World War Iii Unmasking The End Times Beast Volume I 1:

World War III - Unmasking the End-Times Beast Rabbi Simon Altaf,2011-06-01 Many people have questions today regarding why the Muslims hate us and why do they want to bomb us This book reveals the cause and effect and reveals what the ancient prophets wrote regarding the position of Islam in the end of days Many Christians have been prophesying of a one world government a reunification of all currencies of sort Is this hypothesis at all possible The other big question raised is will radical Muslims acquire a nuclear bomb to attack the cities of Europe and the US via a make shift bomb What nations in the west will make an alliance to fight back How will Saudi Arabia participate all these and other questions answered in this text Yahushua - The Black Messiah Rabbi Simon Altaf,2011-01-11 What ethnicity was Yahushua Jesus of Nazareth and what race of people did He belong to Is it important that we know His ethnicity What colour was Moses King David and King Solomon We examine and look at the massive fraud perpetrated upon the western nations by the papal clergy to hide the real identity of the true Hebrew Israelite people and race which are being restored in these Last Days Yahushua said everything will be restored and that includes both His and His people s ethnicity Would you like to know It does affect your eternity because you are missing His true message if you would like to know then get this book now **The Greatness of God** Charles Frank Thompson,2016-02-08 With each passing day our world seems to drift further and further away from the God of the Bible divine creation and Christian belief This societal shift toward postmodernism and secularism is not a new development however the expanding and intensifying revolt against the biblical God and Christianity traces its roots back to the modern philosophies of the Enlightenment and Romanticism which have given rise to many divergent views during the past three centuries and become even more extreme in recent postmodernism The Greatness of God How God Is the Foundation of All Reality Truth Love Goodness Beauty and Purpose stands as an intellectual counterweight to the prevailing winds of a secular postmodern world Author Charles Frank Thompson argues that the consequences of this rejection of God and divine creation have not been benign He traces the modern revolution in detail and describes its deleterious consequences including the loss of the ultimate basis for universal truth knowledge meaning and purpose In The Greatness of God Thompson explores a wide range of topics including Christian theology metaphysical philosophy and an analysis of modern thought and art He examines the rich history of Christian poetry prose and art and takes a look at recent scientific discoveries that help us understand Christian teachings about God s creation He concludes with an exploration of the millennium the eternal kingdom of God and the spiritual state of America and Europe today Unmasking the Antichrist Ron Rhodes,2012-03-01 The identity of the Antichrist is a topic of hot debate today Adding fuel to the flame of rampant speculation are voices saying the Antichrist might be a Muslim or a Jew a view that respected Bible scholar and bestselling author Ron Rhodes argues against in this revealing Scripture based exploration of what God s Word does and does not tell us about the Antichrist the advance signs power moves and eventual fall of this person the mysterious Gog leader of Northern
