discontent boiling over when the Catholic King James II came to the throne in 1685 whereupon he was immediately beset by a Protestant rebellion led by the Duke of Monmouth which set a chain of events in motion resulting in William III and Mary II being crowned as Joint Monarchs after a bloodless coup It was James removal from the throne which created the spark for his supporters to orchestrate a series of revolts known as the Jacobite Rebellions the name coming from the Latin for James Jacobus These uprisings which included the rebellions from the Highlands of Scotland and the Williamite Wars in Ireland also formed part of the wider picture of a European war known as the Nine Years War the War of the Grand Alliance or the War of the League of Augsburg 1688 1697 During which King Louis XIV of France strived to realise his expansionist plans while enforcing the Catholic religion and continuing to promote the Jacobite cause for his own ends Later King Louis XIV was instrumental in initiating another conflict in Europe the Spanish War of Succession 1701 1714 which led the French to continue to support Jacobite risings in Scotland during the same period and beyond ultimately leading to Bonnie Prince Charlie s audacious bid for the British throne in 1745 The 45 rebellion was eventually put down in the crushing military defeat at Culloden in 1746 when the last pitched battle on British soil finally sounded the death knell for the Catholic and Stuart monarchy However the legend of the dashing prince who came so near but yet so far in his bid to win the throne back for the Stuarts is still very much alive in Scotland especially as he continued to frustrate an enormous government manhunt to capture him amidst a savage backdrop of reprisals being wreaked on the Highland Jacobites [British Museum Catalogue of printed Books](#) ,1893 [The Unofficial Guide to Britain's Best Days Out, Theme Parks and Attractions](#) Bob Sehlinger,2011-04-22 The Unofficial Guide to Days Out Attractions in Britain gives you the perfect guidebook to experience the best theme parks attractions and days out in Britain Researched and written to provide the most fun exciting and diverse range of outings and excursions available to those looking for a great day out this book provides an eclectic choice of big hitting theme parks to more local experiences and unusual days out This guide will help you plan your visit and bring the experience alive for you in a personal way written by a team of experts For smaller attractions you ll get the lowdown on what s best to explore and hidden gems you d never known about while on the big theme parks you ll get smart time and money saving advice designed to maximise your fun and eliminate any stress With honest reviews detailed information invaluable maps and indispensable tips this guide will give you a book brimming with inspiration to savour for your next day out Take a look inside The Unofficial Guide to Days Out Attractions in Britain includes Fun A diverse book of exciting days out theme parks and attractions celebrating Britain s character from big roller coaster theme parks to local adventure experiences and unusual trips to savour and plot your next trip away Eclectic A different and eclectic set of day trip choices from hanging upside down at Thorpe Park or Alton Towers to dinosaur parks famous film locations steam trains falconry motor museums and wildlife sanctuaries Time Money Saving tips from a team of experienced experts Expert advice to provide the most fun and enjoyable days out Honest reviews from a team with extensive training and research experience
