Life is a journey There is a process we have to commit to A journey is how we live and how we treat people and animals along the way Our God brings people into our lives to change our ways I was very pessimistic about how I saw cats There was Jesus wanting to change my heart from bad to good and lean on him There is no one in our life by accident Our God had a plan for me to change my character God placed on my journey a wonderful wife who demonstrated love and compassion for her cats or her babies The *Death of Her Babies* is about the unconditional love my wife showed for her babies and how it changed my heart Each time she lost one of her babies the tears and prayers expressed during the burial showed me the love she had for her babies during the loss This action helped me realize that we all will lose a loved one and we will grieve I also shed tears and prayed We held hands and it changed my heart Our God will make things work for the good of those who love him
