How Then, Shall We Live? Wayne Muller, 2013-09-11 We all long to experience a sense of inner wholeness and guidance but today's notions of healing and recovery too often keep us focused on our brokenness on our deficiencies rather than our strengths Wayne Muller's luminous new book gently guides us to the place where we are already perfect already blessed with the wisdom we need to live a life of meaning purpose and grace He starts as do so many spiritual teachers with simple questions Who am I What do I love How shall I live knowing I will die What is my gift to the family of the earth He then takes us deeper exploring each question through transformative true stories We meet men and women Wayne's neighbors friends patients who have discovered love courage and kindness even in the midst of sorrow and loss And through them we glimpse that relentless spark of spiritual magic that burns within each of us Woven throughout are contemplations daily practices poems and teachings from the great wisdom teachings Page by page we become more awake to the joy and mystery of this precious human life and to the unique gifts every one of us has to offer the world

Yoruba Traditions and African American Religious Nationalism Tracey E. Hucks, 2012-05-16 Exploring the Yoruba tradition in the United States Hucks begins with the story of Nana Osejeman Adefunmi's personal search for identity and meaning as a young man in Detroit in the 1930s and 1940s She traces his development as an artist religious leader and founder of several African influenced religious cultural projects in Harlem and later in the South Adefunmi was part of a generation of young migrants attracted to the bohemian lifestyle of New York City and the black nationalist fervor of Harlem Cofounding Shango Temple in 1959 Yoruba Temple in 1960 and Oyotunji African Village in 1970 Adefunmi and other African Americans in that period renamed themselves Yorubas and engaged in the task of transforming Cuban Santería into a new religious expression that satisfied their racial and nationalist leanings and eventually helped to place African Americans on a global religious schema alongside other Yoruba practitioners in Africa and the diaspora Alongside the story of Adefunmi

Hucks weaves historical and sociological analyses of the relationship between black cultural nationalism and reinterpretations of the meaning of Africa from within the African American community **Afterzen** Janwillem van de Wetering, 2001-03-08 In Afterzen van de Wetering provides unorthodox solutions to a collection of classical koans found in Walter Nowick's The Wisteria Triangle Van de Wetering gives them his own distinctive touch of humor down to earth reality and tough spirituality in the context of meeting and adventures with personalities collaged from bits and pieces of teachers and fellow students who kindly came my way In this third book of the trilogy van de Wetering is at his accessible honest funny and genuinely spiritual best **How I Found God in Everyone and Everywhere** Andrew M. Davis, 2025-01-28 The spiritual journey is interior to each person but not meant to be walked alone Much can be gained from trailing the spiritual narratives of those who have traveled ahead of us for the God they have found we may never have considered How I Found God in Everyone and Everywhere Volume 2 again captures for a general audience the spiritual shift away from popular notions of a God up there and out there and toward immanent and inclusive understandings of a God in our very midst It is built around the fascinating personal journeys of a close knit group of prominent contributors leaders including Christopher M Bache Jude Currivan Amit Goswami Kabir Helminski Karen Johnson with Hameed Ali A H Almaas Sheri Kling Beverly Lanzetta Ervin Laszlo Jay McDaniel Raymond Moody Peter Russell Rupert Spira and Becca Tarnas From dark nights of suffering and despair to the joy of scientific and intellectual discovery to the aesthetic beauty of music and nature and the blissful and at times dreadful shock of psychedelic mystical and near death experience these spiritual memoirs reveal exceptional encounters with the Holy Mystery a universal Mind that exceeds but also includes our very own And unlike the first volume this new book is deliberately catered toward group study with its Questions for Discussion and Sages to Explore sections at the end of each chapter *Walking with a Himalayan Master* Justin O'Brien, Jaidev Bharati, 2006-12 This autobiography of an American yogi is the story of the training of a Western scholar by a unique Himalayan Master one of the greatest yogis of the era *Yoga Journal* , 1983-09 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty *After the Ecstasy, the Laundry* Jack Kornfield, 2001-10-02 Enlightenment does exist internationally renowned author and meditation master Jack Kornfield assures us Unbounded freedom and joy oneness with the divine these experiences are more common than you know and not far away But even after achieving such realization after the ecstasy we are faced with the day to day task of translating that freedom into our imperfect lives We are faced with the laundry Drawing on the experiences and insights of leaders and practitioners within the Buddhist Christian Jewish Hindu and Sufi traditions this book offers a uniquely intimate and honest understanding of how the modern spiritual journey unfolds and how we can prepare our hearts for awakening
