When your child leaves home for new opportunities, it's hard to adjust to their absence. This book provides a roadmap to navigating this transitional life stage, filled with wisdom on finding new opportunities, focusing on developing your emotional and mental health, managing feelings of anxiety, loneliness, and uncertainty, and preparing to welcome a new phase of parenting as kids grow older and more independent. Written by Brooke Stillwell and Lynne Mouw, two health and wellness experts with decades of experience helping women maximize their potential and find fulfillment, this book helps readers understand concepts like: Why continuing to pour even more of your heart and soul into your grown kids' lives is often a step backwards; Why women thrive as empty nesters through building emotional resilience, letting go of things you cannot control, and instead focusing on things you can control; Why finding more purpose rather than accumulating material possessions or indulging in leisurely activities and pastimes is the only real way forward.
