Von Krankheiten und Heilungen

und von der Mysteriensprache
in den Evangelien

Von Krankheiten Heilungen Mysteriensprache Evangelien

Josef F. Justen

Von Krankheiten Heilungen Mysteriensprache Evangelien:

Illness and Healing Judith von Halle, 2008 The contents of this volume have arisen from my own spiritual experience and do not represent any kind of hypothesis or speculation except where I expressly say that I am unable to make any definitive statement about a particular event or set of circumstances Judith von Halle After she received the stigmata Judith von Halle began vividly to perceive the events that occurred at the time of Christ These continuing experiences are not visions but rather actual participation involving all human senses in the events themselves To complement this personal witnessing of Christ s life von Halle has researched the facts using spiritual scientific methods based on the human I crossing of the spiritual threshold while fully conscious Here she explores here in her continuing series Approaches to Understanding the Christ Event the nature of illnesses at the time of Christ as described in the Gospels and how he approached the process of healing them The Gospels conceal untapped treasures that can be brought to light only by deciphering their inherently pictorial language By developing a spiritual scientific mode of thinking we can create the foundation for examining the causes and cures of illness The author explains the meaning of certain phrases and passages in the Gospels translating them from their metaphorical form into modern language She also reveals why illnesses at the time of Christ were different from medical disorders of today and looks into the nature and causes of modern illnesses **Man lebt nicht nur einmal** Josef F. Justen, 2021-12-10 Nie war es so dringend notwendig wie heute dass mehr und mehr Menschen sich von den materialistischen Indoktrinationen die l ngst auch an unseren Schulen betrieben werden sowie den kirchlichen Dogmen emanzipieren und sich mit den spirituellen Lehren wie man sie insbesondere aus der anthroposophisch orientierten Geisteswissenschaft Rudolfs Steiners gewinnen kann befassen Zu den wichtigsten und elementarsten geistigen Tatsachen geh ren das Reinkarnationsgesetz und das ganz eng damit verkn pft Karmagesetz Es ist heute von fundamentaler Bedeutung dass wir uns mit diesen Wahrheiten vertraut machen Wer diese Gesetze nicht kennt kann nicht nur viele andere geistige Tatsachen nicht begreifen sondern er kann im Grunde sein eigenes Leben nicht verstehen Des Weiteren kann er nicht erkennen welche negativen Auswirkungen gewisse Intentionen die in der Technologie vorangetrieben und von der Politik vermutlich abgesegnet werden f r die Menschheit nach sich ziehen k nnten Einige dieser Bestrebungen sind schon heute gang und g be Etliche weitere und m glicherweise viel schlimmere werden in der Zukunft vermutlich Realit t werden Die PERIKOPEN in wortw rtlicher Übersetzung Volker David Lambertz, 2020-12-12 Die PERIKOPEN in wortw rtlicher bersetzung Lesefassung A4 Sie finden hier die Evangelien nicht interpretiert sondern die direkt aus den ltesten altgriechischen Quellen von renommierten Bibelwissenschaftlern wortw rtlich bersetzte Fassung die von V D Lambertz lediglich grammatikalisch angepasst und somit lesbar gemacht wurde Somit wissen Sie was die Schreiber wirklich geschrieben haben und interpretieren selbst Ein Impuls aus der Freiheit des Christenmenschen Die Perikopen die Evangeliumsstellen f r jede Woche und die Festzeiten nach der alten kumenisch kirchlichen Ordnung der von Rudolf Steiner

