Journey Back to Love Lisa Magisi, 2024-12-22 Journey Back to Love is a powerful daily devotional that chronicles one woman s arduous path through addiction trauma and cancer This compelling book offers readers an intimate look into the author s life detailing her struggles and triumphs as she navigates the tumultuous waters of recovery and healing Each day s entry provides a raw and honest account of the author s experiences highlighting both the devastating lows and inspiring highs of her journey The book doesn t shy away from the harsh realities of addiction and trauma instead facing them head on with courage and vulnerability What sets this devotional apart is its interactive nature Readers are encouraged to reflect on their own lives identifying areas where they can make small but significant changes to overcome their challenges Whether battling addiction processing trauma or facing other life obstacles the book offers practical insights and strategies for personal growth Through the author s perseverance and unwavering determination to reconnect with her own heart readers are inspired to embark on their own journey of self discovery and healing Journey Back to Love serves as a beacon of hope reminding us that no matter how dark the path might seem there is always a way back to self love and inner peace

Our Life, Our Work, Our Humanness Vincent Dodd, 2024-10-16 We are more divided than ever in too many aspects of life and we too often feel various levels of emptiness while pushing to keep up or protect ourselves from all that is coming at us Our Life Our Work Our Humanness explores our relationships with ourselves and others and

how our stressors and society's negative influences affect and slowly tear us down. What helps is empowering yourself with more and easier options so the bad effects you less and can even become a powerful lesson to greater peace. Bad will periodically happen to all of us. However, finding more goodness between the bad and how we handle most of it can become easier. We and our lives are built of emotions, relationships, concerns, expectations, harsh realities, and painfully even politics. Vincent is trusting us to open up about his thirty-four years of front-line public service in both emergency nursing and law enforcement. He then trusts us further to look at our shared difficulties and tragedies as humans, his personal life mistakes, lessons, observations, and what made it all easier. He validates our issues and pains, then quickly moves to solution-based concepts and functional tools to tame our life stressors. The author writes, "I am periodically asked, 'With the amount of tragedy and death you have seen, how do you still laugh and love life?' So sometimes the same question is worded differently by ending in 'how can you always be so happy?' My answer to the first question is that life is hard yet an amazing and unfortunately short powerful journey. So yes, I do find the good, the lessons, and the laughter as often as I can. My answer to the second question is the same, but it starts with 'I am not always happy.' We are human, and that is a messy condition. Sometimes bad is just bad. Yet seeing and working with the bad from new perspectives can make often help it be much less bad. This book is for those who want less conflict and desire a more meaningful and peaceful life filled with greater joy, exploration, and ease." Breaking The Chains Of Addiction Chris Howe, 2024-07-24. Breaking the Chains of Addiction takes readers on a compelling journey into the lives of fourteen individuals who plunged deep into the abyss of addiction only to rise once again and triumph. Authored by Chris Howe, this book offers encouragement and motivation to anyone who has been affected by addiction, whether firsthand or through a loved one. Each poignant narrative delves deep into the traumatic circumstances that led the individual into addiction, and the diverse network of people, experiences, support systems, and techniques that enabled them to clamber back up onto solid ground and reclaim their lives. Covering everything from substance abuse to behaviour compulsions, this book goes beyond mere narratives to underscore the transformative power of human connection and redemption. It serves as a beacon of hope, illustrating that recovery is within reach for everyone, no matter how tight addiction's grasp. **The Addict** Sam Nelson, 2004-06. The Addict cuts through gender, racial, and generational gaps to expose the cause of addictions.

