Victorious Warfare Discovering Your Rightful Place In Gods Kingdom:

Victorious Warfare Harold Caballeros, 2001-03-30 BUILDING AND DEFENDING THE CHURCH THROUGH SPIRITUAL WARFARE Victorious Warfare Harold Caballeros, 2001 BUILDING AND DEFENDING THE CHURCH THROUGH SPIRITUAL WARFARE New Ways of Being Pentecostal in Latin America Martin Lindhardt, 2016-03-23 The explosive growth of Pentecostalism has radically transformed Latin America's religious landscape within the last half century or so. In a region where Catholicism reigned hegemonic for centuries, the expansion of Pentecostalism has now resulted in a situation of religious pluralism and competition bearing much more resemblance to the United States than to the Iberian motherlands. Furthermore, the fierce competition from Pentecostal churches has inspired significant renewals of Latin American Catholicism, most notably the growth of a Catholic Charismatic movement. However, another and more recent source of religious pluralism and diversity in Latin America is an increasing pluralization and diversification of Pentecostalism itself and of the ways in which individual Pentecostals exercise their faith. By carefully exploring this diversification, the book at hand breaks new ground in the literature on Latin American Christianity. Particular attention is focused on new ways of being Pentecostal and on the consequences of recent transformations of Christianity for individuals, faith communities, and societies. More specifically, the chapters of the book look into certain transformations of Pentecostalism, such as theological renewals and new kinds of religious competition between Pentecostal churches, a growing political and civic engagement of Pentecostals, an observed de-institutionalization of Pentecostal religious life, and the negotiation of individual Pentecostal identities composed of multiple intra and extra ecclesial points of identification and the emergence of new generations of Pentecostals, children of Pentecostal parents, many of whom have higher levels of education and higher incomes than the previous generations within their churches. In addition, Catholic responses to Pentecostal competition are also addressed in several chapters of the book.

The New Apostolic Reformation John Weaver, 2016-04-27 From Justin Bieber to Sarah Palin and Michele Bachmann to the controversial documentary *Jesus Camp 2006*, the New Apostolic Reformation's influence can be seen everywhere in mainstream America. Beginning with an examination of the Latter Rain Church Growth and Shepherd's movements, this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life. The author describes the New Apostolic Reformation's organization, how the movement spread, and its national and international objectives.

American Possessions Sean McCloud, 2015-04-21 *American Possessions* examines Third Wave evangelical spiritual warfare, a contemporary movement of evangelicals focused on banishing demons from human bodies, material objects, land, regions, political parties, and nation-states. McCloud argues that spiritual warfare provides an ideal case study for identifying some prescient tropes in modern American religion and culture.

Global Pentecostalism David Westerlund, 2009-03-30 Pentecostalism is a movement within Christianity placing special emphasis on a believer's personal encounter with God.