auch für den freien christlichen Impuls wie u.a. in den Freien Waldorfschulen benommene und ergänzte Die Gesamtausgabe mit den altgriechischen Texten und der interlinearen Übersetzung finden Sie in Die Perikopen in interlinearer Übersetzung BoD Verlag Arbeitsmaterial zur Kultus Frage **Die PERIKOPEN in interlinearer Übersetzung** Volker David Lambertz, 2020-12-16 Die Perikopen in interlinearer Übersetzung Gesamtausgabe Die Evangeliumsstellen für die Wochen und Festzeiten des Jahres Die PERIKOPEN in wortwörtlicher interlinearer Übersetzung und zusätzlich in angepasster deutscher Grammatik in der alten kirchlichen kumenischen und freien christlichen Fassung heute wie u.a. auch in den Freien Waldorfschulen benutzt 1 Zeile altgriechisch 2 Zeile interlineare Übersetzung deutsch 3 Zeile in angepasster deutscher Grammatik Gesamtausgabe DIN A4 496 S Hardcover Die Perikopen sind zudem in einer gekürzten Ausgabe als Lesebuch erhältlich mit nur dem deutschen Text Die Perikopen in wortwörtlicher Übersetzung FORUM KULTUS Arbeitsmaterial zur Kultus Frage www.ForumKultus.de Korrekturausgabe *Das Götterprojekt »Mensch« - Entstehung, Wesen und Ziel des Menschen* Josef F. Justen, 2021-07-11 Mit dem vorliegenden Buch ist die Intention verknüpft dem interessierten Leser eine recht ausführliche Einführung in die aus unserer Sicht wichtigsten Themengebiete der Anthroposophie zu geben Die grundlegenden Darstellungen vieler Bücher und Vorträge Rudolf Steiners werden hier in kompakter gegliederter und relativ leicht verständlicher Form gegeben Dieses Buch wendet sich sowohl an Leser die einen ersten Einstieg in die Anthroposophie finden wollen als auch an solche die schon fortgeschritten sind Wenn ein Leser der noch nicht oder erst vor kurzer Zeit zur Anthroposophie gefunden oder sich bisher nur am Rande mit ihr befasst hat eines der etlichen Bücher Rudolf Steiners zur Hand nimmt in denen einige seiner unzehnten Vorträge gedruckt sind wird sich ihm eine ganz bestimmte Schwierigkeit darbieten In seinen Vorträgen in denen es meistens um spezielle oder weiterführende Themen ging war es Rudolf Steiner natürlich nicht möglich immer wieder die grundlegenden Begriffe ausführlich zu erläutern Er musste voraussetzen dass diese den Zuhörern schon weitestgehend vertraut waren Somit wird jemand der diese Vorträge heute studieren möchte auf etliche Fachbegriffe stoßen die er vermutlich nicht kennt und die ihm das weitere Lesen gewaltig erschweren An dieser Stelle soll in nicht geordneter Reihenfolge nur eine kleine Auswahl dieser fundamentalen Begriffe angeführt werden thergehirn Astralleib Bewusstseinsseele Gruppenseele Manas Phantom des Menschen Gedankensinn Astralplan Devachan Nirvanaplan Inspirative Erkenntnis Akasha Chronik Geistige Wesen der höheren Hierarchien Kyriotetes Geister der Form Volksgeister Elementarwesen Geister der Umlaufzeiten Gedankenwesenheiten Ahriman luziferische Wesen Karma Inkarnationsstufen der Erde alter Saturn Pralaya Lemurien Slawische Kulturepoche Krieg jeder gegen jeden neuer Jupiter salomonischer Jesusknahe Mysterium von Golgatha Kamaloka Karmisches Gericht Kausal Leib Region der fliehenden Reizbarkeit Saturnsphäre Weltenmitternacht Ein Verständnis dieser Termini ist eine wichtige im Grunde sogar notwendige Voraussetzung um Steiners Vorträge wirklich verstehen zu können Alle diese Begriffe werden in diesem Buch zum Teil sehr ausführlich und in einem größeren Kontext erklärt Die Perikopen in wortwörtlicher Übersetzung Volker Lambertz, 2020-12-03 unverändert

