Vertrouwd En O Zo Vreemd Over Geheugen En Bewustzijn:

The Hermetic Link Jacob Slavenburg, 2012-04-01 Hermes is the Greek god of the Word of thought and magic the swift moving messenger of the Divine and guardian of souls in the Afterlife In Ancient Egypt he was the majestic god Thoth the Recorder the lord of measurement and science the brother husband of Isis In Rome he was of course Mercury flying through the Empyrean at the speed of idea by the aid of his winged helmet and boots In this broad survey of the Hermetic arts author Jacob Slavenburg brings an unparalleled depth of insight to the subject He examines the historical Hermetic literature and details its relevance to modern occultism from the symbolism of architecture and art to the mysteries of Freemasonry The heavenly mysteries of astrology are explored as are the healing arts which derive from the spirit of scientific inquiry embodied by Thoth Hermes Slavenburg examines the magical writings of the Greek papyri and their development into the contemporary magical practices of modern adepts He sheds light on the workings of alchemy and the esoteric philosophy to the world of modern chemistry and physics He explores the origin of evil and the realm of the afterlife and the Hermetic doctrines of reincarnation and karma In addition the author provides a wealth of biographical data on the magi of Hermetism from Ficino to Agrippa John Dee to Giordano Bruno *Controlling Time and Shaping the Self* J. Arianne Baggerman, Rudolf M. Dekker, Michael James Mascuch, 2011-06-22 This book gives answers to questions surrounding the rise of autobiographical writing from the sixteenth to the twentieth century by analyzing texts varying from the time of the Spanish Inquisition to post war Japan *Our Lives - Our Stories* Roland Pfau, Asli Göksel, Jana Hosemann, 2021-01-18 Sign languages are non written languages Given that the use of digital media and video recordings in documenting sign languages started only some 30 years ago the life stories of Deaf elderly signers born in the 1930s 1940s have except for a few scattered fragments in film not been documented and are therefore under serious threat of being lost The chapters compiled in this volume document important aspects of past and present experiences of elderly Deaf signers across Europe as well as in Israel and the United States Issues addressed include i historical events and how they were experienced by Deaf people ii issues of identity and independence iii aspects of language change iv experiences of suppression and discrimination The stories shared by elderly signers reveal intriguing yet hidden aspects of Deaf life On the negative side these include experiences of the Deaf in Nazi Germany and occupied countries and harsh practices in educational settings to name a few On the positive side there are stories of resilience and vivid memories of school years and social and professional life In this way the volume contributes in a significant way to the preservation of the cultural and linguistic heritage of Deaf communities and sheds light on lesser known aspects against an otherwise familiar background This publication has been made possible within the SIGN HUB project which has received funding from the European Union's Horizon 2020 research and innovation programme **Vertrouwd en o zo vreemd** Wim Kayzer, Gertjan Wallinga, 1995 Interviews met schrijvers en wetenschapsbeoefenaars over het menselijk geheugen **Unknown Destination** Maya Rasker, 2002 In the realization that

my language is powerless to describe what has happened in the seven years since I first met her I am compelled to recount the story of my wife the beautiful Raya Mira Salomon who disappeared on the night of August 31 1997 our daughter s sixth birthday at the age of thirty seven It was a hot rainy summer evening when Gideon s enigmatic wife Raya Mira with painted lips and her hair gathered up in a single clip went out to get a pack of cigarettes at a caf around the corner and never returned One year later no trace of her has been found Now Gideon sits down to open a suitcase she left behind Hoping to put his wife to rest at last and move on with his life he discovers that she remains very much alive inside the cracked seams of the suitcase which is full of childhood postcards letters photographs and scraps of paper with jotted down thoughts Instead of assuming the role of widower Gideon renews the promise he made with her seven years ago on the eve of their marriage to be faithful to her until the end So what was intended as a liberation becomes a pact more powerful than death more intense than love more implacable than fidelity Unknown Destination is a haunting unforgettable first novel revealing one man s emotional journey through deduction and madness as he tries to make sense of his wife s inexplicable disappearance It is a lyrical and elegant debut that eloquently demonstrates how a battered soul can learn to live with a tragic past and make peace with the shattering truth

Advanced Musical Performance: Investigations in Higher Education Learning Ioulia Papageorgi, Graham Welch, 2016-03-23 To reach the highest standards of instrumental performance several years of sustained and focused learning are required This requires perseverance commitment and opportunities to learn and practise often in a collective musical environment This book brings together a wide range of enlightening current psychological and educational research to offer deeper insights into the mosaic of factors and related experiences that combine to nurture and sometimes hinder advanced musical performance Each of the book s four sections focus on one aspect of music performance and learning musics in higher education and beyond musical journeys and educational reflections performance learning and developing expertise and professionalism Although each chapter within its home section offers a particular focus there is an underlying conception across all the book s contents of the achievability of advanced musical performance and of the important nurturing role that higher education can play particularly if policy and practice are evidence based and draw on the latest international research findings The narrative offers an insight into the world of advanced musicians detailing their learning journeys and the processes involved in their quest for the development of expertise and professionalism It is the first book of its kind to consider performance learning in higher education across a variety of musical genres including classical jazz popular and folk musics The editors have invited an international community of leading scholars and performance practitioners to contribute to this publication which draws on meticulous research and critical practice This collection is an essential resource for all musicians educators researchers and policy makers who share our interest in promoting the development of advanced performance skills and professionalism
