Take The Gap - A South African handbook for two years in London Nicole Canning, 2012-10-02 As an unemployed poverty stricken South African in London Nicole began to pen her thoughts on her two year experience into her diary These rambles were to become a weekly column in the South African the expat newspaper in London after a chance meeting with the editor Greg Greg's job exposed him to lots of useful information such as how to get a fake visa and where to buy blackmarket boerewors It seemed a shame to confine these insights to history's slosh bucket so once back home the two met up again It was common sense to combine their experiences put them all on paper and merge their knowledge into Take the Gap a use it or lose it book packed full of advice for those adventurous souls who are considering a stint in London Or for those who have been and seen and want to reminisce a first class ticket back to the Big Smoke that you grew to love like a pounding