Wort für Wort aus den ältesten verfügbaren altgriechischen Quellen Nestle Aland Dietzfelbinger So haben Sie hier eine Fassung die nicht interpretiert und somit manipuliert hier sind SIE der Interpret hier erfahren Sie was der Schreiber der Evangelist wirklich geschrieben hat soweit dies behauptet historisch nachzuvollziehen ist Die Perikopenordnung folgt hier der alten kumenischen der Kirchen und ist auch die Fassung die Rudolf Steiner für die freie christliche Handhabung angab wie sie auch in den freien christlichen Sonntags Handlungen der Freien Waldorfschulen und deren Religionsunterricht benutzt werden Diese ist eine andere als z B in der Kirche Die Christengemeinschaft So wird diese Fassung und Ordnung auch im Forum Freier Christen im Forum Kultus der Initiative freie christliche Arbeits Gemeinschaft der Initiativen für ein freies anthroposophisch sakramental vertieftes Christ Sein heute genutzt Hier in der gekürzten Lesefassung für die Praxis findet sich lediglich die deutsche Übersetzung Möchten Sie auch die altgriechische interlineare direkte Übersetzung altgriechisch deutsch deutsch grammatikalisch angepasst so wählen Sie bitte die Gesamtausgabe Die Perikopen in interlinearer Übersetzung Sie erhalten diese Lesefassung auch wortgleich in größerer Ausführung DIN A4 und so auch mit größerer Schrift und damit besserer Lesbarkeit Siehe auch www.forumkultus.de Die spirituelle Seite des Todes Josef F. Justen, 2024-07-14 Es gehört zu den größten Vorurteilen unseres materialistisch geprägten Zeitalters zu glauben dass man über geistige Tatsachen insbesondere auch darüber was ein Mensch nach seinem Tode in den übersinnlichen Welten erleben und erfahren wird nichts wissen könne Es ist schließlich noch keiner zurücksgekommen der uns darüber berichten könnte kann man in diesem Zusammenhang immer wieder hören Der Autor zeigt auf dass es heute etliche Quellen gibt aus denen man verlässliche Erkenntnisse über das Leben des Menschen nach dem Tod gewinnen kann Er gibt in diesem Werk in einer sehr sachlichen und dennoch durchaus spannenden Weise Antworten auf viele spirituelle Fragen und beleuchtet geistige Hintergründe welche die Seelen vieler Zeitgenossen bewegen Neben einer eingehenden Behandlung der Reinkarnationsfrage beschreibt er insbesondere in großer Ausführlichkeit was die Seele eines verstorbenen Menschen in den geistigen Welten erfährt und erlebt Diese ungewöhnlich detaillierten Darstellungen orientieren sich in erster Linie an dem großen Wissensschatz der anthroposophisch orientierten Geisteswissenschaft Rudolf Steiners Sie berücksichtigen aber sehr wohl auch Schilderungen anderer Quellen die heute ebenfalls jedem zugänglich sind Dieses Buch zeigt auch einige ganz konkrete Möglichkeiten auf wie man in der heutigen Zeit die Kluft zwischen den Lebenden und den sogenannten Toten überwinden kann Für einen Leser der den Sinn des Lebens und des Todes besser verstehen lernen möchte kann die Lektüre dieses Buches sehr bereichernd sein Ein besseres Verständnis des Todes und des nachtodlichen Lebens kann auch sehr hilfreich sein um einen Menschen in seinem letzten Lebensabschnitt besser begleiten und um den Verlust eines geliebten Menschen ertragen zu können Der Tod ist schrecklich oder kann wenigstens schrecklich sein für den Menschen solange er im Leben weilt Wenn der Mensch aber durch die Pforte des Todes gegangen ist und zurückblickt auf den Tod so ist der Tod das schönste Erlebnis das überhaupt im menschlichen Kosmos möglich ist Rudolf Steiner Reinkarnation und Karma im Lichte wahren Christentums Josef F.

Justen,2024-07-12 Das Reinkarnations und das eng damit verbundene Karmagesetz gehören zu den wichtigsten geistigen Gesetzen ohne die man viele Weltentatsachen und insbesondere auch sein eigenes Leben nicht verstehen kann Dr Rudolf Steiner der Begründer der Anthroposophie war vor gut 100 Jahren der erste der diese Gesetze geisteswissenschaftlich erforschte über seine dadurch gewonnenen Erkenntnisse hat er in mehreren Büchern geschrieben und in Hunderten von Vorträgen gesprochen Der Autor bringt diese Lehren dem Leser in leicht verständlicher Form nahe Insbesondere schreibt er ausführlich über den Sinn der wiederholten Erdenleben und die vielen Facetten des Karmagesetzes Viel Wert legt er darauf zu zeigen dass diese Lehren in vollem Einklang mit einem richtig verstandenen wahren Christentum stehen Dieses Buch eignet sich nicht nur für Einsteiger in diese Thematik sondern auch für Leser die sich schon intensiv damit befasst haben Es ist sehr wahrscheinlich dass ein solcher in diesem etliche Aspekte findet die er bisher noch nicht kennt Es empfiehlt sich ebenfalls für einen Leser der bisher gute Gründe zu haben glaubte diese Gesetze zu verwerfen Dreierlei bedingt den Lebenslauf eines Menschen innerhalb von Geburt und Tod Und dreifach ist er dadurch abhängig von Faktoren die jenseits von Geburt und Tod liegen Der Leib unterliegt dem Gesetz der Vererbung die Seele unterliegt dem selbstgeschaffenen Schicksal Man nennt dieses von dem Menschen geschaffene Schicksal mit einem alten Ausdrucke sein Karma Und der Geist steht unter dem Gesetze der Wiederverkörperung der wiederholten Erdenleben Rudolf Steiner Deutsche Nationalbibliografie Die deutsche Nationalbibliothek,2008 Von Krankheiten und Heilungen Judit von Halle,2008-02
