Walking Point A Spiritual Journey For Warriors:

Walking Point Chuck Dean, 2007-01-15 *Walking Point* takes warriors on a 39 week journey of individual and group training. It is a series of studies designed to help active duty military and veterans equip themselves spiritually. *The Way of the Mindful Warrior* William Van Gordon, Edo Shonin, 2020-12-02 *The Way of the Mindful Warrior* provides a fresh, authentic and structured path to using mindfulness to embrace living in awareness and reconnecting with our innermost nature of peace, wisdom and compassion. Mindfulness is a 2,500 year old Buddhist meditation practice that involves focusing awareness on the present moment, the only place where an individual can truly embrace and experience life. In recent decades, mindfulness has gained popularity amongst scientists, healthcare practitioners and the public more generally. An abundance of popular books has subsequently emerged, providing different interpretations of how to practice mindfulness and apply it in daily living contexts. However, most current approaches to mindfulness have removed it from its traditional spiritual context or overlook important scientific insights from research into this ancient contemplative technique. *The Way of Mindful Warrior* addresses this oversight and integrates the traditional Buddhist teachings on mindfulness with emerging insights from the scientific study of mindfulness, wellbeing and the human mind. This book is timely and presents a fresh, easily digestible and structured path to using mindfulness not only as a tool for coping with the stresses and strains of contemporary living but also as a means to cultivating unconditional wellbeing and for flourishing as a human being.

Warrior's Return Edward Tick, Ph.D., 2014-11-01 War touches us all, leaving visible and invisible wounds on the warriors who fight, disrupting their families and communities and leaving lasting imprints on our national psyche. In spite of billions spent on psychological care and reintegration programs, we face an epidemic of combat-related conditions such as PTSD (Post Traumatic Stress Disorder). With *Warrior's Return*, Dr. Edward Tick presents a powerful case for changing the way we welcome our veterans back from service, a vision and a path for transforming the wounds of war into sources of wisdom, honor and growth. After more than 35 years of working with veterans, Dr. Tick has learned that our conventional ways of addressing the trauma and woundings of war fall far short, usually focusing only on symptoms and temporary relief. Drawing on lessons from cross-cultural wisdom, mythical archetypes and proven methods from psychology, he offers this book as a valuable resource to help families, caregivers and returning veterans understand and cope with the life-changing effects of combat, including re-examining PTSD, why we must expand our understanding of the full psychological and spiritual impact of war's invisible wounds, the archetype of the warrior, service in combat as a journey to the underworld and why the return home is the most crucial stage. The warrior's path: timeless wisdom from tradition, classical philosophy, great leaders and religious and mythological sources. How cultures around the world have welcomed home their returning warriors for centuries and what we can learn from them. The warrior's initiation: how the old self dies on the battlefield and a new, more mature self evolves in its place. Restoration methods for overcoming disillusionment and soul fatigue to restore the warrior's sense of purpose.

Thought Perspectives of a Spiritual Warrior Johnny Grady,2020-11-04 From what I can remember this whole writing thing began around 2009 2010 It all started as a trickle of Facebook postings Mostly uplifting messages and quotes from other people and very occasionally I would share my own unique perspective Although social media is littered with trivial mundane information

I am very appreciative of these platforms and choose to use them for the dissemination of more uplifting and inspirational subject matter. Interestingly enough, prior to the digital age, it was a real challenge for me to write even a few sentences on a consistent basis, let alone an entire paragraph. But little did I know that in 2014, that trickle of inspirational insights would literally turn into a waterfall which still remains consistent till this day. And some of my insights and observations are shared in the pages that follow.

Welcome to my world. [Shot Through The Heart](#) Linda Porter, 2008-07. Linda Porter, the author of *Angels Beings of Light*, has returned along with her merry band of angels known as Us. This time the tale is so mystical, so seemingly mythological that you would swear it is a fictional account. But it is not. It is a story about finding the Light in unexpected places and in unexpected faces, a chronicle of one woman's journey further into the Light than she could ever have imagined. When describing her unusual journey, Linda says, "I believe that God creates the path that is best suited to each of us. I acknowledge that God frequently has to take me off the beaten path and even though I don't always understand the ways of others, I try to honor them. Who am I to disagree?" Join her as she chronicles her ongoing spiritual journey with entries as varied as *Wrestling with Angels*, *Speaking from the Heart*, *Vampires as a Path to God*, *The Light Moving Beyond the Pain*, *The Dalai Lama*, and more. Most are accompanied with angelic commentaries, of course. This story could not have been written without them. You might want to fasten your seat belt. The angels have promised a wild ride, but a safe and loving journey. Enjoy. Indulge. Learn. Cover design by Matt Porter. For more information, please email info@mathewporter.info. **Spirit Warrior**

Peter Zindler, 2006-05-18. Fortified with their overwhelming verbal support, Megog dipped his muscled shoulder and shot forward. Quickly, I dodged to the right, but he had anticipated my very move and crashed straight into my chest. He had guessed my path of escape. With a loud thud, my back slammed the mat, and my head bounced off the hard rubber surface. Starbursts of pain rocketed through my brain like a meteor shower. I lay there dazed, unable to move. The crowd jumped to their feet and cheered. Megog had executed a brilliant combination move. This society's love of violence in sport was particularly keen. Pulling myself to my knees, I couldn't breathe. My eyes refused to focus, and all I could see was a colorful kaleidoscope of fuzzy objects. My head felt like it was in a hot steel vice that someone was tightening. Again, I gasped for air, but none came. I knew what would happen next and tried to raise my arms to defend myself, but my body rebelled. My brain couldn't activate my muscles. Dear Jesus, was all I could say before I fell to the mat in an unconscious heap. [Path of the Warrior](#)
