Walking Broad Looking For The Heart Of Brotherly Love:

Walking Broad Bruce Buschel, 2007-08-01 Wedged between the hustle of New York and the grandeur of Washington D C Philadelphia is America s smallest big city America s biggest small city and America s most American city It is also a city in flux Bruce Buschel is a native Philadelphian who revisits his hometown and in doing so revisits his personal history and the city s complex identity Buschel was born on Broad Street his father died on Broad Street he flunked out of college sold cameras and purchased drugs on Broad Street he wrote for a newspaper on Broad Street touched JFK s left hand on Broad Street and met his second wife when she worked on Broad Street On his thirteen mile walk down the boulevard Buschel talks to everyone from the old Italian tailor down the corner from the Chinese Mennonite pastor to the Jewish funeral home director across the street from Bilal the Muslim restaurateur On Broad Street he finds livestock just a few steps from Joe Frazier s gym The newly dubbed Gayborhood is just a stone s throw from the home of the heartbreaking Eagles A world class ballet rehearses at the Rock School while outcast rockers practice at the Paul Green School The gas station attendant on Broad Street may be a recent immigrant but he has already adopted the brusque manners and terse responses of a fourth generation Philadelphian Naturally William Penn oversees the whole insecure glorious mess from his perch atop City Hall After 9 11 Americans were drawn to Philly s authenticity and history After decades of decay something positive is happening and dyspeptic Philadelphians are trying to adjust A lot has changed since Buschel grew up there but he hasn t managed to shake the attitudes instilled in childhood mere mention of the 64 Phillies and one of the greatest collapses in baseball history still stings He has retained his irreverent sense of humor his distrust of authority his ambivalence about New York his disdain for New Jersey and above all his sense of loyalty if not outright love for his native city *Explorer's Guide Philadelphia,*

Tomlinson, 2014-03-18 You believe in God You re trying to serve Him But do you know how to truly love Him and let Him love you As a Bible believing churchgoer author Shellie Tomlinson harbored a secret in her good girl heart She longed for something more than routine faith she wanted to love God with a genuine all consuming passion So she got honest with Him I admit it I don t love you like I should but I want to love you Help me In *Heart Wide Open* Shellie invites you to answer the call of your restless heart and refuse to settle for anything less than the intimate friendship of God Through her heartfelt and

honest words you'll find practical inspiration to help you exchange your just enough Jesus mindset for an all out pursuit of Him put sizzle in your Bible study by asking God to show you the wonder of His Word trade formulaic devotions for a devoted life Are you ready to stop struggling to make time for God and instead live every moment with God Discover how to live with your heart wide open A Western Heart Liz Harris,2014-05-07 From the author of *The Lost Girl* two sisters vie for love on the Wyoming frontier in this romantic tale as sweeping and grand as the Old West On the rough Wyoming frontier Rose McKinley and Will Hyde have been sweethearts since childhood Rose has always assumed that one day they will wed and since a marriage would mean the merging of two successful ranches their families certainly have no objections except for Rose's sister Cora At seventeen Cora is sick of being treated like a child who doesn't understand womanly feelings She has plenty of womanly feelings and she has them for Will But her sister does not give up her possessions willingly So when the mysterious and handsome Nate Galloway comes to town and turns Rose's head Cora sees an opportunity to finally get what she wants Will Rose play into her sister's plot or has her heart already been won *Irenicum, to the Lovers of Truth and Peace. Nicole Treadwell,2009-03-16 Nicole Treadwell has a secret If she reveals it she will surely die Of course she knows it's true because certain death is what he promised her after the incident in the deep woods years ago Her fate ever in his hands keeping the secret guts her on the inside as she struggles to make ends meet serving as a law clerk to a dangerously ambitious judge in the Nation's Capitol with secrets of her own Nicole is tired exhausted toying with thoughts she's afraid to own of letting life go Her life is unraveling her sound mind frayed At the end of herself she knows she can't save herself but who can Worse does she want to be saved A swift reply to both questions comes in the way of a still small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss In contrast Nicole's former law school chum and classmate

Timothy Grue is a hotshot private attorney who blazes notorious trails in and out of the courtroom Both handsome and brash owing to his kinship with privilege and social standing of a fine Philadelphia family he seems to have the world on a string every creature comfort easily within his reach including an overabundance of company from the fairer sex Despite his privilege and pedigree Tim later learns that it came at a very high price By a stroke of legal fortune or misfortune their paths collide professionally as Tim is handpicked to represent an A List Hollywood client in a lawsuit over which Nicole s boss is the presiding judge Not so secretly the judge relishes the prospect of having her fifteen seconds of fame before the world press Her staff knows that the attention from the paparazzi may prove to be her professional undoing and theirs Her job potentially on the line Nicole contacts Tim Grue for a clandestine meeting of the minds but will Tim take the bait and sign on to Nicole s harmless solution Their former friendship on course to self ignite or implode sets in motion a chain of events that blast open the door to Nicole s secret past and their bitter sweet history and where crises of identity spirituality and morality intersect conflicting issues of race and class deepen already murky waters as Nicole is black and Timothy is white Yet as between the two they want to know why race is still an issue at all On the road from hell to higher ground both learn that anything worth having is always tried by fires of a faith that asks simply what do you really believe And more can redemption ever come too late *Arthur's Illustrated Home Magazine* ,1854 **A New Testament Commentary for English Readers** Charles John Ellicott,1897 *The Friend* ,1900 **A New Testament commentary for English readers, by various writers, ed. by C.J. Ellicott** Charles John Ellicott (bp. of Gloucester),1884 **Friends' Intelligencer and Journal** ,1893 *Why Be Moral?* Yong Huang,2014-10-07 Yong Huang presents a new way of doing comparative philosophy as he demonstrates the resources for contemporary ethics offered by the Cheng brothers Cheng Hao 1032 1085 and Cheng Yi 1033 1107 canonical neo Confucian philosophers Huang departs from the standard method of Chinese Western comparison which tends to interest those already interested in Chinese philosophy While Western oriented scholars may be excited to learn about Chinese philosophers who have said things similar to what they or their favored philosophers have to say they hardly find anything philosophically new from such comparative work Instead of comparing and contrasting philosophers each chapter of this book discusses a significant topic in Western moral philosophy examines the representative views on this topic in the Western tradition identifies their respective difficulties and discusses how the Cheng brothers have better things to say on the subject Topics discussed include why one should be moral how weakness of will is not possible whether virtue ethics is self centered in what sense the political is also personal how a moral theory can be of an antitheoretical nature and whether moral metaphysics is still possible in this postmodern and postmetaphysical age **Solariad** Surazeus Astarius,2017-10-15 *Solariad of Surazeus* Guidance of Solaria presents 114 920 lines of verse in 1 660 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 2006 to 2011
