Yahushua - The Black Messiah Rabbi Simon Altaf, 2011-01-11 What ethnicity was Yahushua Jesus of Nazareth and what race of people did He belong to Is it important that we know His ethnicity What colour was Moses King David and King Solomon We examine and look at the massive fraud perpetrated upon the western nations by the papal clergy to hide the real identity of the true Hebrew Israelite people and race which are being restored in these Last Days Yahushua said everything will be restored and that includes both His and His people s ethnicity Would you like to know It does affect your eternity because you are missing His true message if you would like to know then get this book now World War III Gabriel Michaels, 2020-11-24 WW II The mention of such an event brings fear and dread to the hearts of people the world over The prophet Ezekiel and many other Bible prophets saw a great end time war taking place A war that would burn like a furnace upon the earth A war that would trigger many other end time events The Bible prophets of the Old and New Testaments and Jesus himself speak together in harmony warning our generation of the approach of a nuclear fire war that will change the world forever The drumbeat of the approach of WW III is growing louder day by day by day Have you been thinking that something just doesn t seem right about What is happening in the world today This hard hitting book answers many of the questions that you may have about these days in which you live This planet seems to be on a collision course with disaster Something is about to happen something very terrible and something very wonderful Author Gabriel Michaels helps to explain in easy to understand language what is coming upon this planet and he shows how it may be much sooner than you think The book is not for the squeamish It s the end times on steroids The future of our planet and the destiny of many nations including the USA hangs in the balance Today the world teeters on the brink of the most destructive world changing war in history WW III Very few people realize the peril that they are in or that there is only one escape from what is coming This book could be the final warning that many people will receive For the sake of you your family and your friends you need to listen to this warning a warning done out of love Insert Background Here *World War III - Salvation of the Jews* (Paperback) Rabbi Simon Altaf Hakohen, 2010-09-05 Paperback How will the salvation of the Jews come about will they convert to Christianity Are the Jews in Israel the genetic children of Israel Will the 3rd Temple be built before the coming of the Messiah Will we have a war with Iran and when When will the Messiah come who is he Who is the prince of Ezekiel and why is he making sin sacrifices Should we support the Jewish Aliyah to Israel Rabbi Simon is the only Rabbi to look at the thorny issues that no one has addressed to date while many people mostly run with popular churchy opinions colored by bad theology by picking and choosing verses in isolation Is modern Zionism biblical Is Israel right to take over territories occupied by Palestinians today Should people be selling up homes to go and live in Israel All these questions and even more answered in this book the sequel to the popular prophecy book *World War III Unmasking the End Times Beast*