Rainbows Amidst the Clouds Judy Strand Barcelo, *Rainbows Amidst the Clouds* is a devotional journey through the Bible, contemplating selected passages in every book from Genesis to Revelation. One of the best ways to maintain a close personal relationship with the Lord is to practice a consistent daily devotional program, and this book is one tool to help achieve that goal in the year ahead. As a baby boomer herself, Dr. Barcelo has written this devotional with a view toward relating to the spiritual interests of those who are living out their golden years. Barcelo's rich and varied background as an educator, administrator, missionary, and college professor has given her many experiences from which to draw as she grapples with how to remain spiritually healthy and continue to be relevant in the cause of God as a retired person. Readers, however, will find

that this book is applicable to students of the Bible in all stages of life since it covers a wide range of topics depending upon the selected text for each day Such diverse themes as parenting divorce missionary work leaving and returning to the church equality stewardship aging and retirement are all touched upon in this post pandemic devotional With each passing day search with Dr Barcelo amid the clouds life sometimes brings for the blessings of God s guidance and His rainbows of promise and hope found only as we take time to thoughtfully walk through His Word The Addiction Game Megan Z. Ellis,2025-02-10 Hi I m Megan and I had a gambling problem If you re reading this chances are you already know that gambling can be more than just a game It can feel like a battle one that challenges your control your mental peace and even your future I ve been there I ve felt the rush of winning the excitement of hearing the ding of the machine and the hope that maybe just maybe this time would be different But I also know the pain of losing how that whirr of the reels spinning could easily turn into a feeling of despair It s not easy to admit when something has such a strong grip on you but trust me there s hope and there s a way out And that s exactly what this book is here to help you with understanding what s going on and offering you the tools and support you need to break free from gambling s hold In this book I ll walk you through my personal journey with gambling addiction from the thrill of the first win to the crushing consequences of losing control It s easy to brush it off when it s just a few bets here and there but over time it can slowly take over I get it Gambling addiction can feel isolating and confusing it doesn t look the same for everyone For some it s an occasional slip something they can shake off But for others like me it s a slow burn that creeps into every aspect of life making you feel trapped I ll help you understand how gambling takes hold I ve experienced firsthand the powerful way the brain gets hijacked by the constant highs and lows I remember the clink clink clink of the slot machine as the reels spun and how every ding seemed to promise something better But beneath all of that excitement lies an illusion the belief that we can control it that this time we ll win I dive into the psychology of gambling in this book explaining how our brains get caught in the cycle and why we keep returning even when we know the odds are stacked against us But it s not just about the mental grip of gambling it s also about the very real consequences it has on your life From the mounting debts to the strain on your health to the damage it can do to your relationships gambling addiction leaves deep scars And though it s tough it s important to remember you re not alone in this I ll share practical advice on therapy support groups and other treatment options that can help you take the first steps toward healing Recovery is a journey and it s not always linear But it s absolutely possible Throughout this book I ll share stories of hope and resilience stories of people who ve been through the struggle and come out the other side stronger and more balanced I want you to feel encouraged and supported knowing that you re not alone and that there are real steps you can take today to regain control of your finances your health and your happiness If you ve ever felt trapped by gambling I want you to know that there is a way out It starts with understanding what s happening inside your mind and acknowledging the hold that gambling has on you The Addiction Game is your roadmap to breaking free finding hope and reclaiming your life It

s a compassionate non judgmental guide for anyone ready to step away from the cycle and create a healthier more balanced life I m here to share my story with you and I m rooting for you to take the first step too I know how hard it can be but I also know how incredibly freeing it is to reclaim control over your life Ready to take that first step Let s do this together

during the era of the last emperor when the breathtaking greatness of China's ancient traditions was still everywhere evident. Arriving in 1934 he found a city imbued with the atmosphere of the recent imperial past and haunted by the powerful spirit of the late Dowager Empress Tzu Hsi. He entered a world of magnificent palaces and temples of the Forbidden City, of lotus-covered lakes and lush pleasure gardens, of bustling bazaars and peaceful bathhouses and of flower houses with their beautiful young courtesans versed in the arts of pleasing men. With a novelist's command of detail and dialogue, Blofeld vividly re-creates the magic of these years and conveys to the reader his appreciation and nostalgia for a way of life long vanished.
